SUB:- ELEMENTARY EDUCATION - Posts of attendance officers - Continuance of 60 Attendance officers with a peon under each officer.

REF:- From the D.P.I., No.895-M/49, dated 9-8-1949.

In the year 1948 the Govt. sanctioned a scheme of Attendance Officers to improve the enrolment of pupils in ele. schools in compulsory areas as an experimental measure for a period of one year. The Director was asked to submit a report about the working of the scheme at the end of the year. His report was received in June last. The attendance officers could not do much work in regard to enrolment on the reasons stated in the report. The Secretary noted in this connection as follows:-

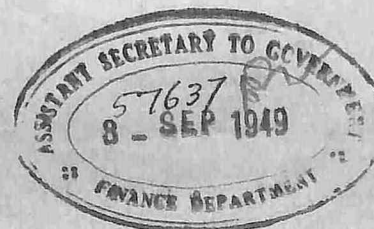

"The results of the experiment are not encouraging and should be considered if and when these posts come up for extension."

2. The D.P.I. now recommends the continuance of the posts for a further period of 2 years up to the end of 31-8-1951. The attendance officers were appointed in Chingleput and South Arcot in Sept. 1948 and in the other Districts in December 1949. Perhaps it is too soon to say whether the scheme is a failure.

The posts may be continued for one more year and the results of the experiment watched. Unless the officers are retained it may not be possible to enforce the scheme of compulsory ~~edu~~ edn. successfully.

Finance may see before circulation.
