Accountant General letter No.T.9.Sc.II.943 d/28-3-1949.

The Accountant General has brought to notice cases in the Education Department where departmental tests had been passed within the period of probation of 2 years and the first increment fell due prior to the date of passing such tests. He has enquired whether in such cases, a probationer in a subordinate service whose case falls under F.R.31-A(2)(ii) can be allowed the first increment from the date it normally fell due irrespective of the date of passing the tests, though according to service rules, as they now stand, the first increment is admissible only from the date of passing the tests. The Government direct that in such cases the first increment shall be drawn after the probationer concerned

Copy of Public (Services-A) U.O. No. 3649/49-2, dated 15th October 1949, to the Departments of the Secretariat.

PUBLIC SERVICES - Subordinate Services - Probationers - Drawal of first increment - Amendment to Special Rules.

Ref: From the Accountant General, No. TM.12-4/49-50/1226, dated 9th September 1949.

Please see the letter from the Accountant-General in the current file.

The Accountant General points out that the Special Rules for Subordinate Services prohibit drawal of first increment by probationers before they pass the departmental tests or complete their probation satisfactorily and suggests that those rules may be amended so as to bring them in accord with Fundamental Rule 31-A(2) (ii). Amendments to the Special Rules for only the following Subordinate Services are issued in this department viz.:-

- (1) Madras Ministerial Service,
- (2) Madras General Subordinate Service (Class XXVI),
- (3) Madras Inferior Service, and
- (4) Madras Secretariat Service.

A copy of the Accountant-General's letter will be taken for considering what action in respect of these rules is called for in this department. Amendments to the Special Rules for all other Subordinate Services are issued in the administrative departments of the Secretariat concerned. Those departments are, therefore, to consider the amendments suggested by the Accountant-General in respect of the Services with which they are concerned in consultation with Finance. A copy of the letter together with a copy of this note may be communicated to all departments of the Secretariat for necessary action.

ENCL.

Copy of letter from the Accountant General, Madras to the Secretary to the Government of Madras, Finance Department No. TM.12-4/49-50/1226, dated 9th September 1949.

FUNDAMENTAL RULES - Rule 31-A - Drawal of increment by probationer in subordinate services - Classification.

A reference is invited to FR-31-A(2)(i) wherein it is laid down that a probationer in a subordinate service whose case is not covered by clause (i) is entitled to draw the first increment after putting in the service necessary to earn it, exclusive of the period during which he was undergoing a course of instruction of training, if any, applicable to the class or category of the posts he holds and that his next increment is, however, admissible only with effect from the date on which he is declared to have completed his probation satisfactorily. But the drawal of the first increment in such cases is prohibited by express provision in certain subordinate service rules such as Co-operative Subordinate Service Rules, Educational Subordinate Service Rules, Revenue Subordinate Service Rules etc. wherein it is stated that the probationer concerned has to pass the prescribed departmental tests or has to complete his probation satisfactorily before he can draw any increment. The intention of Government has however, been made clear in G.O. Ms. No. 679, Finance (C.S.R.) Department, dated 30th June 1949 which states in effect, that the provisions of FR-31-A(2)(ii) should be followed in such cases.

Necessary amendments to the concerned Service Rules, may therefore be issued so as to bring them into line with the recent orders.
