Sir,

The term of office of the Board of Secondary Education constituted in G.O.No.1788 Education, dated 16th September 1946 for a period of three years from 21st September 1946 will expire on the 20th September 1949 and new set of members have to be appointed to the Board to function from the 21st September 1949. The Board has a strength of 25 members including the four ex-officio members, one of whom is the Principal, Teachers College, Saidapet. The Andhra University, Waltair has represented to me that the Principal, Government Training College, Rajahmundry should be appointed as an ex-officio member on the Board, giving him the same position as the Principal, Teachers College, Saidapet and also to represent the only teachers Training College in the Andhra area. I consider this claim as a legitimate one and recommend to Government that the number of ex-officio members may be increased from 4 to 5, thereby raising the strength of the Board from 25 to 26 in future.

The Madras, Andhra and Annamalai Universities have proposed the following persons to be their nominees on the Board of Secondary Education to be reconstituted now. On the assumption that the strength of the future Board will be 26 members, I have suggested the names of 8 out of the 11 members for the approval of Government in addition to the 5 ex-officio members and the 10 nominees of the three Universities in the Province. Government may fill up the three vacancies by appointing any of the *legislators named by me or other educationists as they like.
