Sir,

Sub: Librarian, Connemara Public Library -
 issue of amendment to Article 404 A
 of the Civil Service Regulations - Requested.

The concession of adding 5 years to the qualifying service under Article 404 A of the Civil Service Regulations for an officer recruited after the age of 25 years, is applicable to the post of Superintendent Government Museum and Principal Librarian of the Connemara Public Library. The duties of the said post were bifurcated and two separate posts, one with the nomenclature of Superintendent Government Museum and Associate Librarian Connemara Public Library, and the other with that of Librarian Connemara Public Library, were created in accordance with G.O. No.M.S. 2754 Education and Public Health dated 3rd September 1938, with effect from 1st April 1939. These two officers have co-ordinate rank, each of them being the head of a department directly under the control of the Education and Public Health Department, one in charge of the Museum and the other in charge of the Library, respectively. The concession under the Article 404 A C.S.R. applicable to the post of Superintendent Government Museum and Principal Librarian Connemara Public Library is, therefore, now applicable to both the posts. But as the corresponding amendment to the Article 404 A of the C.S.R. was not issued, the concession under this Article is not admissible to either of the posts. I, therefore, request the orders of Government may kindly be issued sanctioning the necessary amendment to Article 404 A of the C.S.R. so that the holders of both the posts may have the benefit of the adding of 5 years to their qualifying service.

In this connection it may also be added that the concession under Article 404 A, C.S.R. is admissible to officers in the Provincial Services of the Education Department in scales of pay identical to that of the post of the Librarian Connemara Public Library (Which is also a post directly under the Control of the Education Department), the holder of which is in addition the head of a department.

I request the favour of very early orders of Government so that the Accountant General may be enabled to report on my pension application without delay.

I remain, Sir,
 Yours faithfully,

R. Janardhanan

Librarian. [24. VI. 1949]

Under Article 40 & A &
the C.S.R., an officer recruited
after the age of 25 years, to the
post of Supr. Gov. Museum and
Principal Librarian, Connemara Public
Libs is entitled to add 5 years
to his qualifying service for
the purpose of pension. The
post of Supr. Gov. Museum
Principal Librarian Connemara

by a single officer before 1-4-39
But ~~in the year~~ for these
five years, the duties as
regards the library were transferred
to the Librarian Connemara Public

entitled to the concession under
article 404 A of the C.S.R.
applicable to the post of S.R.M.
Principal Librarian, Connemara
Public Libs.

At the time when the
concession in Art 404 A C.S.R.
was extended to the S.G.M.
Principal Librarian C.P.L., the
intention would have been to
give the concession to the
combined post ~~then~~ ^{only}
in existence. The question now
is to extend the concession to
the two posts: "S.R.M. & Associate

This seems to be a question to be decided by Finance to
which the file may be sent.

Under Art. 404-A of the CSR, the officers mentioned
under that Article may add to their service qualifying for
superannuation pension the actual periods not exceeding 5
years by which their age at recruitment exceeded 25 years.

The object of this article is to provide for pensionary bene-
fits to the posts in which recruitment is likely to take
place normally after 25 years of age, in view of the fact
that the posts require experienced men with higher qualifications.

para 6 under
Art. 404 A of
the Madras
Supplement
to the CSR

pl see the note
on p1 above

pl see A.G.'s
note on p106

The benefit of this Article is admissible only to officers
directly recruited to the posts and not to those subse-
quently promoted to such posts.

The post of "Superintendent of Govt. Museum
and Principal Librarian, Connemara Public Library" is one
of the posts included under Art. 404-A, CSR. This post
(a single post) was held by a single officer before 1-4-39.
From 1-4-39, the post was bifurcated into two posts viz.,
"Superintendent of the Govt. Museum" and Associate
Librarian, Connemara Public Library" and "Librarian,
Connemara Public Library"; and two officers were appointed
to the two posts. Up to 1-4-39, the post was ~~held by~~ a single
one and it was held by a single officer viz., Mr. Gravely,
and only that officer is entitled to the benefit of Art. 404-A
CSR. The officers recruited to the two posts on or after
1-4-39 are not entitled to the benefits of Art. 404-A, CSR.
in view of the orders in G.O. 666 Fin(Pen) dated 2-7-38
stating that the provisions of Art. 404-A, CSR. is not
applicable to officers recruited on or after 2-7-38.

Sri Janardhanam Naidu entered Govt. service
on 9-9-29 as "temporary Librarian, Connemara Public Library".
This post was one which was in addition to the post of
"Superintendent of the Govt. Museum and Principal Librarian,
Connemara Public Library" and it ^{was} different from the post of
"Librarian, Connemara Public Library after 1-4-39". The
benefit of Art. 404-A, CSR. was not attached to the post

to which Sri Janardhanam Naidu was first recruited. Although
he became the head of a department as Librarian on bifurca-
tion of the two posts, he can only be considered to have been
promoted to the higher post on the retirement of Dr. Gravely
who enjoyed the benefit of Art. 404-A CSR. Since he was not
directly recruited to the higher post which carried the con-
cession of adding five years, there is no case to allow the
benefit to Sri Janardhanam Naidu. The post of "Superintendent
Government Museum and Associate Librarian, Connemara Public
Library" (the other bifurcated post) cannot also be deemed
to be a post carrying the benefit of the concession.

4/ The concession may be given in only one case i.e. in the case of an officer who was directly recruited to the combined post before 2-7-1938 and who continued afterwards in any one of the bifurcated posts. The presumption of Sri Janardhanam Naidu that because Art. 404-A C.S.R. ~~of the C.S.R.~~ was not subsequently amended, he is not eligible to the concession of that Article is not correct. With reference to the position set out by Sri Janardhanam Naidu at 'A' in the current file, it may be mentioned that the criterion for declaring a post as eligible for the concession of Art. 404-A C.S.R is not whether similar posts carry the concession. Since the concession has been withdrawn in respect of officers appointed to the post after 2-7-1938, it does not also seem permissible now ~~to~~ declare the posts held by the two officers, viz. Librarian, Connemara Public Library and Superintendent, Government Museum as eligible for the benefit under the Article. The request of the officer for the benefit of Art. 404-A C.S.R may therefore be turned down. The case may be returned to E & P.H.

3.8.49
Did Dr. Naidu continue as temporary Librarian until he was appointed Librarian, C.P.L. in 1949? And was it the best of temporary Librarian in same - in terms of function & duties - on the post of Librarian C.P.L. which was created as a result of bifurcation?

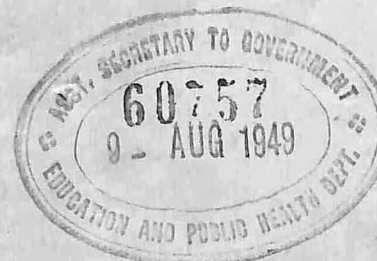

Portion 'A' of D.S's Query: Sri Naidu was appointed as temporary Librarian on 9-9-1929 but he was confirmed in that post next year i.e. on 8-9-1930. He did not therefore continue as temporary Librarian till his appointment in the bifurcated post of Librarian, Connemara Public Library in 1939.

Portion 'B' of D.S's Query: While Sri Naidu was holding the post of Librarian, Connemara Public Library in a temporary capacity and substantively (i.e. during the period from 1929 to 1939) there was a higher combined post of Superintendent, Government Museum and Principal Librarian, Connemara Public Library. The duties of the ~~post~~ holder of the combined

5/ post so far as the Library is concerned in his capacity as Principal Librarian are enumerated on p.10 of the D.O. of Mr. Gravely dated 17-10-1938 at B. Evidently, Sri Naidu as a Librarian was a subordinate to the Principal Librarian and his duties were different from those of the latter. When the post of Librarian was created in 1939 after bifurcation, the duties ~~of the principal Librarian~~ ^{attached to the post} before 1939 should have devolved on Sri Naidu. The post held by Sri Naidu before bifurcation cannot therefore be said to be the same in point of function & duty as the post which he held after 1939. It may however be added that Sri Naidu was discharging the function and duties of the principal Librarian whenever the holder of the combined post (Mr. Gravely) went on leave.

The test to be applied is that stated at M in p. 4 ante. It does not appear that Dr. Naidu qualifies for the Concession Conferred by Art. 404-A C.S.R.

XX The file relates to the question of giving the benefit of Article 404-A C.S.R., to Sri Janardhanam Naidu, Librarian, Connemara Public Library.

2 Under Art. 404-A of the C.S.R., the officers mentioned under that article may add to their service qualifying for superannuation pension, actual periods not exceeding five years exceeded by which their age at recruitment exceeds 25 years.

3 The concession referred to is applicable to the post of "Superintendent, Government Museum and the Principal Librarian, Connemara Public Library" and the concession is not applicable to officers recruited on or after 2/7/1938.

Mr. Janardhana Naidu states that the duties of the said posts were bifurcated and two separate posts, one with the nomenclature of the Superintendent, Government Museum, and Associate Librarian, Connemara Public Library and the other with that of ~~Principal~~ Librarian, Connemara Public Library, were created in accordance with G.O. 2754 Education dated 3/12/1938 with effect from 1st April 1939, and that these two officers have co-ordinate rank, each of them being a head of a department directly under the control of the Education & Public Health Department, one in charge of the Museum and the other in charge of the Library respectively.

He therefore requests that the concession under Art. 404-A may be applicable to both the posts "Superintendent, Government Museum, and the Principal Librarian, Connemara Public Library."

This Department supported the request of Sri Janardhanam Naidu, at "A" above.

Finance observed that Sri Janardhana Naidu entered Government service on 9/9/1929 as temporary Librarian, Connemara Public Library, and this post was one which was in addition to the post of the "Superintendent, Government Museum, and the Principal Librarian of the Connemara Public Library" and it was different from the post of Librarian, Connemara Public Library, after 1/4/1939. They also said that although he became the head of a department as Librarian on bifurcation of the two posts, he can only be considered to have been promoted to the higher post and that the concession may be given in only one case, in the case of an officer who was directly recruited to the combined post before 2/7/1938 and who continued afterwards in any one of the bifurcated posts.

It may be noted that Sri Janardhana Naidu was appointed to the post of Librarian, Connemara Public Library, in 1929 and though he was under the general supervision of the "Superintendent, Government Museum and the Principal Librarian, Connemara Public Library" till 1939, the duties performed by the Librarian ~~appear~~ prior to 1939 and after 1939 do not seem to be in any way different. The entire responsibility of the library administration

Prior to 1929, there was only a sub-librarian in the scale of Rs 125-250 and his superior was the Asst. Librarian, Museum. The post of Librarian (senior) was created in the M.E. Dept. in 1929.

rested upon the Librarian even before 1939, as will be evident from the details furnished in Dr. Gravelly's D.O. d/ 17-10-38.

When Dr. Gravelly was about to lay down office, he proposed that the Librarian ~~may~~ be given an additional remuneration by way of two advance increments to cope up with the additional duties devolving on him as Principal Librarian of the Connemara Public Library. The Government examined this proposal and considered that the duties devolving on the Librarian consequent on the retirement of Dr. Gravelly were not appreciable as to make him eligible for any additional remuneration, and therefore rejected the proposal of Dr. Gravelly. This order of Government evidently leads to the conclusion that the duties performed by the Librarian from 1929 till 1939 were ~~the same~~ ^{more or less} as those which he performed after 1939. Dr. Gravelly himself has described the duties performed by him as Principal Librarian as "negligible".

Dr. Gravelly himself has stated that men taking charge of the Museum and Library required very different training and experience and as such the Superintendent, Government Museum, ~~is~~ ^{was} not fit to be the Principal Librarian of the Connemara Public Library. In that connection he ~~has~~ observed as follows: ".... It cannot be expected that the Superintendent of the Museum will necessarily always be senior to the Librarian, as happens to be the case at present and if he should chance to be younger - perhaps much younger - it would seem anomalous to place him as Principal Librarian over the head of the Librarian."

The above shows that Dr. Gravelly continued as Principal Librarian more on grounds of seniority than on grounds of any special training or experience in the Library. It ~~is also~~ ^{also} goes to show that during the period that the Librarian was appointed, the Librarian was, in effect, doing the entire duties of the Library.

Art. 404-A, C.S.R. lays down that the concession is to be given to the Superintendent, Government Museum and Principal Librarian. The duties of the two posts have been performed since 1929 by two persons. Sri Janardhanam

was appointed in 1929 to one of these posts and he continued

8
as such even after 1938 when the concession was withdrawn. He was not given any

13 In the circumstances, in view of the fact that Sri Janardhanam Naidu was performing the duties of the Librarian since 1929 and the functions performed by him after 1939 were in effect the same as those performed by him prior to that year and as he was recruited to the post of Librarian in an advanced age of 35, he may be given the concession applied for. The A.G. has not raised any objection to the grant of the concession. The case may be pressed in circulation. May be circulated to H.M. (E & L) and H.M. (Finance)

J.D. 13/8/49
A Gazetted post of Librarian for Connemara Public Library in the M.E.S. ^{old} scale of Rs.250-800 was created in 1929 and Sri R. Janardhanam Nayudu was appointed to that post on 9-9-1929 and he was confirmed in the next year. Till 1-4-1939 the Superintendent, Govt. Museum (Dr. Gravely) exercised control over the Library as the Principal Librarian. In G.O. No.2754, Education, dated 3-12-38 the designation of the post of Superintendent, Government Museum, and Principal Librarian, Connemara Public Library, was changed as "Superintendent, Govt. Museum, and Associate Librarian, Connemara Public Library". By this change of designation, the control exercised by the Superintendent, Govt. Museum, over the Library which was already negligible, became still further negligible. So, for all practical purposes, the administration of the Library is being carried on by the Librarian, Connemara Public Library. The Librarian ~~even now~~ ^{draws pay at} the old scale of Rs.250--800 referred to above. He was not given any advance increment although recommended by Dr. Gravely for the independent status conferred from 1-4-1939.

The concession admissible under Article 404-A of the C.S.R. can be given ~~to~~ only one person. Dr. Aiyappan, the Superintendent, Govt. Museum, is not

9.
eligible for this concession as he was promoted as the Superintendent in 1940, and he does not require this concession as he had already been put in nearly 12 year of qualifying service before 1940 by virtue of his ^{former} ~~present~~ appointment as Curator (non-Gazetted) in the Museum. He is now 44 and by the time he retires, he will have put in more than 30 years of qualifying service. Further according to G.O. No.666, Finance(Pension), dated 12-7-48 the provisions of Article 404-A of the C.S.R. ^{are} ~~is~~ not applicable to him, as he was not a direct recruit to the post of Superintendent, Govt. Museum, but was only a promotee. The concession admissible under this Regulation may be extended to Sri R. Janardhanam Naidu, as he was a direct recruit to the post of Librarian of the Connemara Public Library at the age of 35 ^{in view of his} ~~qualifications~~. Finance may again see the case.

E.P.H. No. 52595-2 C2. Edu. 17-8-49.

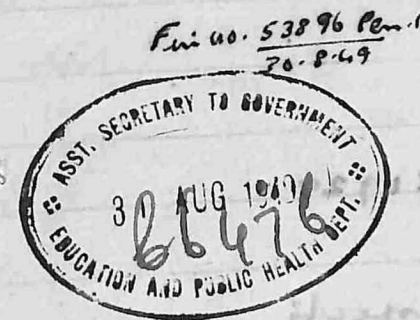

The previous Finance note on pp. 2-5 above and the E & P.H. note following may be perused.

E & P.H. recommend that the concession under Art. 404-A CSR may be given to Sri Naidu. E & P.H. themselves have agreed that the concession can be given only to one person viz. Sri Naidu as Sri Ayyappan was neither recruited to a Gazetted post nor requires the concession to qualify for full pension. But it has to be remembered that the extension of the concession to Sri Naidu will mean that the benefit under Art. 404-A CSR is given to two officers working during the same period (prior to 1939-40) since Mr. Gravely (who was also in service during 1929-39) ^{was} ~~had~~ already ^{entitled to} ~~enjoyed~~ the concession. ~~i.e. to say the benefit of the concession should be given to the post of Librarian originally held by Sri Naidu.~~ Orders were issued in G.O.No. 666 Finance (Pen) dated 2-7-1938 to the effect that the

benefit of Art. 404-A CSR should not be given to officers recruited on or after 2-7-1938. At the time of issue of those orders, the then existing incumbents were not debarred from the benefit of Art. 404-A CSR, presumably because they should not be adversely affected. The policy of the Government is to withdraw such concessions--for instance special additional pension under Art. 475-A CSR has been gradually taken away in respect of officers newly recruited to those posts. When that is the case, to confer at this distance of time the benefit of Art. 404-A CSR to an officer who hitherto had not enjoyed that concession will be against the policy of the Government. It is also noteworthy that though an officer with the same qualifications as that of Sri Naidu or Mr. Gravely is recruited to the post hereafter, he will not be entitled to the concession. In the circumstances, Finance may adhere to the view that there is no case for extending the benefits of Art. 404-A CSR to Sri Naidu. If E & P.H. wish to press their proposal, they may take orders in circulation including H.M.(Fin.) & H.P.

While Dr. Naidu has been discharging his duties of Librarian of the Connemara Public Library since 1929, it is not correct to say that he was, in 1929, directly recruited to the post which he now occupies. The two posts were, on the other hand, different. The Combined post of Curator of Museum & Librarian - to which alone the concession under 404-A C.S.R. is applicable - was held by Dr. Gravely until 1940.

Dr. Gravely although eligible for the concession did not utilise it, because he had no need to; and it is stated that Dr. Aiyappan, the present Supy of the Museum will also similarly not require the benefit of the concession. There is no doubt a plausible reason

financial policy, when A is entitled to a benefit but does not avail himself of it, to give that benefit to B who though not entitled to it, is in need of it.

Summarising note.

The file relates to the question of giving the benefit of Article 404-A C.S.R. to Sri Janardhanam Naidu, Librarian, Connemara Public Library, who attains 55 years of age on 23-8-49.

2. A history of the case together with the reasons justifying the grant of concession under Article 404 of the C.S.R. has been fully dealt in this department's note on pp 5-9 ante.

Finance yet consider that while Sri Janardhanam Naidu has been discharging the duties of the Librarian of the C.P.L. since 1921 and 1929, it cannot be stated that he was in 1929 directly recruited to the post which he now occupies to which alone the concession under 404-A C.S.R. is applicable. Finance also no doubt consider Dr. Gravely the former Superintendent of Govt. Museum and the Principal Librarian, C.P.L. although eligible for concession did not utilise it because he had no need to and also Dr. Aiyappan similarly the present Superintendent of the Museum

Sri D. Janardhanam Naidu who stands in need of it.
But the Finance consider it not a sound financial policy.
It may be pointed out in this connection that in the case of Sri K.V. Venkatasubramannia Iyer, ^{ret.} Professor, Law College, though ^{he was} ~~he~~ was not at the time of his recruitment included in the M.E.S. in which case alone he is entitled to the concession under Art.404-A C.S.R., ~~in fact~~ he was in fact granted the concession, as the post ~~was~~ ^{was} held viz., Professor, Law College, was subsequently ^{prev. to his retirement} specifically included in the M.E.S. In the circumstances, the contention of Finance at 'X' on page 10 ante may be met by stating that the post ~~now held~~ occupied by Sri Janardhanam Naidu ^{in 1929} was subsequently regarded as such. As Sri Janardhanam Naidu's case seems to be a special one taking all the ^{aspects} ~~with consideration~~ ^{land marks} of his career he may perhaps be permitted to avail himself of the concession of Ar.404 A.C.S.R. viz., adding a period of 5 years to the qualifying service ^{for pension.}

Dr. Naidu, Librarian, Connemara Library desires that as he was recruited at the age of 35, he may be given under article 404 of the C.S.R. the benefit of counting 5 years of service. Librarian was combined with that of the Curator of Museum and the post held by Dr. Naidu was not quite the same as the post held by him since 1939 when he was designated as Principal Librarian. It has been pointed out that there has been no difference in the duties of Dr. Naidu since 1929 which was one reason why Government refused to give him an increment when the independent post was created. The difference therefore was ~~not~~ only of nomenclature which should not deprive Dr. Naidu of his pension which will be only Rs 267/- instead of Rs 400/- if the benefit of rule 404A is allowed.
