Sub: Government Press - Establishment Revised Fixation pay - Temporary staff - Continuance and additional sanction requested.
 Ref: G.O.Ms.No.2468 Edn., dated 2-8-1949. and G.O.No.Ms.1746 Edn., dated 27-5-49.

I have to state that the sanction accorded in G.O.No.Ms.1746 Edn., dated 27-5-1949 to the following temporary staff for work connected with the grant of revised scales of pay expires on 3-10-1949.

- 1 Accountant on Rs.140-190.
- 2 Upper Division Clerks on Rs.80-125.
- 2 Lower Division Clerks on Rs.45-90.

Out of 1,377 claims on account of increment arrears, 850 claims (whole of non-composing employees) will be claimed and sent to the Accountant-General for audit before 1-9-1949 and a balance of 525 claims, that of hand Compositors and Machine Operators will remain unclaimed on 1-9-1949.

Government were pleased to sanction in G.O.No.Ms. 2468 Edn., dated 2-8-1949 the fixation of pay of Compositors, Imposers, lino and Mono operators in the revised scales of pay 1947 with weightage of service. This results in the preparation of a fresh revised fixation statement in respect of about 500 employees. The service of these employees prior to 1939 have now to be verified and half the service should be taken and added on to the service after 1939. Then advance increments have to be determined and revised pay fixed from 1-1-1947. This fresh revised fixation statement has to be sent to the Accountant-General for his approval. Again fresh revised increment certificates have to be prepared for the years 1948 and 1949. Arrears of pay and difference of Dearness Allowance have to be claimed for all these 500 employees for the full year 1947 and arrears of increment and difference of Dearness allowance have to be claimed for the years 1948 and 1949.

About 50 employees have since retired from service from 1-1-1947 and pension sanctioned. These cases have to be called for from Government and revised pension applications prepared and sent again to Government through the Accountant-General for revised sanction.

Audit objections in respect of 80 cases are pending with the Accountant-General and when it is finally settled, there will be a number of supplemental claims as well as recoveries.

All these involve laborious work and cannot be managed with the existing staff. I therefore request that Government may be pleased to sanction the following consolidated staff in modification of the staff sanctioned in G.O.No.Ms.1746 Edn., dated 27-5-1949 for a period of 6 months in the first instance with immediate effect subject to continuance if necessary, in case the work is not finished within that period.

- 1 Accountant on Rs.140-5-190.
- 3 Upper Division Clerks on Rs.80-125.
- 3 Lower Division Clerks on Rs.45-90.
- 1 Attender on Rs.24-35.

The necessity for an attender is keenly felt as his services are required to maintain the rolls from 1947

P.T.C

and onwards and for other auxiliary purposes in assisting this section, viz., for tracing out and bringing the acquittance rolls, attendance registers from the Timekeeper's office, etc.

Early sanction is requested as the employees now press for the early refixation of pay as per orders contained in G.O.No.Ms.2468 Edn., dated 2-8-1949.

Govt. Press - Establishment - Revised Scales of pay - Fixation - Temporary staff- Continuance.

Ref: From the S.G.P.No..7 SBC dated 12-8-49.

The Superintendent, Govt. Press, requests that the temporary staff sanctioned in G.O.1746 Edn., dated 27-5-49, for work connected with the grant of the revised scales of pay may be extended for a period of 6 months with ~~addition~~ addition to the existing staff. The following statement shows the scale of staff sanctioned in G.O.1746 Edn. dated 27-5-49 and the scale of staff together with the proposed addition:-

Staff sanctioned in G.O. 1746 Edn. dated 27-5-49.	As proposed now by the S.G.P.
1 Accountant on Rs.140-190	1 Accountant on Rs.140-190
2 U.D. clerks on 80-125	3 U.D. Clerks on 80-125
2 L.D. clerks on Rs.45-90.	3 L.D. clerks on Rs.45-90
	1 Attender on Rs.24-35

In G.O. 1746 Edn. dated 27-5-49, the S.G.P. was informed that the work should be completed before the end of the period i.e. by 3-10-49 and that no continuance of the temporary staff would be given under any circumstances. The S.G.P. now seeks not only the retention of the staff for a further period of 6 months but also additional staff of 1 U.D. clerk, 1 L.D. clerk and 1 Attender.

In this connection the S.G.P. refers to the sanction accorded in G.O.2468 Edn. dated 2-8-49. Under this G.O. the Compositors imposed Lino and Mono Operators and the Carpenters were allowed to count for the purpose of advance increments under the revised scales of pay 1947, half the service rendered by them before the years 1939 and 1937 respectively. The S.G.P. states that this refixation of pay has to be made in respect of about 500 employees and involves laborious work as enumerated in para 2 of his letter on page 1 of. It is also stated that above 50 percent have retired from service since 1-1-47 and in these cases the pension has to be revised.

As for the fixation of pay for other staff the S.G.P. states that there is still work connected with the claims as set out at X on p lcf.

It seems difficult to ~~ascertain~~ ^{ascertain} the actual work to be done by the staff in connection with the fixation of pay and the fact remains that there is still much work to be done. In view of this we may perhaps continue the existing temporary staff ^{may be continued} without any addition, for a period of three months. The S.G.P. may be asked to report at the end of the period the actual work done by the temporary staff during the period in question.

The file may be sent to Finance U.O. for remarks.
