EDUCATION - Secondary - Pandits and munshis -
Fixation of Grade I scale of pay - Calculation of 15
years' service in high schools on 1-1-1948 - Instructions
Issued.

From the Director of Public Instruction, R.C.No.2531-G1
of 1948 dated the 10th December 1948.

ORDER MS.NO. 300 EDUCATION, dated 2/1/1949.

In G.O.No.526 Education, dated the 15th March
1948, the Government directed that existing incumbents who are
holders of Oriental
Title ^{and} who do not possess pandits' or Secondary Grade
Training qualification but who had put in 15 years'
service in high schools and training schools on 1-1-48
should be allowed the scale of pay admissible to pandits
and munshis of new Grade I, namely, Rs.75--5--145. This
scale of pay was also allowed to pre-1926 pandits who
acquired the Oriental Title before 1-1-1948 and had
put in ~~the~~ 15 years' service in high schools on that
date. The question has now been raised whether ^{in the}
~~case of Pandits whose increments were withheld, the~~
period of service of ~~these~~ pandits during which their
increments were withheld, may ~~not~~ be taken into account
~~for purposes of reckoning the required period of service~~
~~for purposes of fixation of pay in that scale.~~ ^{the grant}
of Grade I scale of pay.
2. The scale of ~~pay~~ Rs.75--5--145 ~~has been~~ ^{existing}
allowed to ~~them~~ pandits only in consideration of their
long service put in by them and it is not the inten-
tion of Government that the period ^{during which their}
~~of punishment or~~ withholding increments ^{were withheld}
~~should be excluded and to take~~ ^{for reckoning}
~~into account, only the period of approved service~~ ^{the required period of 15 years' service in high schools}
for the purpose, as they would have been doing the duties
of pandits only even during such period. The Government
therefore direct that the period ^{during which increments}
~~had been withheld, should not be~~ ^{of such punishments}
need not be excluded in reckoning the period of service
for purposes of fixation of pay of pandits and munshis
in Grade I scale of pay.

ORDER :

In G.O.No.526 Education, dated the 15th March 1948, the Government directed that existing incumbents who are holders of Oriental Title and who do not possess Pandits' or Secondary Grade Training qualification but who had put in 15 years' service in high schools and training schools on 1-1-1948 should be allowed the scale of pay admissible to Pandits and Musahis of new Grade I, namely, Rs.75-5-145. This scale of pay was also allowed to pre-1926 Pandits who acquired the Oriental Title before 1-1-1948 and had put in 15 years' service in high schools on that date. The question has now been raised whether in the case of Pandits whose increments were withheld, the period of service during which their increments were withheld, may be taken into account for purposes of reckoning the required period of service for the grant of Grade I scale of pay.

2. The scale of pay Rs.75-5-145 was allowed to existing pandits only in consideration of their long service and it is not the intention of Government that the period during which their increments were withheld should be excluded for reckoning the required period of 15 years' service in secondary schools. The Government therefore direct that the period during which increments had been withheld should not be excluded in reckoning the period of service for purposes of fixation of pay of Pandits and Munshis in Grade I Scale of pay.
