From The Director of Public Instruction,

Cl.No. 41 /49 dated 1 June 1949.

Sir, Sub: Madras Educational Service - Professor of Psychology -
Presidency College, Madras - Appointment of.

The University of Madras has recently granted affiliation for the opening of Psychology under Part III in the B.A.course in the Presidency College, Madras. The Vice-Chancellor has informed me that the head of the Department of Psychology should hold a B.Sc.(Hons) or B.A.(Hons.) or M.A.degree in Psychology and that a person with Philosophy Honours or M.A.degree would not be considered qualified for that appointment. There is on that basis, no qualified officer in this Department who can be appointed to this post. None of the Universities in the Province is awarding Degrees in Psychology. In the circumstances it is necessary to appoint a person possessing a Degree in Psychology granted by any other University as professor on contract. If Government approve this suggestion I shall get into touch with persons possessing the necessary qualification and submit a report.

I request the early orders of Government on this reference.
Yours faithfully,

Office of the Director of Public Instruction

To

The Secretary to Government,
Education & Public Health Department,

Sir,

Sub: MADRAS EDUCATIONAL SERVICE - Post of Professor of
Psychology, Presidency College, Madras - Filling.

With reference to Government Memorandum No.44414-A-2,Edn., dated 22nd June 1949 I ~~wish~~ wrote to Dr.Kuppuswamy, Head of the Department in Psychology, Mysore University, to ascertain his willingness to accept the post of Lecturer. A copy of his reply is enclosed for your reference. He has also seen me to-day and has agreed to accept the offer, subject to the approval of the Mysore University, if he is given a salary of Rs.500/- per mensem with the usual Dearness Allowance and House-rent allowance and if the Madras Government agrees, also to pay the pensionary contribution which is not likely to exceed Rs.100/- per mensem.

I am anxious that Government should secure the services of this gentleman as he possesses the high academic qualifications and experience necessary for organising a new Department in the Presidency College. It may also be mentioned that the University of Madras declined to grant this year affiliation for the Honours Department in Psychology as it is their policy that such Departments should in future be run on a co-operative basis with the University which has a Department of its own and as the present Reader in the University was going out of India for a period of six months. The Honours Department can, therefore, be started only next year and it is very necessary that the person recruited now should be fit to be in charge of the Honours Department when it is opened. I may also add in this connection that Dr.Kuppuswamy was one of the two applicants who were recommended by the Public Service Commission for appointment as Principal of the Teachers' College on the scale of pay of Rs.800--100/2--1,000/-.

I, therefore, recommend that Dr.Kuppuswamy may be appointed for 2 years on the salary suggested in paragraph 1 above and that Government may, if they are pleased to approve this proposal, write immediately to the University of Mysore for the loan of his services for a period of 2 years. I gathered from Dr.Kuppuswamy that if such a request is made by this Government, there is not likely to be any difficulty in regard to its compliance by the Mysore University.

As the College is opening on the 4th of July and as the Department of Psychology is a new Department which has to be organised, I request that urgent action be taken on my letter.

Yours faithfully,

Copy of letter dated 27th June 1949 from Dr.B.
Kuppuswamy Naidu, Maharaja's College, Mysore.

Thank you very much for your D.O., dated 25th inst., which I received only this morning since yesterday was Sunday. I thank you for the kind offer you have made. I should indeed be very happy to organize the Department of Psychology in the Presidency College, Madras.

As regards obtaining permission from the Mysore University, I shall be very glad if you will ask the Government of Madras to write to the Government of Mysore to lend my services for a period of two years to organize the Department.

With respect to the salary I feel that it will be impossible for me to maintain a decent standard of life at Madras with Rs.400/- I am now getting Rs.385/- with Free Quarters. In a few weeks I will be getting Rs.75/- more when I am placed in the higher grade. So I request you to recommend to the Government to give me the Maximum in the grade and also to contribute to my pension fund with the Government of Mysore.

Permit me to bring to your notice that my junior, Dr.N.S.Narain Sastri who was getting Rs.200/- here has been appointed in the Indian Institute of Science, Bangalore, as an Assistant Professor of Psychology on Rs.600/- in the grade of Rs.600 to 800 last year. Another Lecturer Sri N.C.Shankaranarainrao who was getting Rs.100/- here last year is now appointed an Assistant Professor at the Government Teachers' College, Jubbalpur on Rs.350/-. So I feel that Rs.400/- and that at Madras, where the cost of living is so high, will be very inadequate.

I shall be very happy to meet you at Madras on Thursday 30th inst., and discuss the matter personally. Kindly send me a wire in case you will be away from head-quarters on the day.

The pay suggested by the Dir. for Dr.Kuppuswami Naidu is Rs.500 p.m. The doctor's present pay in the Mysore University is Rs.385 and, he says, he will be getting Rs.75 more (i.e., a pay of Rs.460) in a few weeks. Considering this, the Dir.'s suggestion may be accepted.

The period of contract may be two years, as recommended by the Dir. It may not be necessary to extend the period and the Commission need not be consulted for the appointment. There is a proposal to send a candidate abroad for higher studies in 'Psychology' and that candidate, after completion of his studies, may take the place of Dr.Naidu.

The payment of dearness allowance and house allowance to Dr.Naidu and of pensionary contribution to the Mysore Unty. may be sanctioned.

But Dr.Naidu is not an Indian Dominion subject. He is a Mysore State Subject. It seems that an authorization under section 262(4)(b) of the Govt. of India Act has to be issued for his employment.

Pub. (Ser.) and Fin. may see before circn. The Mysore Unty. will have to be addressed if the proposal is approved.

SUPERSESSION

38

Sir.—The Official item published in the papers of October 6 to the effect that Dr. B. Kuppaswamy Naidu, Assistant Professor of H.H. the Maharaja's College, Mysore, has been appointed Professor of Psychology at Presidency College on contract for two years cannot be allowed to pass unnoted as it involves supersession of a senior-most servant of Government in the subordinate collegiate service, who has put in about 30 years of service, and who is to retire at end of March 1950.

The Madras Government abolished Philosophy courses, Pass and Honours, from all Government colleges from about 1932, and this step blocked promotion of all Philosophy-men in subordinate service to the Gazetted Cadre, except two seniors, who got Saidapet, and the other in Rajahmundry Training College. When Government opened the B.A. Class (Junior only) in Psychology from this July, in Presidency College, the professorship should have been given automatically to Dr. B. Naga Raja Sarma. The Government did nothing of the kind. Instead, they have imported a professor from Mysore on contract for two years. The new professor did not join either in July, or in August, or even about ten students who have joined the Psychology group had no lectures. From 2nd September till the closure of Presidency College for the Michaelmas holidays, Dr. Naga Raja Sarma himself was directed to do part-time work in Presidency College. With effect from the 7th October he was unceremoniously superseded.

Why? The Madras University appointed a Commission to make a 'local inquiry' before granting affiliation in Psychology. The Commissioners were Dr. M. V. Gopalaswamy, Principal of H.H. the Maharaja's College, Mysore, and Dr. G. D. Boaz, The Commissioners, it is understood, declared all Philosophy M.A.'s and Ph.D.'s, unqualified to teach Psychology and laid down that the qualification should be a Degree in Psychology or in the case of a Philosophy M.A., that he must have answered a special paper in Psychology.

The recommendation was passed on by the Syndicate of the Madras University to the Director of Public Instruction, Madras, and to the Government. The Government did not advertise. They did not invite applications. But they appointed Dr. Naidu straightaway. The Madras University do not recognise Ph.D., D.Litt., etc., that are research degrees secured after homework. They want basic degrees got by regular passing of examination. It is not known whether Dr. Naidu has any such basic degree.

As for Dr. Sarma's qualifications to teach Psychology, at least 20 years before the Madras University and the Madras Government thought of the subject, Dr. Sarma had ment thought of research work in it, for the done advanced research work in it, original papers to the International Psychology Congress. He was the only Indian invitee to the Copenhagen session of the International Psychology Congress. His contributions on Psychology had been noticed years ago in the Psychological Abstracts (Princeton monthly, issued by the American Psychology Association). For years together he has been Examiner in Psychology for M.A. of different universities, including Calcutta. If Dr. Sarma, who can be Examiner for M.A., not qualified to teach Junior B.A.? If really, he had no qualification, why was he directed to do part-time work in Presidency College? Justice requires that Dr. Sarma should be made to officiate as Professor of Psychology in Presidency College till end of March 1950. Fiat Justitia.

2. The details of the qualifications of Dr. B. Kuppuswami
Naidu are given in the Annexure. He possesses a M.A. Degree in
Psychology of the Mysore University and a doctorate in the same
subject. In regard to his appointment and the alleged superses-
sion of the claims of Dr. R. Nagaraja Sarma the following remarks
are submitted.

(i) Psychology for the Pass Course has been introduced
in the Presidency College for the first time. As soon as
the University granted affiliation in respect of this sub-
ject, the Vice-Chancellor, University of Madras, was address-
ed to say whether the Officers in the department who have
taken Honours or M.A. degree in Philosophy could be consi-
dered for appointment as Professor of Psychology. He
would not consider such officers as qualified to be the
head of the Psychology Department and stated that the
rules required an Honours or M.A. degree in Psychology.
Even according to the Special Rules for the Madras Edu-
cational Service the position stated by the Vice-Chancel-
lor is correct. The Director had also a personal dis-
cussion with the Vice-Chancellor at which the claims of
Dr. R. Nagaraja Sarma were also carefully considered.

(ii) Among the Officers (Madras Educational Service
and Madras Educational Subordinate Service) of this depart-
ment, there is none who is qualified for the new post of
Professor of Psychology according to the University re-
quirements. Dr. R. Nagaraja Sarma and other Assistant
Professors and Assistant Lecturers in Philosophy, though
they may be competent to teach Psychology to a certain
extent, cannot be considered to possess the qualifica-
tion desirable for a Professor of Psychology, viz., -
Honours or M.A. degree in Psychology.

(iii) The appointment of Dr. Kuppuswami Naidu as
Professor of Psychology was recommended for three rea-
sons. Firstly, he possesses the desirable basic qua-
lification of second class M.A. degree in Psychology
and has specialised in that subject; he has had ex-
perience of teaching the subject upto the degree stand-
ard in the Mysore University and such an experienced
person is necessary to organise the new Department in
the Presidency College. Secondly, there is the need
for a full time Professor of Psychology in the
Presidency College, which is specially necessary throughout the
two years.

2. 40.

a new subject. If Dr. R. Nagaraja Sarma had been appointed to the post, his retirement in December 1949 would necessitate a change in Professorship, not to speak of the difficulty of getting the services of a suitably qualified person in the middle of the year. Thirdly, with the opening of Honours course in Psychology in the Presidency College, the Professor should be competent to handle the subject upto the Honours standard and participate in the teaching of the subject on inter-Collegiate basis.

(iv) The appointment of Dr. Naidu as Professor of Psychology does not at all imply the supersession of the claims of either Dr. R. Nagaraja Sarma or any other Officer of the Philosophy Unit, who can be considered for promotion only within that subject Unit. As it took some time for the appointment of Dr. Naidu to actualise and as it was considered undesirable to keep the students unengaged, the Assistant Lecturer in Logic, Government Arts College, Madras was asked to do part-time work in the Presidency College. This arrangement would have been made even if instead of Dr. Sarma there was any other Assistant Lecturer in that College, because it is recognised that all Honours men in Philosophy can do some amount of Psychology work also.

2. In the circumstances stated above, no further action is necessary on the inspired letter published in the press.

Kuppuswami Naidu since you will be in a position to know the substantive pay of the officer from time to time. If there is no objection on your part the adjustment may be made either quarterly, half yearly or annually as you may find convenient furnishing details for the amount debited. It is understood that the orders in para. 4 of the G.O. providing for a month's cash remittance were issued under the presumption that no adjustment in accounts is possible with the Govt. of Mysore and that if adjustments are possible payment may be made by book adjustment.

An early reply in regard to the periodicity of the adjustment may kindly be sent to enable this office to intimate the same to the Government of Madras for their information.

(C) 16 I have the honour to invite a reference to para-4
of G.O. Ms. No. 3057-Education, dated 4-10-49 and to state
that the expenditure incurred by Government on account
of contribution towards the allowances and the pension
of Dr. Kuppuswami Naidu has to be distributed proportionately
between the heads "37-Education" and "55-Superannuation" etc.
Orders of Government regarding the percentage which
should go to "37-Education" and that which should go
to "55-Superannuation" out of the consolidated con-
tribution viz. $\frac{1}{4}$ of the substantive pay of the
officer may kindly be issued at an early date as
necessary arrangements have to be made urgently.

Yours faithfully,

H. V. S. Srinivasan
Assistant Accounts Officer.

It seems that the A.G. may be asked to debit $\frac{2}{3}$ rds of the consolidated contribution to "Education" towards leave allowances & $\frac{1}{3}$ rd to "Super-annuation" towards pension. Fin. may kindly advise.

With reference to the enquiry of the A.G. in p.1 above, E.P.H. suggest that the contribution at $\frac{1}{4}$ of the substantive pay of the officer may be apportioned between leave and pension contribution in the ratio 2:1. This suggestion seems to be arbitrary and is not based on any principle.

FR 114 p 77 of Box 154

Usually when ^{Garfield} officers of this Govt are lent to other Govts, the leave contribution collected from the foreign Govt will be $12\frac{1}{2}\%$ of the pay drawn in foreign service while pension contribution will be $11\frac{2}{15}\%$ of the maximum of the scale of pay of the ~~post~~ substantive post held by the Govt servant. (a) the pension contribution will generally be higher than the leave contribution. It is however ascertained from A.G.'s office that the contributions received from other Govts towards officers of this Govt. lent to them are credited.

to "55 Superannuation" without ^{drawing} making any subtle distinction between leave and pensionary contributions separately. On this analogy, the lumpsum contribution in this case may be debited to "55 Superannuation".

E.P.H. may be requested to consult also the A.G. on the above suggestion.

Res. ^{MD} 21.6.50 ^{21.6.50} When a consolidated contribution for leave & pension is made, as in this case, there seems to be no need to split it up and show it ^{under} two heads '37 Edn' & '55 ^{Superann}'. It may be pointed out that when we receive from local bodies the leave & pension contribution as a combined amount, the latter sum is credited to "XLIV - Receipts in aid of superannuation". It is not credited partly under this head & partly under the former head of the Dept. concerns - see para 178 of the Board Memo for 1950-51.

The A.G. has not so far objected to the procedure indicated above. On the analogy of the accounts of contributions received, contributions paid may be debited entirely 'under' 55.

cf. 4

There is no need to split up the consolidated contribution made by the Govt. towards the leave allowances & pension of Dr. B. Kuppuswami Naidu & show it under two separate heads - "37. Encl." & "55 - Superannuation". The contributions recovered for the leave salary & pension of officers lent by the Govt. to local bodies, etc. are credited entirely to "XLIV - Receipts in aid of superannuation". On that analogy, the A.G. is requested to debit the entire amount of contributions in Dr.
