Sir,

With reference to the Proceedings of the D.P.I.,
Madras, No. R.C. 2223 LI-C2/48, dated 23-6-1949, granting
me extension of leave upto 9th July, I have to state that
after the operations to my eyes, chronic inflammation had
set in, and as this condition is improving cataract is
rapidly forming. The Doctors are not able to predict
exactly how long it would take to mature and be fit for
removal. I have therefore to request that my leave be
further extended by six months with effect from 10th.
July.

Yours faithfully,

R. S. Swarnambal
