P1 NF

In continuation of my D.O. letter No.F.73-153/49-A.I. dated the 13th August, 1949. I am enclosing herewith, three copies of an enquiry form and two copies of a pamphlet giving advance information about the Seminar on Rural Adult Education. All the copies of the enquiry form and one copy of the pamphlet may kindly be passed on to the person selected by you to attend the Seminar, as an observer on your behalf.

Would you kindly send the name and address of the observer to this Ministry as early as possible.

As will be seen from the pamphlet we propose to organize on the occasion of the Seminar a library and an exhibition on rural adult education. Various countries of the world have been requested to set up separate sections which will indicate their respective difficulties and achievements in the field of Adult Education. In the section reserved for India, we propose to have sub-sections for different Provinces and States of this country.

As the host country, India should put up as good an exhibition as possible and this can be done only if the Provinces and States cooperate fully in the affair. We will be grateful if, in addition to the material indicated on pages 12 to 14 of the pamphlet, you send such other exhibits as will make your section interesting and instructive. I earnestly hope that you will take personal interest and do all you can to help in the matter.

Yours sincerely,

(FRO.. OUR CORRESPONDENT.)

NEW DELHI, Sept. 15.

The Ministry of Education, Government of India, has made considerable headway in the planning of the seminar on rural adult education which is being held in India during November-December 1949, under the auspices of the UNESCO to discuss the problems of rural adult education with special reference to Asian countries.

It is submitted that the daily allowance has been fixed mainly with reference to the pay & status of officers. Sri Vilvaroy was ~~deputed~~ permitted by this Govt. to attend the Seminar at Mysore. As explained by the ~~officer~~ DPI, he was not able to secure boarding and lodging at the usual rate ⊗ of d.a. admissible to him. He had incurred an expenditure of Rs 40/- against Rs 9-12-0 admissible to him under M.T.A rules. It is very hard to deny an officer an allowance at least equal to the expenditure incurred by him; when he attended the Conference for Govt. purposes. The statement of Finance that the officer ~~shows~~ chose to spend extravagantly is incorrect. On the other hand, it was economical on his part to have ~~secured~~ arranged boarding and lodging at Rs 10/- per day against the type of accommodation available at Rs 15/- a day. It appears that the Govt. are ~~on~~ under a moral obligation to sanction an allowance to an officer to cover the expenditure actually incurred by him. No. R.O.C. 3255 L.3/49 dated 11-3-1950.

Sir,

Subject:-

Travelling Allowance Bill- Sri. T.R. Deenadayal- District Educational Officer- Attendance at the Asian Seminar on Rural Adult Education- Travel by air and actual expenses- Claim- Approval- requesting.

(D) p-19-CF

Ref:- G.O. No. 2965 Edn. dated 23-9-1949.

I have the honour to state that in the G.O. quoted above Government were pleased to sanction the deputation of Sri. T.R. Deenadayal, M.A.L.T., District Educational Officer, Vizagapatam South for attending the Asian Seminar on Rural Adult Education held at Mysore. Government have further ordered in their memorandum No. 91307-B2/49 Edn. dated 1-12-1949 that the officer may be allowed to draw Travelling Allowance and Daily Allowance as per the Madras Travelling Allowance Rules. But Sri. Deenadayal has stated that due to the dislocation of railway traffic between Vishakapatnam and Madras during the last few days of October 1949 and in order to be in time for the conference at Mysore, he had to travel by air. Further he has stated that a sum of Rs.335-3-0 has been incurred as expenses actually in connection with his stay at Hotel Krishnarajasagar and desires that this may be allowed instead of the daily allowance during the period of his stay there. A copy of his letter dated 29-1-1950 is enclosed. With reference to the Madras Travelling Allowance Rules the officer will be eligible for daily allowance at the rate of Rs.5-4-0 per day for the first 10 days and at three fourth of the above rates for the days stayed by him beyond those 10 days. The total amount of daily allowance he would be eligible for the period of his sat (viz) from 3-11-49 to 4-12-1949 (32 days in all) will be Rs.139-2-0 which is very much less than the actual expenses incurred by him. In this connection, attention is invited to Government Memo No. 1568-B2/50-3 Edn. dated 6-2-50 in which as a special case the Adult Education Officer was allowed to draw daily allowance at the rate of Rs.3-11-0 per diem when the actual rate of daily allowance to which he is eligible was only Rs.2-7-0.

Copy of letter dated 29th January 1950 from Sri. T.R. Deenadayal to the Director of Public Instruction, Madras.

Sub:- Travelling Allowance Bill in connection with deputation to Asian Seminar on Rural Adult Education.

Ref:- Director's Proceedings R.C. No. 1560 B1/49 dated 6-10-49.

The route taken from Vishakapatnam to Madras including travel by air from Nagpur was due to the dislocation of railway traffic between Vishakhapatnam and Madras during the last few days of October. As there was no certainty of the Grand Trunk Express arriving at Nagpur to enable me to reach Madras on the 1st of November travelling by it, I had to resort to travel by Air.

The sum of Rs.335-3-0 is claimed as "actual expenses" incurred in connection with the charges met at Hotel Krishnarajasagar. The receipts in respect of air travel and hotel charges are enclosed herewith.

DEPUTY SECRETARY TO GOVERNMENT
13 .. 949
EDUCATION AND PUBLIC HEALTH DEPT.

My dear Lobo Prabhu,

62498

You may have seen in the papers an announcement that the UNESCO Seminar on Rural Adult Education will be held from the 2nd of November to the 14th of December. The Government of India, who have undertaken the responsibility of organising and conducting the Seminar, have selected Mysore to be the venue of the Seminar. The exact place of the Seminar will be Hotel Krishnarajasagar, Brindavan Garden, Mysore.

The Seminar will be conducted by a Director chosen from among the leaders of Rural Adult Education Movement in Asia. I am happy to say that Mom Laung Pin Malakul of Thailand, whose name was suggested to us by the UNESCO, has accepted our invitation to serve as Director. The Seminar will be divided into four Study Groups. Of these, three will have as their Chairmen educational leaders from different Asian countries, while the fourth Chairman will be supplied by the UNESCO. The name of Dr. Hatch has been suggested for the purpose. UNESCO will also supply two other experts for helping in the conduct of the Seminar. Dr. Rex who has gone to South America as UNESCO's International Expert for organising the Pan American Seminar on liquidation of illiteracy will be one of them and the other will be either Dr. Lloyd Hughes or some suitable substitute.

According to the plan agreed to between the Government of India and the Unesco, the Seminar will consist of three members from each of the Asian Member States of Unesco, two members from other invited Asian countries and one member from each of the non-Asian Member States of Unesco. To date, about 14 countries have intimated acceptance of our invitation and it is expected that another 8 or 10 countries will also participate.

p3-5 supra

I am enclosing a copy of the outline of a working plan from which you will get all the necessary details about the Seminar. The association of persons with such varied experiences from so many different countries - and all of them authorities in their own fields of work - is bound to make the Seminar one of great value to our own educational programmes. From the very nature of the case, execution of such educational programmes lies with Provincial and State authorities. It therefore seems essential that every province and state should send a representative who can participate in the activities of the Seminar and take back with him the lessons gained from the exchange of experiences of so many countries.

As under the terms of the Seminar we can have only three delegates, it has been decided that we should request each Provincial and State Government to nominate one representative who will attend the Seminar as an Observer. The Observers will not be entitled to free room and board but will enjoy all other privileges of full members of the Seminar, subject only to such exceptions as may be prescribed by the Director. Arrangements for the board and lodging of an observer can, however, be made by the Government of India on payment of a fee of Rs.15/- per day. In case accommodation is not available in the main buildings of the Hotel where the Seminar will be held, alternative accommodation will be arranged in tents in the compound at a charge of Rs.10/- per day. Further information may be secured by writing to Mr. D.K. Hingorani, Officer In-Charge of the Seminar, Ministry of Education, Government of India, New Delhi.

In view of the services which the Seminar can offer to the cause of rural adult education, I earnestly hope that your

Government will select a suitable representative and send his name and other particulars not later than the 15th of September, 1949.

Yours sincerely,

(HUMAYUN KABIR)

U.O.Reply No.1560 B1/49 dated 30th August 1949.

This question was discussed by H.M.(Edn) with Mr.Humayun Kabir, the Joint Educational Adviser at the recent Provincial Ministers' Conference. It was then suggested by the Joint Adviser that I should attend the conference in view of the importance of the subject. Though I have no objection to do so it would be obviously difficult for me to be away from head-quarters for such a long period, even if I can arrange to get all the papers sent to me by post. The Joint Adviser suggested an alternative course if it was not possible for me to attend the Seminar which was that I should arrange to attend the first and last week of the Seminar. This is to be preferred.

of 6 weeks.

Pending a final decision, the Government of India may be informed that this Government will depute an observer. It may also be added that if necessary the Government may depute a part-time observer also.

In the D.O. on page 1 ante the D.P.I. recommends that the Joint D.P.I. and the Adult Edn. The Govt. deputed Sri T.R.Deenadayalu, D.E.O., Vizag South, to attend Asian Seminar at Mysore as an Observer of the Govt. The Officer was allowed to draw travelling allowance and daily allowance for his stay at Mysore in accordance with the M.T.A. Rules. He has preferred the following claims:-

(1) Travelling allowance for his journeys to Mysore and back by air.

(2) Daily allowance to cover actual expenses.

(1) above:- The D.P.I. recommends that officer's claim for travelling allowance by air may be approved. The recommendation may be accepted.

(2) above:- The daily allowance admissible to the officer for his stay at Mysore has been worked out by the D.P.I. at Rs.139-2-0, while the actual expenses incurred by him is reported to be Rs.335-3-0. The Director recommends that daily allowance may be allowed to cover the actual expenses.

D/37CF

The Adult Education Officer was also deputed to Mysore, to attend the Seminar. He spent Rs.40/- for his stay in Mysore for 4 days against Rs.9-12-0 admissible to him under the rules. In January last the Director recommended that the officer should be granted daily allowance to meet the actual expenses incurred by him. It was decided that it would be sufficient if he was granted 50% in excess of the ordinary rate (i.e., Rs.13-12-0 against Rs.40/-) incurred by him. If this principle is applied in respect of Sri Deenadayal he will be eligible only for an allowance of Rs.208-10-0 against Rs.335-3-0 incurred by him. The D.E.O. may be granted the concession allowed to the Adult Education Officer.

(2) Daily allowance at an enhanced rate allowing 50% increase over the ordinary rate.

Item (1) above: Beyond the statment that the railway traffic between Vizag and Madras was dislocated during the last few days of October 1949, the Officer has not furnished a certificate ~~for~~ from the M.& S.M. authorities to corrobarate to the statement. Education may be requested to have the position verified in the first instance. If there was actual dislocation, he may be allowed ~~the~~ air fare journey for the outward journey. — There must be precedents to show how d.a. ~~for the~~ for the period in excess of the first 10 days in regular T.T., in cases where 1½ times the normal rate was given. Examine in the light of those precedents. —

8.1.51

Please see the statement at flag 'U'. It will be seen therefrom that no uniform system of payment of d.a. has been sanctioned in the past. The question of prescribing a uniform rate of d.a. for halts in excess of 10 days is being examined separately. In view of this, it is for consideration whether it will not be sufficient if daily allowance at ½ the rates may not be sanctioned for halts in excess of 30 days as the Head of Department himself is competent to sanction daily allowance at ¾th rates for halts in excess of 10 days. The reduction to ½ d.a. is suggested in the office note on the principle that the expense incurred by a Govt. servant in respect of a halt at an outstation ordinarily decreases in proportion to the length of his stay.

The trouble is that when cases of the kind are received, you do not put up precedents & examine them in the light of the precedents.

25.1.51

M.T.A. Rule 38(1)

In the light of the precedents on (U). There is no point in your suggestion to restrict d.a. to ½ rate for the small period of 2 days.
