

Till recently, there were three Deputy Directors in the Director's office designated:

- (1) Dy. Director of Public Instruction (Personnel);
- (2) Dy. Director (Finance and Secondary Education);
- and (3) Dy. Director (Elementary Education).

Post No.(2) still continues and the post of Joint Director of Public Instruction has been created on a temporary basis, by converting one of the posts of the Deputy Directors.

The ^{post} with which the post of Deputy Director of Public Instruction (Finance & Secondary Education - post No.(2) above) was created, was to give relief to the Director in the matter of Finance and Grants-in-aid - vide para 2 of Littlehales' letter on page 1 of G.O.No.28, Education, dated 8th January 1920, and in the first para of the then Secretary's note (the late Diwan Bahadur R. Ramachandra Rao) at page 2 of the notes to that G.O. These functions are even now performed by that Deputy Director. As pointed out in para 2 of the Director's letter on p.5 c.f., it is open to the head of an office to delegate his financial powers to the Gazetted Officers employed in his office. No irregularity seems to have been committed as pointed out in Audit. There seems to be no need to issue any order as suggested by the Accountant-General.

The file may be sent to A.G. u.o. for remarks, if any.

Sir,
Sub: Grant-in-aid Code - Sanction of grants to aided colleges
and Secondary Schools by the Deputy Director of Public
Instruction - Delegation of powers.

38119
In enclosing herewith an extract from the report of the
Accountant-General, Madras on the test Audit of sanctions to
Grants-in-aid, I wish to state that all these years the Deputy
Director of Public Instruction has been exercising the powers
vested in the Director under rules 3 and 6 of the Grant-in-aid
Code. No objection used to be raised against the practice, but
this year, the Accountant-General has questioned it and the
Government orders on which the practice must have been, presumably,
based are not readily traceable. If the Government think that a
formal delegation to the Deputy Director of Public Instruction is
necessary, as required by the Accountant-General, orders empowering
the Director of Public Instruction to delegate these powers to
the Deputy Director of Public Instruction may be kindly issued.
The procedure obtaining till now may also be ratified so that the
audit objections may be properly met.

Yours faithfully,

Thiruvananthapuram

RVR 17/5/- for Director of Public Instruction.

Extract from the report of the Accountant-General, Madras.

Sanction to grants in aid.
Delegation of powers necessary:

Sanctions of grants in aid are accorded by the Deputy
Director (Finance) but orders of Government directing the
exercise of the powers of the Director under rules 3 and 6
in Chapter I of the Grant-in-aid Code are not traceable.
Specific Orders of Government ratifying sanctions accorded
and permitting the exercise of full powers in future may be
obtained now.

The queries raised in Govt. Memo. No. 38119-G2/49-1 Edn., dated
20-5-1949 are answered below:--

P3g 85 no

In the distribution of work among officers in the Director's
office, the powers vested in the Director of Public Instruction
under rule 6 of the Grant-in-aid Code to sanction grants to aided
colleges, Secondary schools and special schools have ^{always} been assigned
to the Gazetted subordinates. These officers are required to assess
and sanction grants within the permissible scales and limits laid down
in the Grant-in-aid code and any deviation is taken to the notice
of the Director and his orders are obtained. It is not therefore
strictly correct to assume that the Director is not exercising the
powers of sanction under rule 6 of the Grant-in-aid Code. The fact
that the Director is exercising his powers is also borne out by the
fact that the Accountant-General ~~did~~ not raise any objection till
now and this was also mentioned in my earlier letter.

P1 ante

Mr. K. S. S. S.

Attention is also invited in this connection to Article 93
of the Madras Financial Code, Volume I, under which in the case of
contingent expenditure, the head of the office is empowered to
delegate the power to incur or sanction expenditure to any Gazetted
Government servant serving under him. On the same analogy financial
powers to sanction Grants-in-aid are assigned to the several Gazetted
subordinates in the Director's office. This is absolutely necessary
as it will not be physically possible for the Director to scrutinize
about 600 financial statements (of secondary schools and colleges)
and to accord routine sanction of grants every time. The number of
institutions is also on the increase due to the coming up of new
institutions. Scrutiny and sanction of grants to these institutions
have always been the main items of work of the Gazetted subordinates
in the Head Office.

The present arrangement of work has for obvious reasons
to continue but as the Accountant-General has raised an objection,
the practice has to be validated by the Director formally delegating
his power to his Deputy after Government's approval.
I request therefore that the Government may formally empower the
Director hereafter to delegate this power of ~~sanctioning grants~~
~~to~~ sanctioning grants to officers subordinate to him, and Govern-
ment may also be pleased to satisfy the practice so far that the audit
objection could be met adequately.

Yours faithfully,

G.O. No. 28 Home (Edn) dt 8/1/1920 PP1-4 of (H)
sanctioning the post of an addi-
tional Dy. Director, and G.O. No.
772 Law (Edn) dt 17.4.29 sanctioning P17 of (9)
the post of a Dy. Director for elemen-
tary Education, in the D.P.I.'s office,
are sub~~st~~ below. The general
purpose of the creation of these post
was to give relief to the D.P.I. from K mp 5 of (H)
his heavy work. Though there
are no specific orders, that the
Dy. Directors referred to above will have
financial duties to perform, it
mentioned that one of the Dy. Directors
was intended to be designated as a
Dy. Director in charge of Secondary
Education and Finance and that the
other was considered indispensable for
the careful utilisation of large grants for
elementary education. Please see
in this connection the notes at A on
p. 15 of G.O. 772 Law (Edn) dt 17.4.29 and (9)
R at p. 6 of G.O. 28 Home (Edn) dt 8/1/1920. (H)
In the circumstances, the Director's
proposal at p. 1 of may be accepted and
the draft order overleaf approved,
and the file sent to Fin for acceptance of the order.

Attention is invited to the Acct. Genl's note on the
previous page in regard to the authority who should sanction
grants under the Grand-in-Aid Code. In view of what is stat
stated by him, his opinion may be accepted and orders may now
be issued ratifying the past procedure under which the Deput
Director (Finance) in the Director's office was sanctioning
the grants.

2. As regards the future, the question is whether the
Dy. Director should also be authorized to sanction these
grants. It is ~~not~~ not clear why the Director should ~~not~~ ^{not}
discharge this responsibility. It may be that there is need
for division and distribution of work among the officers ^{in the D.P.I. office} but
this fact need not be a reason for relieving the D.P.I. com-
pletely of this duty which involves the placing at the dis-
posal of private managements big sums of money intended for
public purposes. For the Director it is only a question of
seeing the files concerned, and if the work is considered to
be too heavy, the Dy. Director may be empowered to sanction
grants, say, upto Rs. 10,000/-, amounts exceeding this
figure being sanctioned by the Director. If any amendment of
the Code is necessary it may be on the above lines.

3. Finance may see the case for remarks.

Para 2 above. The D.P.I. is a touring
officer. The Dy. D.P.I. is attached to the
office. The latter ^{always} brings important
cases to the notice of the Director. If
any monetary limit as suggested in
para 2 above is fixed, it may happen that
in the months of February and March ~~is~~
~~when~~ when there is generally much of
expenditure, the issue of sanctions may
be delayed if the Director happens to go on
tour.
The AG has no objection to the power
being exercised by the Dy. D.P.I. The
amendment proposed by the AG may be accepted.

Under Rule 6 of the Grant-in-Aid Code, the D.P.I. is authorised to sanction all grants paid from Provincial funds, except in cases where reference to Govt. is required or where authorities subordinate to him have been permitted to sanction grants. On account of the heavy work to be performed by the D.P.I. as the head of the Deptt., his powers in the

matter of sanctioning grants to aided colleges and school have ^{for} been exercised by the Dy.D.P.I. (Finance) ^{ever since 1920 when the post of Dy. D.P.I. was created}. Now the A.G. has

raised an objection to the above procedure. The D.P.I. has therefore addressed the Govt. for ratifying the procedure till now in vogue, viz. sanctioning of grants by the ~~Dy.D.P.I.~~ Dy.D.P.I. (Fin) and also to empower him in future to delegate these powers

to the Dy.D.P.I. (Fin). The A.G. who was consulted in the matter states that if the Dy.D.P.I. is to be empowered to sanction grants to the aided colleges and schools, ^{an} the following amendment to ~~the~~ rule 6 of the Grant-in-Aid Code ^{as at M on p 4 ante} is necessary. This Deptt. accordingly

suggested that the past procedure referred to at A above may be ratified and the amendment proposed by the A.G. to the Grant-in-Aid Code ^{at M on p 4 ante} may be accepted. Finance ~~has~~ agree to this suggestion. In the circumstances, the procedure under which the Dy.D.P.I. (Fin) was sanctioning grants in the past may be ratified and the amendment ~~as~~ proposed by the A.G. may be issued. Subject to orders, the draft
