Sir,

QUALIFICATION FOR APPT. AS POSTMEN.

I am directed to state that in this Province since 1942 a public examination is held at the end of the eighth standard course in higher elementary schools. The examn. is at present held in the following subjects:--

- (1) First Language (principal languages of the Presidency).
- (2) Elementary Mathematics.
- (3) History and Geography including Civics.
- (4) English (Optional).

With effect from the examination of 1949, the subject "Elementary Science" will also be included as an addl. compulsory subject for the public examn. The institution of this public examn. has, improved considerably the standard of work in the higher elementary schools.

in the higher elementary schools in this Province. It has been suggested that the usefulness of the examn. will increase if the possession of the VIII standard Public Examn. Certificate with or without English is prescribed as the minimum general educational qualification for appt. as postmen. I am to request that the above suggestion may be considered by you and necessary action taken.

In the letter on pages 1-2 of
the Govt. suggested to the Director General
Posts and Telegraphs that the possession
of a Certificate of pass in the Govt.
VIII standard Examination might be
prescribed as qualification for appoint-
ment of postmen. The Director Genl.
has replied that only the mini-

This means that our suggestion
has not been accepted. The
matter need not be pursued. The
