Sir,

Sub:- Government Grant to the Hindustan Scout Association.

.....

We have received information from the National Commissioner Pandit Hirday Nath Kunzru, that at a Meeting of the representatives of the three scout associations in India namely the Hindustan Scout Association in India, the Girl Guides Association in India and the Boys Scout Association in India, held at Nagpur in the Government House recently, which was ^{also} attended by His Excellency Pakvasa, the Governor of C.P. and

and Berar, it was decided to unite these three organisations on an All India Basis and establish one single organisation under the name ' Hind Scout and Guide Association', India and that the constitution be drafted by the Hon. Justice Vivian Bose of Nagpur and that the merger scheme be drawn up immediately and the merger brought about under the direction of Dr. Tara Chand of the Education Department of the Central Government.

This matter is however taking time and most likely before March 1949 the United Association will begin to function. In view of this the Provincial Association also will take similar steps to form a United Provincial Association as a branch of the All India Association as soon as we are asked to do so by the Central Organisation.

In the meantime the respective associations will have to run the organisation and to meet the

expenses it is found necessary to apply to the Government for the grant that is still due for the second half year.

We have to incur an expense of Rs.1500/- per month and for the coming three months January, February and March, we will need Rs.4500/-.

If the balance of Rs.5250/- is kindly given to the association, the Association will be able to run its organisation satisfactorily upto the end of the year 1948-49.

We have explained the circumstances that are responsible for the delay in the matter of Unity

and that the Provincial Association is keeping itself in readiness for the merger even now.

The Hindustan Scout Association, Madras Presidency, will be grateful to the Hon'ble Minister For Education if he will be kind enough to sanction this amount, so as to enable the association to carry out its activities until the end of the year.
