Office of the Director of
Public Instruction, Madras
dated 20th August 1949.

From

The Director of Public Instruction,
Madras.

To

The Secretary to Govt.,
Education & Public Health Department,
Fort St. George,
Madras.

Sir,

Subject: College of Engineering, Guindy - Tele-
communication Department - Conversion
of the post of Lab. Assistant into that
of an Instructor.

Reference: G.O. No. 2019 Education dated 24.6.49

With reference to para 2 of the Government order
referred to above, I have the honour to invite attention
to my letter Rc. 3544 Cl/47 dated 7.5.48 disposed of in
G.O. No. 1646 Education dated 27.6.48. In his letter
dated 10.3.48, a copy of which was submitted in my letter,
the Professor of Telecommunication Engineering has
explained in detail the staff required for the department
during 1948--49 and 1949--50. Government had accepted the
recommendations and sanctioned the employment of two
instructors (one Junior Instructor) during 1948--49.
Vide G.O. No. 1646 Education dated 27.6.49. In para 2x
15 of that letter the Professor has stated that Tele-
communication is a highly specialised and complex subject
which is growing rapidly all the time and could be
handled only by those who have devoted themselves exclusively
for its study. It is therefore essential that there should
be a full compliment of 3 Instructors on the staff as
pointed by him during 1949--50.

2. In the circumstances, I request that Government
may be pleased to sanction the conversion of the post of
Lab. Assistant into that of an Instructor in the scale
of Rs 260--700.

Yours faithfully,
