p2 infra

I have the honour to enclose herewith a copy of letter A.S. 135 dated 28-5-49 from the Special Officer, Education Department, Pudukottai on the question of continuance of certain temporary teachers. In order that the schools might not suffer, I have in anticipation of orders, sanctioned the continuance of the teachers till the end of the current school year and I request that my action may kindly be approved and sanction accorded for the continuance of the teachers in question during the current school year.

2. The Special Officer is being requested to submit a report in April 1950 on the need for the further continuance of the teachers beyond the period of the sanction now given and recommendationsxxx will be submitted in due course.

Yours faithfully,

Copy of letter from the Special Officer for Education,
Pudukottai R.C.A.3 135/1949 dated 28-5-1949, to the
Divisional Inspector of Schools, Coimbatore.

Sir,

Sub:- Pudukottai Territory - Education - Temporary
Teachers Continuance or otherwise - deciding
of.

There are about 120 temporary teachers of all categories
Graduates trained and untrained, Secondary grade - trained
and untrained, Elementary Higher Grade trained and untrained
and Elementary Lower Grade untrained with local influence
working in this department at present. Of these some are
officiating in permanent vacancies and other continue as
'Temporary Teachers' in places created either by the Darbar
or by the special officer for Education, before or after the
merger. No time limit has been specified in regard to the
posts or persons so created or appointed.

In August last, the system of presenting pay bills at
the Treasury directly by the heads of institutions was in-
troduced for the first time in this State after merger.
I understand that the Treasury Officer objected to the passing
of bills for the temporary hands, on the score that a time
limit must be specified. I am informed that the Special
officer for Education, Pudukottai informed the Treasury,
in a note that all the temporary posts would exist till the
end of 30-6-49 (i.e.) the last date of the fasli year in
vogue here in this State. No record is available in the
office to substantiate this. In the bill presented, the
period of sanction is being written as up to 30-6-49.

3. The District Educational Officer, Tiruchi who had
control over the Pudukottai Education Department to the end
of April '49, had issued an order to all Headmasters of the
Pudukottai territory about the termination of appoint-
ment of these temporary hands and a copy of the memo Rc.135
P3/49 dated 16-4-49 thus issued by him is submitted for perusal.
This has been approved by the Director of Public Instruction
in proceedings L. is.1109 C4/49 dated 8-5-49 (copy enclosed).

4. In response to that memo, all heads of schools have
discharged the temporary hands under their charge on the
last working day of the schools, which enjoy summer vacation.
Those teachers will be paid vacation salary as directed in
Director's L.Dis.1109/C4/49 dated 8-5-49. But most of the
~~temporary~~ temporary teachers of lower qualification are working
in the Elementary Schools in the moffusil, where the schools
do not enjoy summer vacation but avail of agriculture or har-
vest holidays. So the period of such temporary teachers will
naturally terminate on 30-6-49. Unless the period of service
of temporary teachers of all categories be extended, after
summer vacation, in the case of teachers working in Secondary
Schools - or after 1-7-49 in the case of Elementary School
teachers who do not enjoy summer) there will be a dearth of
hands and consequently the secondary schools will suffer and
several of Elementary Schools in the moffusil will have to
be closed. In this connection I submit herewith a copy of
letter of the Deputy Inspector Tirumayyam Range for perusal.
The Deputy Inspector discharged 32 teachers on 17-4-49 on
receipt of orders of the District Educational Officer Tiruchi.
But subsequently he re-entertained them all on 27-4-49 on the
score that the places in which they work existed before the
merger, and that several schools will have to be closed for
want of teachers (in Tirumayyam itself there are 40 single
teacher schools which will be closed). His action may be
approved.

5. In the above circumstances, it is requested that per-
mission may kindly be accorded for the continuance of all
temporary posts, which exist on 30-6-49 for one more year
i.e. from 1-7-49 in the case of Elementary school teachers
and from the date of re-opening of the schools after summer
in June '49 in the case of Secondary School Teachers. In
the meanwhile, the need for permanent retention of those
posts will be examined with reference to the strength of the
P.T.O.

schools - both Secondary and Elementary and unqualified temporary teachers replaced by qualified hands, as and when they become available.

Ref: G.O.No.2927 Edn., dated 20-9-49.

The sanction accorded in the above G.O. for the continuance of the temporary teachers' posts in the Pudukottah State Elementary Schools expired by 31-5-50. The schools were taken over by the District Board from 14-6-50. The subsidy for the schools was sanctioned in G.O.No.3157-Edn. dated 28-11-50. The temporary teachers' posts were considered necessary and continued in the schools. Since the schools were actually taken over by the District Board only on 14-6-50, the continuance of the temporary teachers' posts may be sanctioned from 1-6-50 to 14-6-50, during which period,
