Enclosure.

From: P.K.Rangasayee, B.A.I.T.,
In charge of the Refugee School at Avadi
To: The Director of Public Instruction,
Madras.

Sir,
I beg to submit an interim report on the progress of reorganisa-
tion of the Refugee school at Avadi.

I took charge of the school on 26.7.1949 and began work with
only one teacher. Additional teachers were taken in, one by one
and the school has now 360 pupils on rolls with 8 teachers. Two more
teachers are under probation and will be taken in presently.

All the first five classes are working with full strength. 50%
are girls in all classes. Some pupils who came for admission to Form
III found low in attainments, had to be taken only in Standards IV and V.

Instruction is mainly through Sindhi, but only Hindi and
English are taught as languages. Provision for the teaching of Tamil
in Standard IV and V has been made to meet the requirements outlined
in a recent G.O. for purposes of rehabilitation. Only Sindhi and
Hindi are taught in the two bottom standards. Suitable books in English
and arithmetic have been supplied to the teachers who do progressive
work easily with guidance. With an unavoidable overloading on the
language side, no detailed attention to other subjects is possible
except as general knowledge. An Y.M.C.A. trained ex-army man is
teaching the children now interesting group games etc.

Pupils have been supplied with books in English, Hindi and Tamil.
Enough slates for class work have also been provided.

Pupils belonging to the Perambur school which has just been
transferred to Avadi, having come for their studies, arrangements have to be
made for their studies.

made for their admission also. Thus there will be more than 400 pupils in the schools presently.
