Sir,

SUB:- Printing of Annual Examination Papers at a private Press - Payment of charges - at enhanced rates - Requesting sanction.

--- p.11 of 4 (P)

In their order No.433, Education dated 17-2-49 the Government approved my proposals to print the question papers in a private press.

Accordingly the work was entrusted to the Central Art Press, Madras in consultation with the Superintendent, Government Press.

The work was completed satisfactorily and in time.

The Printer has claimed a sum of Rs.8,400-13-0 for the work done but the Superintendent, Government Press has passed the bills for payment of Rs.7,328/- only.

I submit herewith a copy of the letter of the Proprietor of the Press.

The Superintendent, Government Press states that he has allowed the maximum permissible and that enhanced payment requires the sanction of Government.

The work was confidential and also urgent. Taking into consideration these two important factors, I recommend that the Government may be pleased to sanction the payment of the entire bill of the Printer viz., Rs. 8,400-13-0.

Yours faithfully,

to the D.P.I., Madras. ---

Dear Sir,

Re. PRINTING OF ANNUAL EXAMINATION PAPERS. 3

As directed by you we had sent 19 bills addressed to the Superintendent, Government Press, Madras, totalling to Rs. 8,400-13-0 as under:-

(i) We had charged Rs.6/- per page for English and other languages except Urdu and Malayalam.

(ii) Urdu and Malayalam were charged at Rs.7-8-0 per page - it will be remembered that in our letter dated 4th March addressed to you, we had definitely stated that we will be charging you more for Urdu, Malayalam and Canarese, though we have not charged more for Canarese.

(iii) The bill also included an amount of Rs.138-1-0 as packing and sealing charges. Here again we may draw your attention to the fact that we had to prepare special envelopes for the question papers, seal them and send them stitched in cloth.

(iv) An amount of Rs.11/- being the actual expenditure incurred by us by way of stamps in a parcel addressed to the Supdt., Govt. Secondary & Training School, Mettur Dam where Service stamps were not used.

R We regret that the Superintendent, Government Press, has passed our bills only for Rs. 7,238/- for cutting off an amount of Rs.1,162-13-0 which is too big an amount to be written off, in view of the fact that we had undertaken this work after having informed you of the rates at which we were prepared to do the same. May we request you to kindly address the Superintendent and see that this amount of Rs.1,162-13-0 is paid to us?

We give below a statement showing the amount of our bill and the amount for which these bills have been passed by the Superintendent for your information.

Sir,

Question papers -- Printing--Payment
of bill at enhanced rates to a private
press.

Ref: Govt. Memo. No. 51171 G2/49-2 Edn. dated 17.8.1949.

In reply to Government Memorandum quoted above I
have the honour to state that there was no written prior
agreement between me and the Press as there was no time to
draw up any formal agreements.

Before undertaking the work the Printer had definitely
quoted the higher rates. The Superintendent, Government
Press, had however stated that the higher rates cannot be
admitted.

Please see the letters enclosed.

In view of the extreme urgency of the work I assured
the Printer that the Government would be addressed for the
payment of the higher rates.

P.T.O.

Copy of the letter dated 4.3.49 from the Proprietor, The Central Art Press, Madras to the Director of Public Instruction, Madras.

I am writing this to confirm the receipt of question papers to be printed for the following schools: --

- | | |
|---------------|----------------|
| 1. Vellore | 5. Rajahmundry |
| 2. Coimbatore | 6. Polavaram |
| 3. Erode | 7. Vizagapatam |
| 4. Salem | 8. Mayavaram |
| | 9. Namakkal. |

As I told your P. in person these papers are given to me at a very late stage and I will not be able to complete printing these unless I work overtime and pay extraordinary wages to the workmen. As I said I would therefore have to charge you at the rate of Rs.6/- per page of foolscap quarto size.

Regarding question papers in Malayalam and Canarese I would have to charge you more, as I would have to purchase these types specially and regarding Urdu, since no types are available I would be printing these by getting a person to write out the questions in Indian ink, take out a block of these and then print this. I am not sure what this would cost, but you would have to bear the entire expenses.

The bearer, Mr. A. Veeraswamy, is my Manager and you may kindly hand over to him the papers you have with you,

Thanking you,

I am, Yours faithfully

As it was stated that it will not be practicable
 to get the question papers ^{printed} for educational institutions under
 the control of the Director of Public Instruction at the
 Government Press, the Director of Public Instruction was per-
 mitted to get them printed in a private press in consultation
 with the Superintendent, Government Press. The D.P.I. has
 now forwarded for sanction the amount claimed by the Private
 Press. The claim as put forth by the Private Press has been
 cut short by the Superintendent, Government Press by Rs.1162/13/- .
 The Superintendent, Govt. Press states that he has recommended
 the maximum permissible and that the enhanced payment requires
 sanction of Government. At the instance of D.P.I., E & P.H.

propose to sanction the enhanced payment. It is only urgent
 work entrusted to the private press, and even the rates asked
 by the private press have to be verified and passed by the
 Superintendent, Government Press before payment. The S.G.P.
 has, after scrutiny of the rate asked by the Private Press, dis-
 allowed Rs. 1162/13/0. E & P.H. may first be requested to
 put up precedent ^{if any} wherein the higher rate claimed by the
 Private Press over and above the rates recommended by the S.G.P.
 have been sanctioned. Ordinarily no payment is made in

The case relates to the

 tion of the Govt. - The Press in
 question has sent a bill for

 by the Supt., Govt. Press - The D.P.I.
 has recommended the payment
 of the entire bill of the private
 Press, in view of the fact that
 the work was confidential and
urgent - The Finance Deptt.
 advise in the above note that
 the Director's Recommendation
 should not be accepted and that
 the amount passed by the S.G.P.
 need alone be paid. For con-
 sideration whether the Reason given

an amount of Rs 1162-13-0 over and above the amount
certified as due by the Superintendent, Government
