D.O.No.0224/49/NCC,
NATIONAL CADET CORPS DTE,
MINISTRY OF DEFENCE,
GOVERNMENT OF INDIA,
NEW DELHI, 27 MAY 1949.

8 July 1949 Mr Lobo Prabhu.

Please refer to our Directorate letter D.O.No.0224/49/NCC dated 26 March 1949 under which I forwarded the minutes of the meeting held on 17 March at New Delhi.

2. Agreement (4) in these minutes had stated that I was to send to you a list of the difficulties which have arisen in the running of the National Cadet Corps units in your Province.

3. I attach a list of these to this letter. The point entitled "Training responsibility" is NOT a difficulty experienced as yet. It is a matter of general interest which may be discussed at our next meeting.

Yours sincerely,

Gopal S. Bewoor

J.M. Lobo Prabhu Esq., I.C.S.,

1. The last minute failure in not raising an Infantry unit in Andhra University and an Artillery unit in Madras Colleges was a great pity. The reasons put forward only show lack of interest of the University and College authorities. Such last minute changes cause administrative inconvenience to the Directorate and puts out training courses arranged by Army units.

2. It is essential that the advice of the Officer Commanding be accepted on all training matters. If the Education Secretary ~~is~~ he would like the opinion of a Senior Army Officer, he should get it either from the Sub-Area or Area Commander or the Director, National Cadet Corps. It is necessary, from the point of view of both discipline and the maintenance of his position, that the Officer Commanding's advice should not be put up for consideration to his N.C.C. officers or any other person who is not in touch with the unit. It is for the O.C. to get the opinion of his N.C.C. officers and Principals of Colleges before he tenders advice to the Government. Orders about observing this procedure have already been issued to Commanding Officers.

- X (ii) Maintenance arrangements for transport and arms.
- X (iii) Equipment repairer.
- (iv) Position of the ex-U.O.T.C. stores, especially clothing.
- (v) If any grants may be requested from the University. What are their financial liabilities? (e.g. certain training films to be shown to the cadets; NCC officers and other ranks Recreation Club, etc.)
- X (vi) What can be inspected by the local Sub Area in their annual inspection? Will the annual inspection be on the similar lines as is done for the Regular Army units.
- (vii) Audits. Civil as well as Army local ^{audit} officers?
- X (viii) What medical arrangements for the Regular Army personnel posted to a place where there are no I.A.M.C. unit.
- (ix) NCC officers don't seem to like the golden band underneath their badges of ranks.
- (x) The NCC badge is dull in glitter. Can it be made more shiny? Suggest electro-plating. For comparison, issued one and the plated locally badge are sent.
- (xi) Emblem of Madras NCC. Could it be, if devised, common all over India.
- (xii) The civilian personnel employed in NCC desire that they should be employed in the NCC by the Central Govt. whose rates of pay could be higher than the Provincial Govt. They also accept the liabilities of being posted anywhere in India.

PRESENT DIFFICULTIES.

1. TRAINING CAMP.

✓ Ruling as to the holding of Camps has not yet been received. Provincial Government's last letter states that it will take sometime to give a ruling. The training programme for the year has to be made based on this. Sufficiently early information is required for making arrangements for the Camp.

2. ARMS EQUIPMENT.

✓ Armoury has not yet been constructed at Kumbakonam. Plans etc. submitted long ago and the whole matter is pending.

3. CLERICAL (NGOs) & INFERIOR SERVANTS.

✓ Posting of typist, cleaners and drivers are all temporary. These have to be borne on the permanent establishment.

4. PAY & ALLOWANCES NGOS & INFERIOR SERVANTS.

✓ The subject has to be reviewed with special attention by the authorities concerned since the present position of the clerks, lascars, peons etc. is causing much concern amongst them. The Provincial Government were approached regarding this as far back as 18-2-49. The responsibility of the establishment, it will be appreciated, is more when compared to other departments.

5. SERVICE OF NGOS & INFERIOR SERVANTS FOR PENSION etc.

✓ No provision is made for the NGOs and inferior servants as for other Provincial Government servants. In this connection the service in the Ex-UOTC should be counted, vide NCC letter No.0222/49/NCC dated 11-2-49. Vide Madras Govt. letter No.74800-B1/48-2 Ldn. dated 5-2-49 this H.Q. replied forwarding relevant details required by them. So far nothing has been decided.

6. ACCOMMODATION - JCOs & NCOs & HQ OFFICE.

✓ Since NCC Unit is essentially a Military organisation, accommodation for HQ Office, JCOs and NCOs should be provided in places where Military accommodation is available. There seems to be some doubt with regard to the position of NCC Unit. Since the unit is stated as a Provincial Organisation Military authorities have no hand on it, it has created some doubts as to their right for Military accommodation. For instance the HQ Office of this Unit is often required to be vacated to give room for other Units. The question arises if the HQ Office has an equal right as other units in normal times. This should not absolve the Provincial Government from their responsibility to find accommodation when and where it is needed.

✓ 7. CLOTHING.

This Unit is still deficient of the following items.

✓ Caps F.S. are urgently required.

Trousers Drill O.G.	259
Socks worsted	941 *
Vests cotton	625 *
Caps F.S. Serge	455
Shoes canvas	5
Buckle N.F.	190

* Arrangement has been made for local supply with D.C. Kohly & Sons, Army Contractor, Fort St. George, Madras.

1. Clerical and Inferior Servants.

Clerks, Peon and Lascars employed in this unit are the ~~defunct~~ people from defunct U.O.T.C. These may please be absorbed in the permanent vacancies.

2. Pay and Allowances.

Fixing of pay and allowances of ex-UOTC personnel is still under consideration. An early decision may please be made.

3. Service to count.

The service in the ex-UOTC may please be counted for fixation of pay and allowances and for pension on confirmation to a permanent cadre.

4. Amenity Grant.

Re.1/- granted as amenity grant for one year is not sufficient for the small unit having 60 members on their establishment and it is not possible to buy things like hockey balls, and Cricket bats etc., in addition to Magazines, weekly and daily news paper for the use of the cadets. So, it is requested an amount of Rs.2/- per cadet per year ~~may please be granted~~ or an initial grant of Rs.500/- may please be granted.

Difficulties in running the Units.

I am to state that, as the Units of the National Cadet Corps assigned to the University have not yet been formed it may not be possible to make any suggestions in the light of experience. I am however to add that the University is in general agreement with the conclusions and recommendations reached at the meeting of the Committee of provincial representatives especially in respect of the following items:-
(1) Building accommodation for Army Personnel by the army authorities and (2) supply of tentage and furniture by the army authorities for accommodating the Army Personnel till accommodation becomes available. The University is finding it extremely difficult to find accommodation for its teaching and administrative staff in either Chidambaram or its neighbourhood and it will be a good thing ~~that~~ if tentage and furniture are supplied to the Army Personnel attached to the two Units (an Infantry and a Signals) to be formed from July next.

The construction of armouries for storage of arms and ammunition is yet to be undertaken. Plans for these are awaited.

To The Director, National Cadet Corps,

Sir,

Sub: NATIONAL CADET CORPS - Senior Division - 3rd
Madras Engineer Centre - Increase in Amenity grant.

According to your letter No.0010/48/NCC dated the
8th November 1948, an amenity grant of Re.1/- per officer
and cadet should be sanctioned to the units of the Senior
Division of the National Cadet Corps based on their strength
on 1st December. The Officer Commanding the 3rd Madras
Engineer Centre has reported that this rate is not suffi-
cient for his unit and that an initial sum of Rs.500/- or
a grant at the rate of Rs.2/- per annum per cadet may be
sanctioned, presumably because this is a technical unit and
the total number of cadets is limited to work.
If the grant at the higher rate is paid to this unit, the
officers commanding the other specialist
other units may also put forward their claims at that rate.

PTO

-2- no

I am, therefore, directed to request you to let me know whether in the circumstances, it is necessary to allow the grant at the rate of Rs.2/- per cadet per annum for all the

Specialist
Technical units raised in this Province *whether the need for the enhancement of the rate has been brought before the Officer Commanding Eng. Units in other Provinces*

2. In this connection, I am also to request you to issue instructions as to what can be inspected by the local

Sub Area in their annual inspection and whether the annual

inspection will be on the same lines, as is done for Regular Army

Army Units. *as this point has been raised by the Officer Commanding the Madras Infantry Brigade*

INCREASE IN AMENITY GRANT.

59163
sir,

I am directed to refer to your letter No. 41347-B.1/49-4 Education of 13 July 49 and to state that the increase of the amenity grant from Re.1/- to Rs.2/- per annum per cadet for N.C.C. Technical units is NOT sanctioned and should NOT be granted to these units. I am, however, to suggest that a non-recurring block grant of upto Rs.7200/- may be made to these newly raised smaller technical units to enable them to start off the unit Information Rooms. This procedure has been followed in certain other Provinces.

2. With reference, to para 2 of your letter, I am to say that the Sub-Area in their annual inspection may inspect anything that they desire and the same procedure may be followed as for annual inspections of Regular Army units.

INCREASE IN AMENITY GRANT.

1201
I am directed to refer to your letter No. 41347-B.1/49-4
Education of 13 July 49 and to state that the increase of the
amenity grant from Re.1/- to Rs.2/- per annum per cadet for N.C.C.
Technical units is NOT sanctioned and should NOT be granted to
these units. I am, however, to suggest that a non-recurring
block grant of up to Rs.7500/- may be made to these newly raised
smaller technical units to enable them to start off the unit
Information Rooms. This procedure has been followed in certain
Other Provinces.

With reference to para 2 of your letter, I am to say
that the sub-tees in their annual inspection may inspect anything
that they desire and the same procedure may be followed as for
annual inspections of Regular Army units.

Yours faithfully,

MEMO NO. 41347-B.1/49-8248 X 1618749.

In his letter above, the Officer Commanding
the 3rd Madras Engineer Centre, NCC, has reported that
the rate of Re.1/- per officer and cadet is not suffi-
cient for his unit and that an initial sum of Rs.500/-
or a grant at the rate of Rs.2/- per annum per cadet
may be sanctioned. The Director, National Cadet Corps,
has advised that the increase in the amount of grant

should not be sanctioned; but he has, however, suggested that a non-recurring block grant of upto Rs.150/- may be paid to the newly raised smaller technical units to enable them to start off the unit information rooms. The Government have considered the above suggestion and have decided that, in view of the present need for economy in expenditure from Provincial funds, no non-recurring grant need be sanctioned to the units.

OFFICE MEMORANDUM

Subject:- NATIONAL CADET CORPS - STATUS OF N.C.C. OFFICERS.

1. The National Cadet Corps consists of the Senior Division, the Junior Division and the Girls Division. Units of the Senior Division are based on Universities and Colleges, while those of the Girls Division are based on Girls Colleges only at present. Units of the Junior Division are based on High Schools.
2. The N.C.C. Officers for all these units are provided by college and school teaching staff members, who are commissioned in the N.C.C. Senior, Junior or Girls Division, after successful completion of a training course in any Army unit. The status and powers of Senior and Junior Division officers have been specified in Rule 26 of the National Cadet Corps Rules, which were published in the Gazette of India dated 19 February 1949, Notification No.289 (Part I -Section 3).
3. As laid down in sub-rule (2) of Rule 26, the Ministry of Defence specified the powers to be exercised by Senior Division Officers over Army Junior Commissioned and Non-Commissioned Officers, in their letter No.0162/49/NCC dated 19 March 1949, Appendix "E", addressed to all Provincial Governments, Chief Commissioners, States and States Unions. These powers have also been notified in Army Orders, as stated in Appendix "E".
4. Junior Division Officers are treated on a par with Junior Commissioned Officers of the Army, though this has NOT been specifically laid down, as it is considered that Junior Division Officers will seldom have to deal with Army personnel in the course of their N.C.C. duties.
5. The ranks and scales of promotion of Senior Division and Junior Division Officers is ~~shown~~ shown in Schedule III to the Rules. The Badges of Rank worn by these officers are the same as worn by Army Officers, except that Senior Division Officer wear a stripe of gold lace AND Junior Division Officers a Stripe of silver lace below the crown or stars at the base of the epanlette.
6. I request that all Departments, especially the Police, be informed of the status of N.C.C. Officers, their ranks and the badges they wear.

Subject:- NATIONAL CADET CORPS - ADMINISTRATIVE POINTS

Sir,

I am directed to state that certain points of general interest have been raised by Provincial Governments in regard to the running of the National Cadet Corps units. These points, with the answers to them, are attached at Appendix "A" to this letter.

3. A copy of this letter, with the Appendix, is being sent to Army Formation Headquarters, OSc Units and LOs, Junior Division units.

APPENDIX "A"

(to National Cadet Corps Directorate letter No. 0224/49/NCC dated 20 August 1949).

NATIONAL CADET CORPS

POINTS RAISED BY PROVINCIAL GOVERNMENTS AND ANSWERS TO THEM

Point 1 - The suffix "N.C.C." should be abolished from the rank and the gold stripe should also be removed from the badge.

The Home Ministry have, at our instance, issued a letter to all Provincial Governments and Chief Commissioners, (Home Ministry Office Memorandum No. 159/48-Police (I) dated 15 July 1949) explaining the status of N.C.C. Officers, as specified in the N.C.C. Rules and Govt. of India (Ministry of Defence) letter No. 0162/49/NCC dated 19 March 1949 "National Cadet Corps Rules", Appendix "B", and the badges of rank that these officers wear. The Provincial Governments and Chief Commissioners have been asked to bring this to the notice of all their Departments, especially the Police. The Ministry of States have also sent copies of this letter to all State and States Union Governments. Publicity is also being given to these two points, so that all persons may come to know about it.

(b) The suffix "N.C.C." is NOT used after the rank but after the name e.g. "Capt ABC, N.C.C.". The suffix "N.C.C." and the gold stripe is NOT given to the N.C.C. Officers as a mark of differentiation in a derogatory way but to show to everyone that they belong to a separate Corps. We wish to develop our own Corps badges, colours and traditions and it is NOT necessary that we should follow the U.O.T.C. blindly in such matters. It is NOT necessary that N.C.C. Officers should wear the same badges as Army Officers and it is by having such separate badges and names that we can develop a separate esprit-de-Corps.

(c) I would request you to consider that the Royal Navy and the Royal Indian Navy Officers have a suffix and badge differentiation for each Branch of their Service. R.I.N. Officers, other than of the Executive Branch, insert their Branch name after their rank e.g. "Capt. (E) XYZ" stands for a Captain RIN, of the Engineering Branch or "Lt. (S) ABC" stands for a Lt. of the Supply Branch. Also, RIN Officers, other than of the Executive Branch, wear a stripe of the Branch colour in between the gold stripes which shows their rank. These officers of the RIN are NOT ashamed of these suffixes nor of the stripes but are proud of the Branch to which they belong. By the same token, it is felt that N.C.C. Officers should NOT consider it derogatory, but on the contrary take pride in wearing special badges of rank and adding the word "N.C.C." after their name.

(d) I have already asked Officers Commanding units and LOs to explain the above points to N.C.C. Officers.

Point 2 - N.C.C. Officers may be granted Acting higher ranks commensurate with the appointments held by them

Answer

(a) The policy of granting "acting" ranks was introduced in the Army during the last War and has continued owing to the unsettled conditions, including the departure of

British Officers from the Army. It is the intention of the Army authorities to abolish acting ranks as soon as conditions permit and an officer will do a job of work for which he is detailed, irrespective of his rank without being granted a higher rank. This is in line with the policy adopted in peace time in all Armies.

and

(b) In view of this, it is NOT proposed to introduce acting ranks in the N.C.C. In any case, the grant of a higher rank depends on the officer being fit and qualified to hold that rank. Majority of N.C.C. officers have been newly commissioned and it is neither suitable nor equitable to grant them higher ranks. In the case of ex-UOTC officers, each case can be considered on merits and exceptions to our policy can be made in special cases only.

Point 3 - Accommodation for Army personnel.

Answer - It has been found that administrative difficulties, mainly of finances, have arisen in implementing the policy laid down in Government of India (Ministry of Defence) letter No.0010/49/NCC dated 7 January 1949 "N.C.C. - Accommodation for Regular Army Personnel". The whole matter is at present under consideration and necessary orders will soon issue to Army Formation Headquarters.

Point 4 - Provision of tentage of hatted accommodation for the Army Camp.

Answer - Army Formation Headquarters are prepared to provide tentage or hatted accommodation, wherever and whenever it is available, for N.C.C. units to hold their annual camp. Hire charges, as also electricity and water charges, will be levied by the Army authorities at the fixed scale laid down.

Point 5 - Railway concessions to be granted to Cadets travelling in parties for annual camp or cadre courses.

Answer -

- (a) The existing Railway Coaching Tariff Rules make provision for grant of railway concessions to students travelling in parties of certain strength. Provision is also made for Professors or teachers in this party.
- (b) We have discussed this with the Railway Ministry and a case is being put up to them to extend the concession to N.C.C. cadets. An answer will be, it is hoped, sent at an early date.

Point 6 - The safe custody of arms and ammunition should be a Central Government responsibility.

Answer -

The Central Government has agreed to provide free of cost arms, ammunition and equipment to N.C.C. units for training purposes. The responsibility for its safe custody, before, devolves on the Provincial Governments. The Central Government can NOT take on either the actual nor the financial responsibility for its safe custody.

Point 7 - Revision of the Annual Honorarium of Junior Division Officers

Answer - It had been represented that the annual honorarium of Junior Division Officers of the rank of Third Officer should be increased from Rs.90/- to Rs.150/-, but that there should NOT necessarily be a proportionate increase for the higher ranks. The matter has been considered by the Ministry of Finance (Defence) and also by certain Provincial Advisory Committees. The general opinion is that NO case exists for the grant of an honorarium than that laid down in the N.C.C. Rules (Schedule II). It is felt that the Junior Division Officer gets pay of rank for one month for attending the Annual Camp of 10 days, whereas the Senior Division Officer gets pay of rank only for 15 days, which is the duration of the Annual Camp.

higher

Point 8 - Grants from Universities to N.C.C. Senior Division Units.

Answer - A number of Universities are already giving grants to NCC Senior Division Units. It is, however, considered that a uniform grant should be made to each type of unit and a uniform system should be laid down for the disbursement of the grant and the purposes for which it is to be used. A letter to Vice-Chancellors of Universities, setting forth the above, is under issue.

Point 9 - Auditing of accounts of N.C.C. Units

Answer -

- (a) The expenditure incurred by N.C.C. units is met solely by the Provincial Governments. Officers Commanding Senior Division Units have been ordered to maintain accounts for all money received from the Provincial Governments and its expenditure, as also to maintain a ledger for the clothing. The Provincial Government shall be responsible to arrange for the auditing of such accounts and clothing ledgers.
- (b) The Central Government has made arrangements for the auditing of the equipment ledgers of N.C.C. units, as the equipment (other than clothing) is the property of the Central Government.

Point 10 - Junior Division Cadets to be provided shoes (brown or black) instead of chaplis

Answer - It has been ascertained that the cost of shoes will be approximately Rs.14-15, while the cost of a chapli is Rs.10/-. We have NO objection to the Junior Division cadets being given shoes in lieu of chaplis, so long as the Provincial Government does not mind meeting the extra cost. All units in one Province must, however, be uniformly dressed, and we leave it to these Govts. to decide the footwear for Junior Division Cadets. Brown shoes shall be authorised and may be locally purchased or made up and the Liaison Officers, Junior Division Units, should be told NOT to indent for chaplis from Army Ordnance Depots.

89
APPENDIX "A" - CONTD.

-4-

Point 11 - Provision of Army Personnel for Junior Division Units

Answer - This matter is under our consideration but it must be appreciated that there is a shortage of good and qualified JCOs and NCOs, who can be provided to supervise the training in Junior Division units. Every effort will be made to speed up a decision.

From the Dir. NCC, Do. No. 0224/49/NCC dated 24.6.49.

According to the agreement (4) of the minutes of the meeting held at New Delhi, on 17-3-49 the Dir.NCC, should send a list of difficulties in running the units of the N.C.C. to the Provincial Governments and the list received from the Director, is on page 2 c.f. With ref. to the agreements (3) and (5) of the minutes of the meeting, Provincial Governments should communicate to the Director by the third week of June any points to be included in the agenda for the next meeting to be held in July next. The Registrars of the three Universities in this Province and the Officers Commanding the three units of the Senior Division of the NCC (1st and 2nd Madras Inf.Battalions and 3rd Madras Engineer Centre) were consulted in regard to the points to be included in the agenda. The reply from the Registrars ^(except the Regr. A'malai University) ~~to the Madras University~~ have not so far been received, ~~presumably because they have none to suggest.~~

2. The points suggested by the three Officers Commanding are on pages 7-14 c.f. The following remarks are called for on some of the points suggested by them:-
Accommodation for the office of the 1st Madras Battaion and stores and armoury: The office of the 1st Madras Bn. is now located in one of the buildings in the Fort St. George, and the stores in ^{a godown provided by the military} the Fort Armoury. The H.Q., Madras Sub Area, have requested that this accommodation may be arranged to be vacated as early as possible, as it is required for military purposes. The C.E.(Buildings) who was consulted whether any of the Govt. buildings in the City can be allotted for the purpose, has reported that

that it is not possible. A priority certificate has been issued to the Collector of Madras for securing a suitable building and he has also stated that he is not able to find one so far, in view of the prevailing acute shortage of accommodation. The HQ, Madras Sub Area, have been informed that the building in the Fort occupied by the battalion will be vacated as soon as a building is secured by the Collector. In the circumstances it is not

necessary to include this item in the agenda. - *This is primarily a matter for the Provincial Govt to provide for + the Central Govt will help only if accommodation can be spared. of an armourer. In view of the recent decision of the Govt. of India to bear the cost of the equipment except clothing supplied to the units of the N.C.C. and consequently for their maintenance, the Dir. NCC, has already been addressed in regard to the arrangements to be made in the matter. The Dir. has reported that necessary instructions will be issued shortly. Hence these items also need not be included in the agenda.

Provision of medical attendance for regular army personnel

where there is no military hospital. The Dir. NCC, has already requested that facilities for the medical attendance to the personnel of the Regular Army in places where there is no military hospital should be provided in Provincial Govt. hospitals. This question is already under consideration separately. *in consultation with the S.G.* This need not also be included in the agenda.

Holding of training camp (Cadre camp) The question of permitting the 1st and 2nd Madras Inf. Battalions to hold the cadre camp during the current year has already been taken up for consideration.

The matter *has been placed* before the Standing Finance Committee of the Cabinet. On receipt of the decision of the committee, the matter will have to be placed before the Cabinet *before issue of final orders.* *It will be possible to communicate* This item need not also be included in the agenda.

Construction of armoury for the company at Kumbakonam:-

~~As there is no accommodation in the Police armoury at Kumbakonam, it has been found necessary to construct an armoury for keeping the arms and ammunition of the Coy of the 2nd Madras Battalion in the Govt. College at the place. It has been decided to construct the armoury in the premises of the Sub-jail at the~~

Kumbakonam at the place and the C.E. has been asked to submit plans and estimates for the purpose. *There is* Necessary provision *made in the* the B.E. for 1949-50 for the construction of armouries for the N.C.C. units. Orders will be issued in the matter on receipt of the plans and estimates from the C.E. This also need not be included in the agenda.

Fixation of pay of the staff taken over from EX-UOTC, permanent retention and counting of service in UOTC for pension:-

The question of including the various *grades* of staff taken over from the Ex-UOTC in the respective subordinate services of the Provincial Govt. and also the ~~fixation~~ fixation of pay has already been taken up for consideration on a reference from the Dir, N.C.C. It is too early to consider the question of ordering the permanent retention of these staff, as they were taken over under the service of this Govt. only from 15-7-48. *The policy of this Govt to sanction the retention of posts on a permanent basis post being made permanent it should normally be in existence only after it had been in existence for a period just less than five years.* The question of counting the service rendered in the Ex.UOTC is also under consideration and the Dir.NCC, has been addressed whether leave salary and pensionary contribution of these staff for the service in Ex-UOTC will be met by the Govt. of India. It will take some more time for orders to be issued in the matter and this cannot be considered a difficulty in the running of the NCC. These points need not therefore be included in the agenda.

Payment of amenity grant at the rate of Rs.2 p.a. per cadet of the 3rd Madras Engineer centre:- According to the letter No.0010/48/NCC dated 8-11-48, an amenity grant of Re.1/- per officer and cadet should be sanctioned to the units of the Senior Division of the NCC based on their strength ~~on 1st December 1948.~~ on 1st December 1948. The O.C., 3rd Madras Engineer centre has reported that this rate is not sufficient for his unit and that an initial sum of Rs.500/- or at the rate of Rs.2/- p.a. per cadet may be sanctioned. *presumably because this is a technical unit. The question of enhancement of the rate 1948 had been sanctioned the grant only at rate of Re.1/- may be settled by correspondence with the Director NCC* It does not seem necessary to allow a higher rate for the Engineer unit, and to make a distinction between this unit and the others. *audit does not appear to be a matter of importance to be discussed at a conference. Advisory Committee is ⁻⁴⁻constituted it will have a position to advise the Govt other units also will put forth their claims at that time in the matter. In the circumstances this point need not also be included in the agenda. *W-7-49*

The reply from the Registrar, Annamalai University is on page 15 c.f. In regard to the construction of an armoury, the C.E., P.W.D. has been asked to furnish the Registrar with necessary plans and estimates for the purpose. This point need not be included in the agenda. *W-7-49*

3. The remaining points suggested by the O.Cs. and the Registrar may be included in the agenda. For orders whether they may be communicated to the Director, National Cadet Corps - Vide the D.O. letter from the Director on page 16 c.f. *A*

A above. What are these points? Please specify them in the note. *W-7-49*

The other points are those in items (iv) to (vii) and (ix) to (xii) on page 7c and in item (b) on page 10c. viz:—

- (1) Position of the U.O.T.C. stores especially clothing.
- (2) If any grants may be requested from the University.

What are their financial liabilities?

- (3) What can be inspected by the local sub-area in their annual inspection? Will the annual inspection be on the similar lines as is done for regular Army Units?

- (4) Audit - Civil as well as Army audit officers.

- (5) Accommodation J.C.s, N.C.O.s and Headquarter Office.

Item (1) It is not clear on what point the officer of the 1st Madras Bn wants to clarify. The Govt of India have previously stated that all U.O.T.C. equipment will become the property of the Local Govt.

According to the subsequent orders, ordnance equipment supplied to the N.C.C. Units in 1948 and that may hereafter be supplied to the units to be newly raised except clothing, will remain the property

of the Central Govt. In pursuance of this decision the Govt of India might say that stores supplied to the U.O.T.C. which were transferred to the N.C.C. raised in the place of the old U.O.T.C. except clothing will also be the property of the Central Govt. In respect of ~~other~~ clothing

clothing it is not likely that the Govt of India will prefer any claim especially as they are not new ones. In any case the point does not seem to be of such an importance as to be discussed in the conference. *The Director NCC may be addressed if this is not covered by the instructions proposed to Item (2).* When the U.O.T.C. was functioning, the Madras University was making grants from the University funds. Under the N.C.C. Act and the rules framed thereunder the University is not liable to pay any grant to the N.C.C. Units of the senior division raised in colleges. If any grant is made, it should be voluntary. It will be open to the University to specify the purpose for which the grant may be utilised by the officer Commanding the Units. This may perhaps be included in the agenda.

Item (3) This is a matter which can be settled by ~~XXXXXXXXXX~~ addressing the Director N.C.C. & need not be brought before the conference. *Item (4)* The audit of the expenditure incurred from ~~XXXXXXXXXX~~ Provincial funds will have to be done by the A.G. In regard to items of expenditure incurred from the funds of the

~~XXXXXXXXXX~~ Central Govt. the audit will have to be carried out or by the AG who is also in charge of the Central Govt. civil accounts by the Military Audit staff. This is also a matter which can be decided by addressing the Director N.C.C.

Item (5) Attention is solicited to the correspondence in the linked file. The Director N.C.C. has already issued certain instructions in the matter. Presumably the Officer Commanding wants to press that quarters should be provided for by the Military authorities in areas where no military quarters are ~~human~~ available. It is for consideration whether this should be included. For orders.

Stand (2) & (4) above may perhaps be discussed at the proposed conference.

that the amenity grant of Rs 2/- per annum per Cadet ^{not} should be sanctioned to the Technical units. He has, however, suggested that a block grant of Rs 150/- may be sanctioned to these units (which are small) to enable them to organise the unit information rooms, as this procedure has been followed in certain other provinces. It is submitted for orders whether a grant of Rs. 150/- may be sanctioned to the 3rd Madras Engineer Centre ^{and other technical units if they ask for it}. The expenditure may be met from the provision made under 'S. Other charges' in the annexe to G.O. no. 1361 E.D. dt 3.5.49. ~~The grant to the other technical units may sanctioned when the Officers Commanding the units move in the matter~~

- (i) Payment of grant by the Universities for the ~~running~~ running of the Senior Division units, and
 - (ii) Audit of the expenditure incurred by the Provincial and Central Governments.

separately to the other points referred to him by this Government. In the circumstances, there seems to be no outstanding questions which can be discussed with the Director or the Secretary to Government, Govt. of India, Ministry of Defence at present, except the raising of the units of the Girls' Division in this Province. The Director has already reported that the raising of the units of this division in 1950 is under consideration and that a reply will be sent as soon as a decision is arrived at in the matter. Hence there are no outstanding
