Sir,

Sub: Colleges -Teachers' College, Saidapet - Opening of
a Nursery or Pre-Basic class in the College.

The Principal, Teachers' College, Saidapet has submitted a proposal for the opening of a Nursery or Pre-Basic Class in the College, stating that the absence of a nursery class is a serious defect in the organisation of the Kindergarten section of the College as a lot of useful training in the Kindergarten has not been possible for want of the necessary facilities. The Principal proposes the opening of the class in January 1949 itself so that it may be in an organised condition from the beginning of the next ~~XXXX~~ academic year when the Basic Education will be introduced as an optional subject in the Basic Training course. The proposal involves the employment of a nursery trained teacher in the scale of pay of Secondary Grade teachers and a helper in the scale of pay of Peons and a non-recurring expenditure of Rs.1,500/- for providing furniture, mats, planks, cup-boards, wash basins, pictures, toys and such other necessary equipment. It is reported that necessary accommodation for holding the class is available. The Principal proposes to levy a fee of Rupee One a month. With a strength of 20 pupils the ultimate annual fee income will be Rs.200/-. The fee income during the current year will be Rs.60/-.

2. Though the proposal is new I request that Government may kindly sanction the opening of the class from January '49. I shall apply for additional funds required in the current year when submitting the final Revised Estimate for 1948-49.

3. The estimated expenditure will be as follows:-

1948-49:-

Recurring:

Pay of one trained teacher at Rs.45/- for 2 months.	Rs.90/-
1 Helper at Rs.16/-	32/-

122/- 1622
or
1,500 1600

Non-Recurring:

Equipment.

Ultimate:

Average pay of a teacher.	810
-do- a Helper.	252
Contingencies;	750
	1862 or 1800/-
