R.O.C.No. 3816-G3/47 dated 3rd November 1948.

SIR,

MADRAS GENERAL SUBORDINATE SERVICE - SHIFT
OPERATORS - CHANGING THE QUALIFICATIONS.

(a) The Principal, College of Engineering, Guindy, has submitted certain proposals for revising the qualifications prescribed for the Shift Operators, Fitters, Stokers and cleaners in the Engineering College, Guindy, which are borne on the Madras General Subordinate Service. The reasons adduced by the Principal for revising the qualifications are as follows:--

SHIFT OPERATORS:

(b) There are four posts of shift operators in the College of Engineering, Guindy, of which one is permanently filled up and the other three posts are held by persons appointed under emergency provisions. It is reported that even the permanent incumbent is on other duty with the result that that post also is held by a person appointed under emergency powers. When the posts were advertised, five persons (including the four who are now officiating under emergency provisions and only one possessing the L.E.E. Diploma) applied for the vacancy. It is further reported that no Engineering graduate or Diploma-holder of the College of Engineering, Guindy, will care to accept this job on a low scale of pay viz. Rs. 90-3-120 when he could get Rs. 140/- in the P.W.D., and that persons who have completed the Mechanical and Electrical Engineering course of the Victoria Jubilee Technical Institute, Bombay and possess the prescribed practical experience are not available. The Principal reports that no combined Diploma Course in Mechanical and Electrical Engineering is conducted in the Government School of Technology and other institutions and that, therefore, it is impossible to get persons with the requisite qualifications prescribed in the rules. As regards minimum general education, the Principal suggests that a pass in Form IV in any of the recognised schools is sufficient in the case of persons possessing practical experience for a period of not less than four years in the handling of prime movers and preferably oil engines, electrical machinery and switch boards. The reasons put forth by the Principal for prescribing this qualification (Viz. a pass in Form IV) are that persons possessing the S.S.L.C. have other openings in the Polytechnic or other Technical schools or the Overseer class in the college, where they can get a diploma and seek other employment and that candidates who have passed the II or III Form and who have no aptitude, or cannot afford higher studies, go as apprentices or otherwise into workshops or factories and get practical experience.

2. The Principal also suggests that the educational qualifications viz. ability to read and write English prescribed for the posts of "Fitters" and "Stokers and Cleaners" are not essential for discharging the duties of these posts.

3. [I, therefore, request that the Government may be pleased to accept the above suggestions and issue the amendments to the Service Rules, as detailed below:-]

In the Annexure referred to in Rule 4 of Class I- College of Engineering, Guindy, under Part II of the Madras General Subordinate Service Rules, the following entries shall be substituted for the existing qualifications:

- | | |
|--------------------|---|
| Col. 1. | Col. 2 |
| Category 2- | |
| SHIFT OPERATORS .. | (a) Must not have completed 30 years of age if recruited direct; and |
| | (b) (i) Must have successfully completed the Mechanical or Electrical Engineering course in a College of Engineering of this Province; OR |
| | (ii) (i) Must possess the diploma in Mechanical or Electrical Engineering of any of the Technical Institutions recognised by Government and |
| | (2) Must possess practical experience in Mechanical or Electrical works for a period of not less than three years. Preference shall be given to persons with experience in generating stations; or |
| | (iii) (1) Must have passed atleast Form IV in a recognised Secondary School and |
| | (2) Must possess practical experience for a <u>five</u> ~~four~~ years in the handling of prime movers and preferably oil engines, electrical machinery and switch boards. Preference shall be given to persons who in addition possess a certificate in any of the recognised Technical institutions as Mechanic or Wireman or Electrician. |

II.

CATEGORY 4--

- FITTER .. (1) Must not have completed 30 years of age if recruited direct; and
- (ii) Must possess practical experience for a period of not less than four years as a machine fitter ~~and~~ in a big workshop.

Preference shall be given to persons who can read and write English and who have the said experience in Engine fitting and overhauling and maintenance of power plants.

III.

CATEGORY 12--

- STOKERS AND CLEANERS .. Must not have completed 30 years of age if recruited direct.
- Preference shall be given to candidates who can read and write English ~~and who have~~ worked as Engine attendants in Power Houses or Pump Houses.

(6)

Copy of letter R.C.No.6(6) A/49 dated 29-1-1949 of the Principal,
Arthur Hope College of Technology, Coimbatore, Peelamedu P.O.
to the Director of Public Instruction, Madras.

Sub:- Madras Educational Subordinate Service - Changing the
qualifications of Shift Operators, Fitters, Stokers &
Cleaners.

I agree to the proposed change.

Copy of proceedings-L.Dis.No.96-A-49 dated 1st Feb. 1949 of the Principal, College of Engineering, Kakinada, to the Director of Public Instruction, Madras.

Ref:- Your Proceedings Roc.No.3816-CB/47 dated 19-1-49.

With reference to your above Proceedings, I submit the following suggestions:-

Category 2. Shift Operators.

I agree with the proposed amendment.

Category 4. Fitters

In sub-clause (ii) instead of the word "in a big workshop" the term "in a Workshop recognised by the appointing authority" may be better.

Category 12. Stokers and Cleaners.

Ability to read and write their mother tongue would be enough and knowledge of English is not essential.

Copy of letter L.Dis.No.139-GL/49 dated 9th Mar. 1949 of the Principal, College of Engineering, Kakinada, Anantapur, to the Director of Public Instruction, Madras.

Ref:- Your Proceedings Roc.No.3816-C.3/47 dated 19-1-1949.

In view of the dearth of the qualified candidates, I agree with the proposals for the change of qualification with the following modifications:-

Shift Operators:- Clause (b) (iii) (2): Must possess practical experience for not less than 5 years in the handling of prime movers etc.

The reason for the above is that the general educational qualification is in a lower standard when compared to the others specified in clauses (1) & (2).

Fitters: Practical experience of five years instead of four years.

(True Copy)

For Director of Public Instruction.

SJ/24/3.

Copy of proceedings No. 3816-CZ/47 dated 19-3-49 of the
Principal, College of Engineering, Kakinada, to the Director
of Public Instruction, Madras.
Ref: Your proceedings No. 3816-CZ/47 dated 19-3-49.

With reference to your above proceedings, I submit the
following suggestions:-

I agree with the proposed
amendment.

In sub-clause (ii) instead of
the word "in a workshop"
the word "in a workshop" may be better.

Category 12. Bookers and cleaners.
Ability to read and write their
mother tongue would be enough
and knowledge of English is not
essential.

Copy of letter No. 139-05/49 dated 29th Mar. 1949 of the
Principal, College of Engineering, Kakinada, to the
Director of Public Instruction, Madras.

Ref: Your proceedings No. 3816-CZ/47 dated 19-3-49.

In view of the dearth of the qualified candidates I
agree with the proposal for the change of qualification with the
following modifications:-

Shift operators:- Class (b) (iii) (2): Must possess
practical experience for not less than 2 years in the handling
of prime movers etc.

The reason for the above is that the general educational
qualification is at a lower standard when compared to the others
specified in classes (1) & (2).

Shift operators: Practical experience of five years in each of
four years.
