I have the honour, by the desire of the Directors of the Madras Civil Orphan Asylums, to submit their Annual Report on the operation of these institutions for the year 1948-1949 and to request that Government will please sanction the payment of the annual donation of Rs.1,200/- in accordance with G.O.No.101 dated 30th March 1874.

The payment, last year, was sanctioned in G.O. Ms.No.2936 Education dated 22nd November 1948.

5 copies of the Annual Report sent separately.

Yours faithfully,
R. Bentinck
Principal.

Handwritten text on the left page, mostly illegible due to bleed-through from the reverse side. Some visible words include "CIVIL ORPHAN ASYLUM", "MADRAS", and "Annual grant". There are also some faint stamps and markings.

HISTORY OF THE SCHOOL

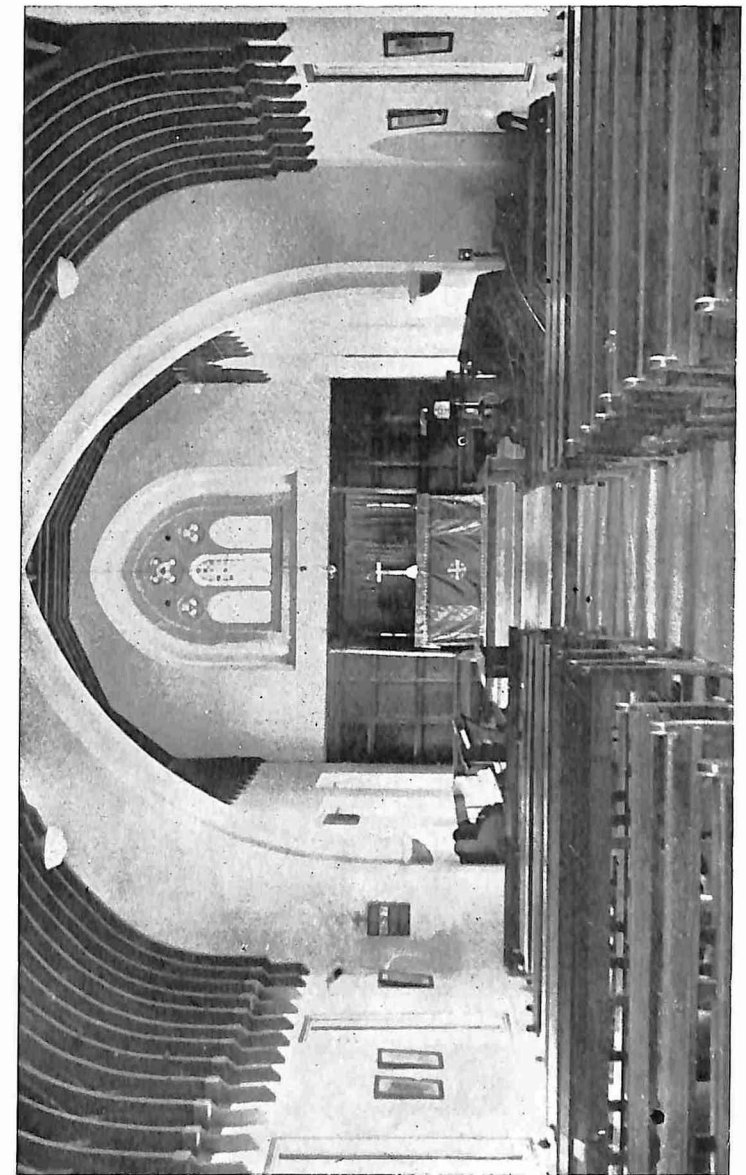

The history of the school as at present constituted resolves itself into the histories of four different institutions, namely St. Mary's Church Charity School, the Madras Male and Female Orphan Asylums, the Waltair Orphan Asylum and the Gordon Orphan Refuge.

St. Mary's Church Charity School, which, it is believed, is the first educational institution to be founded by the Church of England in India, now the Church of India, Burma and Ceylon, was started in 1715 by the Reverend W. Stevenson, Chaplain of Fort St. George, for the board and education of British Anglo-Indian children. It was built on the island west of the Fort, and the Governor Thomas Pitt, grandfather of the Earl of Chatham, gave 5,000 Pagodas towards its cost from the sale of the Jersey House. The school started with thirty children but the number subsequently increased to fifty. Through the care of the headmaster, Mr. Hubbard, it survived the two years from 1746 to 1748 when the Fort was in possession of the French. The Governing Body was St. Mary's Vestry: the Governor attended its meetings so that we find in the Minute Books the names of eminent men such as Clive, Warren Hastings, Lawrence and Wellesley. The school remained on its original site till 1871 when it was amalgamated with the Male and Female Orphan Asylums, which on the transference of the Military Male Asylum to Lovedale, moved to the site of that school at the old Redoubt, Egmore. The connection of the Civil Orphan Asylums with St. Mary's parish has been maintained ever since. The terms of the amalgamation state that the chaplain of St. Mary's should be the spiritual head of the combined institution, which he still is, if the Principal is not ordained: that he should be a member of the Board of Directors: that he should pay Rs. 6,754 annually out of the accumulated capital fund of St. Mary's Church, and that the boys of the school should form the choir, the cost of transport being met by the Commander-in-Chief. The Civil Orphan Asylums also, as part of the terms of the gift, took over from the Military Asylum fifteen boys who could not go to Ootacamund.

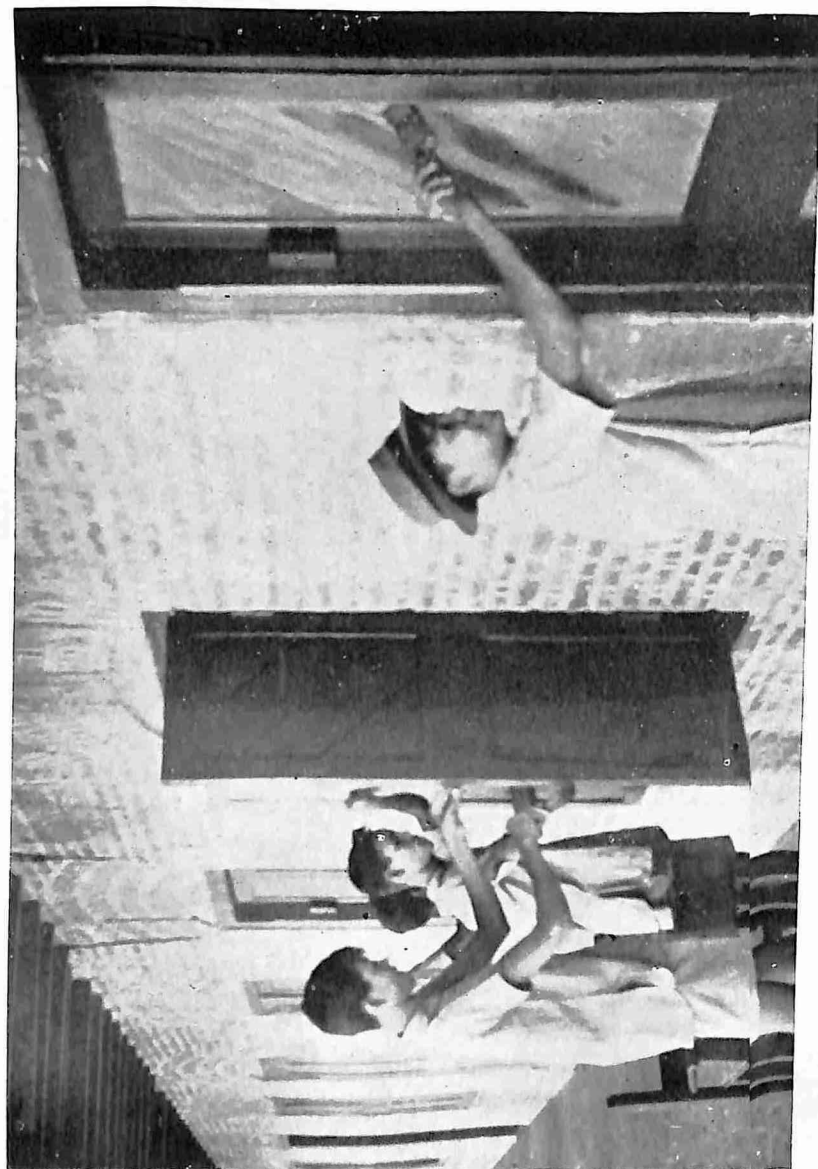

The Male and Female Orphan Asylums were founded in 1807 and 1810 respectively through the influence of the Reverend Dr. Kerr of Black Town Chapel. The school was originally in North Black Town, and was supported by a number of subscribers who elected Directors from their numbers: they

constituted the first Board of Directors of this school. The school was founded for children of European descent who were not eligible for admission to the Military Asylums. In 1815 and 1823 substantial buildings were erected, and the foundation stones were laid with Masonic observances. These stones are now placed in the girl's dining hall, and they bear the names of the first twenty Directors. Thus was started the connection of the school with the Freemasons. The Madras Masonic Institution still gives a substantial annual grant, and in 1940 the corner stone of the Junior House was laid with Masonic rites. The Male and Female Asylums had considerable capital including a large bequest from Mr. Gericke, a famous missionary, and from time to time received donations from the Woolley Fund, a fund given to Government for the education and maintenance of children of distressed Europeans. In return for these grants the school undertook the support of an additional thirty-six children, a number which was reduced in 1876 to thirty. Government also ruled in 1851 that two Directors should be appointed by them, and ever since the two Government Directors on the Board have been responsible to Government for the proper administration of the Woolley Fund money held by the school. By 1867 the number of children had increased to seventy-five boys and sixty-five girls and the Directors complained that the buildings in Black Town were totally inadequate. It was probably in response to this representation that Government conceived the idea of transferring the Military Male Asylum to Lovedale, there to be amalgamated with the Lawrence Asylum, Ootacamund, and handing over its site at the Old Redoubt, Egmore, to the Directors. The Old Redoubt which was on the present site of Egmore Station, was built in 1711 as an outpost of Fort St. George but had been used as a school since 1782. The move to Egmore took place in 1872. The buildings at Black Town and a portion of the site of Egmore were sold and after meeting the costs of certain alterations to buildings, the balance was invested. The school was at the same time amalgamated with St. Mary's Charity School, and thereafter the combined institutions adopted the present name, the Civil Orphan Asylums. In 1894 the Government closed the Waltair Orphan Asylum, and transferred its fifteen children to this school taking the endowment of Rs. 23,442, and paying the school Rs. 15 a month for each child.

The next important event in the history of the school was its move to the present site at Kilpauk in 1904. The Military Female Orphan Asylum had started in a house in Chintadripet presented by the Nawab of the Carnatic. In 1872 they

THE INTERIOR OF CHAPEL FROM WEST DOOR

BOYS PAINTING THEIR CLASS ROOMS

purchased the Kilpauk site for Rs. 19,750. A house on the site had been known as Conway House, and it is interesting that people in the neighbourhood still know the school as "Conway School". In 1903 the South Indian Railway decided to rebuild and extend Egmore Station, and wanted to acquire the land on which the School stood. The Directors were proposing to purchase Church Park when the Government intervened, as they were considering the transfer of the Military Female Orphan Asylum to Lovedale. That transfer took place in the following year and the site, 380 grounds or approximately 21 acres, was handed over to the Directors of the Civil Orphan Asylums on condition that they admitted thirty girls who could not be sent to Lovedale, and that they maintained thirty extra girls in perpetuity. The Directors were able to do this by investing the sale proceeds of the Egmore site amounting to Rs. 203,328.

The last addition was in 1928, that of the children belonging to Mrs. Gordon's Orphan Refuge. This institution was founded by Mrs. W. A. Morehead in 1860, and was intended for European and Anglo-Indian children who were not eligible for admission either to the Civil or Military Asylums. Mrs. Morehead raised sufficient funds to purchase a building in San Thome, and in 1872 Mrs. Gordon of St. Thomas' Mount endowed the institution with Rs. 13,700 on condition that it was named after her. After Mrs. Morehead's death the Refuge was in charge of Mrs. Alice Firth until she died in 1928. The thirty girls in school were then transferred to the Civil Orphan Asylums, together with the funded capital, which after the sale of the buildings amounted to Rs. 52,400. The President and one other member of the Refuge Committee became members of the Board of Directors, and two Gordon Orphan representatives now on the Board have the right to nominate twenty children in the school.

The present school chapel was taken over from the Military Female Asylum: it was built in 1883 and dedicated to the Blessed Virgin Mary. Various additions and improvements, in most cases with the assistance of Government, have been made to the site since it was occupied in 1904. In 1915 the Principal's bungalow and the class room block were constructed at a cost of Rs. 46,910. They were blessed by the Bishop of Madras on March 4th, and opened by His Excellency Lord Pentland on the following day. In 1936 the nave of the chapel was extended, and a new vestry added at a cost of Rs. 7,900. This extension was dedicated on February 4th 1937. Two additional class rooms

were added in 1938, and in 1940 the Junior House constructed at a cost of Rs. 64,723. The Corner Stone was laid with full Masonic rites in the presence of His Excellency the Governor and the Lady Marjorie Erskine on October 8th. The Domestic Science room was reconstructed during the same year. In 1944 the Government alienated to the Directors six acres of vacant land on the north side of the compound. This will provide the extra playing ground space which would be necessitated by the construction of another house which is now being erected

REPORT OF THE FINANCE COMMITTEE

General.

We are publishing like last year one consolidated statement of receipts and expenditure; to enable our subscribers to obtain a clear picture of our financial position. The year which opened with a deficit of Rs. 14,278 ended with a surplus of Rs. 2828. This was due largely to the Special Appeal launched at the beginning of the year. This resulted in our subscriptions reaching the figure of Rs. 18,000 thus showing an increase of nearly Rs. 13,000. These figures are apt to make readers and well wishers feel that the school is on the way to financial stability. The figure of Rs. 18000 has to be at least constant if not on the increase and this is imperative for the future of the School, especially as our teaching grant has been curtailed. There has been a cut of Rs. 1300 in the teaching grant this year which will be followed by a percentage cut in the coming years.

The heaviest item of expenditure is as always—that of boarding. There is a drop of Rs. 10,000 compared with last year, but our numbers were smaller and the diet at its barest minimum. Our diet sheet is under the careful supervision of Miss D. M. Pearson who is the Advisor to Government on nutrition: her advice has been to restore the cuts in food at the earliest opportunity.

In future we will receive from Government Destitute Grants for only 178 children, as compared to 210 in previous years. This cut in numbers is due to the economic situation of the Government.

Both the M. S. M. and S. I. Railways have informed us that we cannot expect any further grants from them. We have therefore to maintain in future from Management Funds the eleven Railway nominees.

When considering all the items of receipts and expenditure it is the opinion of the Board of Directors and the Finance Committee that our income must be increased and kept at a safe level. The only way is increased subscriptions viz. Rs. 20,000.

Our needs have been made known to the Old Students' Association, to the public of South India and to friends of the School, in England and America. All subscribers in England are requested to send their contributions to Mr. F. H. Wilson, Rothsay, 7 Radlett Park Road, Radlett, Herts, England. Mr. Wilson is working the subscription scheme through the Indian Church Aid Association.

In South India we have our representatives in many of the large railway centres and we appeal to our subscribers in these areas to continue their generous help this year as well. Our deep gratitude goes to all those kind ladies and gentlemen who have taken on gladly the work of collecting subscriptions in their respective centres. To existing subscribers our one appeal to them is to obtain more subscribers and to try and increase their own contributions.

The all-in-cost monthly for each child and the cost of food only for pre-war and post-war years is as under :—

	All-in-cost			Cost of food		
	Rs.	As.	Ps.	Rs.	As.	P.
1937-1938	30	7	10	8	7	6
1946-1947	41	12	1	23	6	5
1947-1948	39	11	7	21	12	9
1948-1949	42	3	1	19	13	6

There is an increase in the all-in-cost which is due to increase in price of clothing materials, and extensive repairs to buildings, which were long over due.

Building, Replacement and Extension Fund.

The Fund opened with a debit balance of Rs. 27,424 and closed with a debit balance of Rs. 15,026. We received an interim grant of Rs. 31,000 from Government and Rs. 7,100 from the European Schools Improvement Association. A sum of Rs. 12,000 is still due from Government, which we hope to receive in the current year.

The completion of the ground floor of the New House cost us a further sum of Rs. 13,932 and Rs. 12,000 was spent on Electrical and Sanitary Installations in the new building.

The new playing field was enclosed at a cost of Rs. 2,065.

Prices of building materials have risen by nearly 50% and we hope to commence the building of the first floor as soon as prices reach a reasonable level and we expect to complete the construction of the new House by the middle of 1950.

PRINCIPAL'S REPORT

It gives me great pleasure in presenting this 76th Annual Report for the year ending March 1949. The main substance of this report was read on our Prize Day at which Mr. C. A. Gault, Deputy High Commissioner for the United Kingdom presided and Mrs. Gault gave away the prizes.

On the 1st of April 1948 we had 261 children on the rolls and during the course of the year 18 left due to reaching the age limit and in December we closed with 243 children. The present strength of the School is 271. We have reached our economic strength for, there are many on our waiting list and it grows larger day by day.

Before I report on the changes of the Staff it is imperative on my part to refer to the departure of the Reverend E. J. M. Wyld, who, after a period of nearly 14 years of devoted and unselfish service to the School as Principal, left us at the end of December last. His departure has been a serious loss to the school. His work here has left many a mark which the coming years can never delete. The erection of additional buildings and the vast progress of the School during his tenure of office will stand as a lasting memorial and a worthy tribute of his indefatigable work in the School. Our prayers and best wishes go out to him in his new sphere of work.

Mr. Parrie who was an old boy of the school and later returned as Headmaster left us in December after serving the school loyally for five years in that capacity. After 29 years of sincere service Miss Pacheco retired at the end of last term. We wish her all the best in her well earned retirement. We welcome into our midst Miss Faraday and Miss Dueman and also Miss Sturt who has come as a Matron in place of Miss

Barnett who left us in December 1948. In the few months that I have been here I have begun to sense the family spirit in the C. O. A. I take this opportunity of placing on record my appreciation, and that of my predecessor, of the loyal work done by the Staff. The heavy administrative work here has been made light by the C. O. A. family due to their unstinted service and loyalty.

Coming now to our results in the Government Examinations, there has been a very marked improvement to last year but there is still room for improvement. Sixteen children were presented for the Middle School Examination, out of which fourteen passed. Two were placed in the Second Class and the remainder obtained 3rd Classes. Of these fourteen, eleven are attending Doveton-Corrie for their High School Course from here and one from home. Five of our children appeared for the High School Examination from Doveton-Corrie and all except one passed. One was placed in the First Class, one in the Second and two in the third. The school had its Annual Inspection on the 6th of October by the Inspectress for Anglo-Indian Schools, who reported that the pupils receive careful training under the watchful care of the Principal.

The School competed in the Inter School Athletic Sports for Anglo-Indian Schools and did very creditably. Being only a Middle School we have no senior girls entering for the A Division and in spite of this handicap our B division girls alone were able to be runners up in the Senior Championship for girls. The Junior boys did equally well. They were runners up for the Junior Championship for boys.

The school entered for all the Inter School Tournaments conducted by the A.I.S.A.A. Our younger lads won the Sub-Junior Hockey Tournament for the second time in succession.

Our Annual School Sports was held on the 29th October 1948. The House Championship for girls was won by the Willington House and the House Championship for boys was won by the Hardinge House. In the Inter House Tournaments for boys, both the Hockey and Football Shields were won by Hardinge House and in the Girls Tournaments the Net Ball Shield was won by Willington House and the Throw Ball by Erskine House. We hope in the coming year, to also get our girls to play Hockey, and the Boys to play Cricket. This is now possible due to the new field practically ready for use. This additional field will enable every child to have at least 2

hours of organised games per week. If nature is far more kind to us and we have our normal monsoons it would be possible for us to use our swimming bath more often than it is being used at present, and to conduct Inter House Competitions.

The Guides and Blue Birds continue to make good progress and are well guided by Mrs. Johns and Mrs. Sinclair Rose. I would like to take this opportunity of thanking these two good ladies for sparing so much of their time to spend amongst our girls, in spite of their other engagements and the distance they have to cover to come over here. The girls on their part are showing keen interest and this is an encouragement to our Guide Mistress and Wise Owl. I must specially thank Mrs. Sinclair Rose for having supplied our Blue Birds with uniforms.

Our Scouts have continued to make their Troop one of the foremost in Madras. Under the able guidance of our enthusiastic Scout Master, Mr. W. J. Satur they have done well in the Inter Troop Competitions held last month. Our Scouts won the coveted signalling Shield and were second in every other Competition.

The School Band is a very important factor in our School life. In December our Band was rather depleted due to boys leaving school, but our Band Master Mr. C. E. Fritchley soon got others to join and infused into them his own enthusiasm for music. So great has been his influence that we were able to give three public performances in the last two months and earned a worthy reputation. Last year we were called upon to contribute many a programme for the Children's Hour of the All-India Radio. This feature of School life not only creates taste and appreciation for good music but also enables our lads to obtain places in reputed Bands. One of our lads is now in the Band of the Royal Indian Navy and is doing quite well.

I must now turn for a while to the religious side of our School life. The Chapel to us in the C. O. A. is the centre of our School life. Never before have I seen in any other Anglo-Indian School Chapel such devotional life as seen here. Any visitor to our Chapel between the hours of 7 and 8 in the morning would see how our children make use of the House of God for saying their private prayers. It is an extremely healthy sign. It shows that their spiritual growth is keeping apace with their intellectual development. Our religious training is planned in such a manner as to make our children not merely well versed in the Bible and Prayer Book but

worshipping Christians in the Church of South India. Services are regularly held each Sunday when we have a Sung Eucharist in the Morning and in the evening either Evensong or Compline. On week days we have a 15 minute service with a short address each morning.

We are erecting a Lady Chapel in the current year and this is largely due to the generosity of Mrs. Harper. Owing to the increase of cost the building would cost Rs. 16,000 and Mrs. Harper who has already donated Rs. 8,000 has promised to give us a further donation of Rs. 4,000. We place on record our deep gratitude to her for her great generosity.

The general health of the School has been good on the whole. There were a fair number of cases of Pyrexia during the year in review. We had a few cases of mumps and many skin cases. The latter we found to be mostly amongst our new admissions who were under-nourished. The good health of the School has been such due to much thoughtful care taken to maintain an adequate and healthy diet for the children. It was found necessary to replace and supplement the diet during the latter part of the last year. This was satisfactorily done in consultation with Miss D. M. Pearson, to whom we owe a great debt of thanks for her invaluable assistance and advice. We wish her every good wish as she goes on furlough and we look forward to the day when we can once more look to her for advice and guidance on the feeding of our children.

Turning now to accomodation we are now housing about 50 senior boys in the ground floor of the new Intermediate House as a temporary measure. We hope to complete the construction of this house as soon as materials are available at reasonable prices. Government have very kindly granted us an extension till October of next year to complete the building and we hope God Willing to have this done. The New House would enable us to increase our strength to over 300 and provide additional class rooms.

If our numbers increase then naturally our expenditure would increase which means we will need more money to run the school. With the curtailment of Teaching Grants and a reduced number of destitute grants in the coming year, the problem of making both ends meet will become more and more difficult, and a vital problem to face. If our Anglo-Indian Schools are to serve the purpose for which they were established then the Anglo-Indian Community alone must be prepared to

give them their whole hearted support. The C. O. A. is the only school of its kind in our Madras Diocese and a larger proportion of our children are from Madras City. If only the Anglo-Indian Community of the Church of South India in the Madras diocese could support us by becoming regular subscribers to the School, we would be able to be of greater service to our Community in this Diocese.

Thanks to the untiring efforts of our last Principal, the Reverend E. J. M. Wyld our subscriptions reached Rs. 18,000. I take this opportunity of thanking all those who responded so generously and helped us to realise this very large amount. It is the unfortunate duty of the Principal of a school of this type to always beg for more money and I take this opportunity of appealing to all our subscribers and other readers of this report to come to our aid financially. If every existing subscriber could get two or more people to join the subscribers list each year we would be able to reach our target of Rs. 20,000 per annum. Many friends of the school now resident in England, still remember us and are sending us help and getting many of their friends interested in our work and welfare. Our special thanks and deep appreciation goes to Mr. F. H. Wilson for all his help in obtaining subscriptions for the school. The Indian Church Aid Association sent us Rs. 1,171-14-10 and we are indeed very grateful to them for this generous aid. Two Educational Institutions in England viz. Marlborough College and Godolphin School sent us generous contributions.

The Old Students Association has been very active during this year and we place on record their great help to the School. By running a Concert and Dance they were able to contribute a sum of Rs. 851 to the school funds. The Association met twice at the School, on the last day of term and on Old Students' Day, October 29th. The attendance was good on both occasions. Those old Students who have not as yet joined the Association are welcome to join it. We look forward to your prayers and help. You will, I am sure find in this Association, warm fellowship and keen enthusiasm. Here is an opportunity of helping your Alma Mater who has done great service to you in the days of your youth and has been instrumental in placing you in your present state of life.

There is at present a reorganisation going apace in the secondary education of our Indian Schools, but we find no such thing taking place in our schools. A vocational bias to the curriculum of our Anglo-Indian Schools is an urgent necessity.

We here in the C. O. A. are at present giving our lads a training in wood work. There is a great deal of wastage taking place in our schools due to the lack of a vocational bias. The average Anglo-Indian is naturally inclined to a technical vocation and we are hoping that this type of education would soon be introduced into our Schools on a sound basis.

It is very necessary on my part to emphasise to our parents their duty of impressing upon their children the importance of studying the regional language viz. Tamil. Our children have not yet fully realised the importance of knowing the regional language thoroughly. The Anglo-Indian within a few years cannot claim a rightful place in Independent India unless he can read, write and speak the regional language as his Indian colleague. The sooner parents impress upon their children this very important factor the better it would be for the community.

I must place on record the great help and advice tendered by the Board of Directors to my predecessor and myself for the well being of the School.

We acknowledge with thanks the following gifts:

Special Food: Mrs. Batchelor and Mrs. Young.

Outing and Picnic: Miss L. A. Gideon.

Library Books: J. V. Asirvatham Esq.

MEDICAL OFFICER'S REPORT

The largest number of cases treated during April 1948 to March 1949 were Pyrexia. 11 cases of Mumps were kept in isolation sheds and treated. All the cases of Scabies were treated here. Most of the skin cases (scabies) were among the new admissions who were underfed. All the Dental cases were treated by the Dental Surgeon. Fracture cases were treated by the General Hospital.

All the children including the Staff and Servants were inoculated with T. A. B and Cholera vaccines and also were re-vaccinated.

The general health of the children in school has been satisfactory. Extra diets such as Cod Liver Oil, Egg flip were given to those who were found ill nourished.

MOHAMMED AUZAM,
Medical Officer.
