For Director of Public Instruction.

Copy of the letter Hostel/49-50 dated 13-7-49 from the Principal, Arthur Hope College of Technology, Coimbatore.

Sub: Allotment of Rs.500/- requested for the repair and maintenance of the electric installation of the Hostel & College Buildings of the Arthur Hope College of Technology, Coimbatore.

During the last 4 years a sum of Rs.796-8-0 has been collected from the student members of the Hostel at the rate of Rs.1/8/0 per head per year towards the maintenance and repair of the electric installation of the Hostel and remitted into the Treasury under receipts "XXVI Edn. E.General-Miscellaneous". So far no expenditure has been incurred on this account and no repairs have been done and hence they are in a bad state of repair.

The practice in the Engineering College, Guindy is for the Public Works Department who are in charge of the buildings to maintain and repair these installations and supply the necessary electric bulbs.

But, as this College & Hostel are housed in private buildings, the Public Works Department is not attending to the maintenance of these installations. There were roughly about 300 electrical points to start with and they have increased about 450 due to the expansion of the laboratories etc. which require immediate attention.

As money is collected every year from students towards electrical installation, as maintenance charges and as they are also in a bad state requiring immediate repairs, I request that a sum of Rs.500/- be sanctioned for the purchase of electric bulbs and for urgent repairs.

Yours faithfully,
A. VISWANATH,
Principal.
