Sir,

Sub:- R.S.S.Activities -- Participation of
certain teachers -- Disciplinary action
against the - instruction regarding the -
soliciting.

I submit herewith a copy of the report received
from the District Educational Officer, Mathurai regarding
a teacher by name V.Wenkataramanan who is reported to have
been arrested in connection with his participation in R.S.S.
activities and request Government instruction in the matter
of disciplinary action to be taken against them.

The teacher is reported to be an untrained person
and is therefore not in possession of any Teacher's Certificate
contemplated under rule 154 of Madras Educational Rules read
with rules 136 to 138 under Chapter XI of Madras Educational
Rules. Hence action under rule 154 against him does not
arise. He can be declared unfit to be a teacher under rule
16 of Madras Educational Rules.

I request the favour of Government Instructions in
the matter.

Yours faithfully

Sir,

Report regarding the -- Disciplinary action.

Ref:- Your T.Ms. dated 2-4-49 and 5-4-49.

With reference to the Telephonic messages cited,
I may state as follows:-

There is no separate rule empowering the Director to declare a person unfit to be a teacher. Rule 16 of the Madras Educational Rules appears to provide by implications for (1) declaring a person unfit to be a teacher and (2) the withdrawal of recognition of the school which employs a person declared to be unfit to be a teacher under the rules or which employs a person against whom action is taken under rule 154 or Madras Educational Rules or under rule 14 of the rules relating to recognition of elementary schools. ~~§ 1~~

(2) The present reference was made to the Government because of the absence of a more specific rule. If, however, Government consider that such a rule ~~explicitly~~ defining powers of the Director is necessary, suitable amendments to the Madras Educational Rules will be suggested. Meanwhile, I request that early orders may be passed on the particular reference in question.

Yours faithfully

For Director of Public Instruction.

Madras Educational Rules - Untrained teachers
participating in R.S.S. activities - Disciplinary
action to be taken

From the D.P.G. Re. No. 68E4/49 d/4-3-49 and

7-5-49.

Sri V. Venkataraman, an untrained teacher

employed in the U.C. High School, Madura is reported
to have been arrested in connection with his participation
in R.S.S. activities. While considering the disciplinary
action to be taken ^{against} this teacher, the D.P.G. has stated
that the question of cancelling the teacher's certificate
under Rule 154 of the M.E.R. does not arise, as the untrained
teacher does not possess a certificate. The Director has therefore
requested orders whether the teacher may be declared
unfit under Rule 16 of the M.E.R.

2.) Rule 16 of the M.E.R. merely prohibits the
employment of a teacher who has been declared unfit
to be a teacher by the Director after due enquiry. The rule
by itself does not ~~provide~~ provide for ~~the~~ declaring ~~of~~
~~the~~ teacher as unfit. The D.P.G. to whom this point was
referred, has reported that there is no specific rule for
taking such action. He is of the opinion that Rule 16 of
the M.E.R. appears to provide for such a course - viz -
declaring the teacher as unfit - by implication.

3.) The teacher is only an untrained graduate
and therefore he should have been employed temporarily
as an emergency measure in view of the dearth of trained
personnel. In such cases temporary exemptions from
the possession of the prescribed training qualification
would have been sanctioned by the Director prior to the
employment of such teachers. These exemptions will
be granted only for a period of one year at a time.

So it will be open to the D.P.G. to refuse to grant
may be extended in the subsequent years. It is for
consideration whether the D.P.G. may be instructed to not
to sanction any further exemption to Sri Venkataraman.

The Director may require the management to terminate
the services of the untrained teacher and replace him by a fully
the teacher is refused admission in any of the training qualified candidate
training schools or colleges. By taking this disciplinary
action, the chances of the teacher entering the
services of any other management are very remote. If, however,
it is considered that a more drastic action is necessary, the
D.P.G. may be requested to declare the teacher unfit under suggest
the general powers vested in him. He may also be requested
to suitable amendments to the M.E.R. to provide for
such exigencies.

The file may be sent to Public U.O. for remarks,
if any, prior to circulation.
