In No 2886 Edm ^{16.11.49} the Govt. approved the proposal for the payment of bonus to composers and Machine operators in the Govt. Press and recovery by way of fines for deficiency in the minimum outturn and directed that the payment and recovery should be calculated for a quarter of the financial year. The S.G.P. now reports that the Expert Committee desires that the payment of bonus should be made monthly in order that it may be an incentive to composers to show more outturn in the subsequent months and requests that orders in No. 2886 Edm of 11.6.48 may be modified accordingly.
