Copy of letter No. B2-6878/48 dated 20th April 1949, from the Municipal Commissioner, Tiruvannamalai Municipality to the Director of Public Instruction, Madras.

Sub:- Education - Middle school for girls - Tiruvannamalai Municipality - Mrs. Gunaseeli Ebinezer - Secondary grade assistant - Fixation of pay and grant of increment in secondary schools - Reconsideration of orders passed - Requested.

Ref:-- The Director of Public Instruction's No. 2335 G1/48 dated 25-3-49 and the Examiner's letter No. L.F.10377 dated 14-3-49.

Four secondary grade mistress were working in the higher elementary school for girls before it was converted into a middle school. Among the four mistresses, Mrs. Selvam Lazarus is the seniormost and Mrs. Gunaseeli Ebinezer the next senior. As per advise of the Inspector of Girls schools, Mrs. Gunaseeli Ebinezer was appointed temporarily as Headmistress in the Muslim Girls school consequent on the opening of the VI standard in the above school as she knows urdu and as no urdu trained secondary grade mistress was available. This was only a temporary arrangement.

When the higher elementary school for girls was converted into a middle school with effect from 18-6-48, she was appointed as an assistant in the middle school for girls and was given the due place in the middle school according to seniority and was allowed to continue in the elementary education unit as headmistress in the Muslim girls school without prejudice to her claims in the secondary education unit (copy of orders enclosed) and she was subsequently transferred on 1-9-48 in pursuance of her original appointment to the middle school as her services were required and her pay was fixed at Rs. 45/- p.m. the minimum pay in the scale of 45-2-85. Her juniors who were working in the middle school from the date of opening i.e. 18-6-48 are drawing Rs. 45/- p.m. from that date and they will be getting their increments earlier than Mrs. Gunaseeli Ebinezer. But for her continuance in the muslim school, she would have served in the middle school from 18-6-48. Only for administrative convenience and in the interest of the Muslim school, she was allowed to continue in the Muslim girls school when the Middle school for girls was newly opened from 18-6-48 and she obeyed the orders of the management. For her implicit obedience she should not be made to suffer and in as much as she was appointed in

in the secondary education unit from 18-6-48, the date of opening of the school and allowed to continue in the elementary education unit without prejudice to her claims in the secondary education unit, the case deserves to be considered sympathetically.

Now as per orders of the Director of Public Instruction she is declared junior to other secondary grade mistess. Though she may not be permitted to draw her pay at Rs. 45/- p.m. from 18-6-48 (the date on which the middle school was opened) to 31-8-48 - the period during which she did not actually work in the secondary education unit - she may be permitted to draw her 1st increment on 18-6-1949 as in the case of her juniors as otherwise her juniors would be drawing higher pay and for no fault of hers she would be the loser.

I therefore request that your orders in the reference cited above may kindly be reconsidered and orders passed to grant her increment on 18-6-1949 and if rules do not permit of the course it may be recommended to Government for sanction as a special case.
