Sub: Elementary Edu.- aided schools in Agency - Grant of increments to teachers in line scale of grant - Instructions.

p. 1 CIP

The D.P.S. proposes to issue certain general instructions in regard to the grant of increments to teachers in aided ele. schools in the agency tracts consequent on the introduction of scale of grants to them. The instructions will cover the following points. 1) Authority to sanction increments. 2) Leave periods and periods of service to be counted for increments 3) The form of increment certificate.

(1) above The Director suggests that the Dy. Inspectors may sanction increments in the case of teacher-managers and managers in the case of teachers in these schools. The proposal is on the analogy of the rules framed for grant of increments to aided ele. school teachers in plains. In the case of agency tracts, the authority to sanction grants is with the Spl. Assistant Agents to the Govt. It is not known whether this officer should not be authorised to sanction increments to teacher managers or whether the reference to the Dy. Inspector is intentional. The D.P.S. may be consulted.

(2) above It does not appear that the instructions similar to one now proposed have been issued in the case of ele. schools in the plains. The Director may be requested to say whether these instructions are ~~specifically~~ required for agency tracts alone.

P.T.2

(3) above. As observed by the
D.P.S. it may be left to the Spl. Assistant Agent
to prescribe a suitable form of increment. certificate

2./ The Director suggests
that the provision in the rules relating to
Agency tracks for suspension of teachers for
certain defects may be deleted as the
suspension of teachers is neither desirable
nor necessary. His suggestion may be
accepted. The file may be sent to D.P.S.
no. 26 for remarks.

R.O.C.No. 2025-132/48 dated 16th June 1949.

ELEMENTARY EDUCATION--aided schools in Agency--Grant of
increments to Teachers in time scale of grant--Issue
of instructions.

While revising the rate of teaching grants for Teachers in
aided elementary schools in the Agency area, Government have
introduced a time scale for trained teachers of Higher Elementary,
Secondary and Collegiate grades in G.O.No.Ms.1859-Education dated
27.7.1948. With the introduction of provision for annual increments
in the time scale, I consider that some general instructions are
necessary for the guidance of Special Assistant Agents in the grant
of such increments and I propose to issue the following instructions
in the matter and I request the same may be approved.

1. The Deputy Inspectors to sanction the increment in the case of
teachers and the Managers to sanction for teachers under their
employ.
2. All earned leave with salary, casual leave and Maternity leave,
not exceeding a month where full salary has been paid during such leave, may
be counted for increments.
3. Broken periods of service in the same school, service in
different schools irrespective of the type of management such as Panchayat
Board, Local Board, Municipal and service in unaided schools also to
count for purposes of increment.
4. No forms for sanction of increment (increment certificate) need
be prescribed. The Special Assistant Agent may be asked to prescribe a
suitable form for use in Manuscript for their respective
Divisions.

2. In Rule 18 of the Rules for recognition and aid for
elementary schools in the Agency as revised in G.O.No.Ms.1859-Edn.,
dated 27.7.1948 cited above, there is provision for suspension of
teachers by the Inspecting Officers. As this provision is not
considered either desirable or necessary I suggest this may be
deleted. In the case of plains schools also such a provision for
"suspension" was deleted in G.O.No.Ms.2938-Edn., dated 23.11.1948.

Yours faithfully,

G. S. Pancharatnam

1. Authority to sanction increments: Though the District Educational Officer is the authority to sanction grants plains, the Deputy Inspector is empowered to sanction increments to teachers-managers. On the same analogy though the Special Assistant agent is the authority sanctioning grants in Agencies, the Deputy Inspector is suggested to be empowered to sanction increments to teachers-managers. The reference to the Deputy Inspector is intentional to have a uniform policy for both plains as well as agency tracts.
