 Sanctioned to the Municipal Council Salem in
 G.O. no. 1670 Education & 29. 6.48, towards
 one half of the cost of purchase of books
 & science articles in 1948-9, a subsidy of
 Rs. 3725 was drawn in that year. The
 balance of subsidy not availed of is Rs

1119/- If as recommended by the Director, a subsidy of Rs 2688 is sanctioned ^{in the current year} towards one half of the cost of the purchase of the remaining items of the approved indent ^{for 1948-9} the total amount of subsidy ^{for that scheme} will amount to Rs 6,413 which exceeds the maximum limit of Rs 5000 fixed for each scheme. The Director is therefore requested to report whether the subsidy to be sanctioned may be limited to Rs 1275 (Rs 5000 - 3725) or to Rs 1119 the balance of the subsidy sanctioned but not utilized in 1948-9 which is usually reallocated in the next year.

2 In G.O. no 1970 2dn D, 17.6.49, the Govt have sanctioned ② a subsidy not exceeding Rs 5000 to the Moul. al. Salem towards the cost of purchase of Science articles & library books in the current year. It is presumed that this is for a separate scheme & this is not intended for the purchase of articles as per indent already approved in 1948-9.

The Director is requested to state whether this presumption is correct. Otherwise there will be no necessity to make any additional provision in the R.E. for 1949-50.
