Copy of letter Roc. A.4-11978/49 dated 18.7.49 from the Special Officer and Collector, Ramnad Dt. Board at Mathurai to the Director of Public Instruction, Madras.

Sub: Establishment - Dt. Board - Ramnad S.S. Board High School, Rajapalayam Sri M.S. Deivanayagam Pillai - Junior Assistant - Re.employment - Extension - applied for.

abstract (M)

In G.O. No. Ms. 172 Edn. dated 26.1.48, Government have accorded sanction to the re-employment of Sri M.S. Deivanayagam Pillai, as Junior Assistant in S.S. Board High School, Rajapalayam from 30-12-47 till the end of the school year 1948-49.

Now the assistant has applied for a further extension for one more year. The headmaster reports that the Assistant is an experienced intermediate trained teacher with all-round General knowledge above the average, and has passed the Madura Tamil Sangam Matriculation Examination in Tamil in 1909 in the first class. The petition of the teacher together with a copy of report of the Headmaster is enclosed.

In your Proceedings Dis. 5871/48 dated 23.12.48 it has been ordered that in view of the first place given to the regional language in the re-organised scheme of Secondary Education only pandits or qualified Secondary Grades should do the language work on the lower forms. In the Tabular Inspection Report for 1948-49, the Dt. Educational Officer, Ramnad has recommended the employment of additional pandits. Accordingly the District Board has sanctioned the post of Additional Tamil Pandit for the above school. In spite of repeated advertisements made in dailies there is no response from qualified Pandits to fill up the above vacancy.

The Headmaster reports that Sri M.S. Deivanayagam Pillai is an experienced Secondary Grade Teacher with proficiency in Tamil and that he may be re-employed for one more year as a Secondary Grade Teacher for Tamil in the Place of the Additional Tamil Pandit sanctioned to the above school. In letter L.Dis. 421 B/49 dated 11.7.49 (copy enclosed) the District Educational Officer, Ramnad has also recommended the re-employment of the teacher.

In the circumstances stated above, I request you to kindly recommend to Government to accord sanction for the re-employment of the teacher in service for one more year. The service Register of the individual is enclosed.

Copy of petition dated 4th June 1949 from Sri M.S. Deivanayagam Pillai, Junior Assistant S.S. Board High School, Rajapalayam to the Special Officer, Ramnad Dt. Board at Mathurai

With reference to your office F.Dis. 8596/49 dated 20-5-49, I beg to state the following:

My financial condition is such that I am obliged to work for a few more years. By God's grace I am physically healthy. The condition of my last daughter's health is such that I am unable to serve in an aided mofussil institution, though I am permitted to to service in such institutions upto the age of sixty, subject to the approval of the Divisional Inspector of Schools. I have to be pinned up to Rajapalayam in consideration of my daughter's ill health.

Under such unavoidable circumstances, I approach and pray your Honour to take pity on the distressed state of my family and be pleased to reconsider my case and move the Government to give me extension for one more year. I assure your Honour that I will perform my duty in such a manner as to make me worthy of your favour.

Roc. 495/49

S.S. Board High School
Rajapalayam, dated 18th April 1949.

Submitted to the Special Officer, Ramnad, Dt. Board at Madura for favour of addressing the Government to grant the applicant's request.

2. The Assistant completed his 55th year, the age of retirement on 30-12-47; but sanction was accorded in G.O. Ms. 172 Edn. dated 26th January 1948 to re-employ him till the end of the school year 1948--49. The present application is for re-employment for another year, that is still the end of the school year 1949--50.

I recommend the petitioner's request for two reasons.

(1) In the Director of Public Instruction's proceedings Dis. 5871/48 dated 22.12.48, it has been ordered that in view of the first place given to the regional language in the *reorganised* scheme of Secondary Education, only pandits or qualified secondary grades should do the language work in the lower forms. So the unsatisfactory present practice of entrusting the teaching of Tamil in Forms I to III to any and every secondary grade teacher will have to be given up from 1948--50 in favour of transferring the to pandits or Secondary grades with proficiency in Tamil. At present there are only two Tamil *work* to teach the 8 sections there. In the Tabular Inspection Report for 1948--49, it is presumably for this reason, three more tamil pandits have been recommended for employment. Whether all the three pandits will be available in time is doubtful. Even if they are, an experienced Secondary Grade with proficiency in Tamil is preferable as it is not only erudition in Tamil is required in the teacher of the language but skill in teaching technique and general knowledge as well as may be seen from the preamble to the departmental syllabus in the regional language.

The applicant combines in himself the requisite qualification in a remarkable manner. He is an experienced intermediate trained teacher with all round general knowledge above the average. From his student days he had taken interest in Tamil as may be seen from the fact that he passed the Madura Tamil Sangam Matriculation Examination in Tamil 1909 in the first class. He has maintained this interest in the language so that I have been giving him Tamil Translation and composition work in the VI form for the last several years and he has also recently been an assistant examiner in the subject for the S.S.L.C. examination.

I therefore consider that this is just the type of teacher we can ill afford to lose just now, when we need him for teaching the regional language in the lower forms under the reorganised scheme. He may therefore be re-employed for one more year, as a Secondary Grade teacher for Tamil in the place of one of the Additional Pandits to be employed.

(ii) My second reason for supporting this application is the present ~~extent~~ extremely straitened financial circumstances of the teacher. Apart from the strain which war and post war high prices ~~placed~~ placed on his resources as indeed on other's he has had to spend a very considerable part of his Provident fund savings on the Medical treatment for an acutely hysterical daughter, so much so that he is left with nothing but a bleak prospect of distress unless society or Government lends a helping hand. The least that the department owes to such a hard case- which may be one in a hundred of an experienced teacher grown grey in service and groaning under financial strain is to allow him the relief of being in service for one more year, as he is still physically fit. Rather than inexorably subject such a case - of distress too to the rules of retirement or re-employment, such instances may well make one ponder whether it is not necessary to revise the rules and raise the very age of retirement, itself.

In their order Ms. No. 2925, Edn., dated 20-9-49, the Government have accorded sanction to the re-employment of Sri M.S. Deivanayagam Pillai as Secondary Grade Assistant in the Board High School, Rajapalayam during the school year 1949-50. But in my letter Roc. A.4- 11978/49 dated 18-7-49, I have applied for the re-employment of the above teacher as a Secondary Grade Assistant for Tamil in the place of additional Tamil Pandit sanctioned to the school considering his proficiency in Tamil and due to the non-availability of qualified Tamil Pandits in spite of repeated advertisements.

In the circumstances explained in my above letter, I request that Government may be pleased to accord sanction to the re-employment of the above teacher as Secondary Grade Assistant for Tamil in the place of additional Tamil Pandit.
