Roc.85 Cl/49 dated 6-7-1949.

Sir,
Sub: Madras Educational Service - Sri M. Srimanbothar
- Lecturer in English, Teachers' College, Saidapet -
Extension of leave.

In G.O.No.Ms.229 Etn., dated 23-3-1949, Sri M.Srimanbothar was granted leave on average pay with medical certificate from 5-1-1949 to 3-4-49. Though the Medical Board which examined him, recommended four months' leave from 5-1-49, he was granted leave upto 3-4-49 only with permission to affix the summer vacation from 4-4-49 to 19-6-49 to his leave. Now the vacation period also has to be treated as leave.

2. The lecturer has applied for extension of leave with medical certificate. A copy of his letter dated 16-6-49 and the original proceedings dated 25-6-49 of the Medical Board are submitted herewith.

3. As recommended by the Medical Boards which examined Sri M. Srimanbothar on 29-1-49 and 25-6-49, he may be granted leave with medical certificate from 4-4-49 to 4-9-49 in continuation of the leave already granted to him in the G.O. quoted above.

4. The undertaking from the Lecturer with reference to Note 3 under F.R. 81 will be obtained and submitted.

Yours faithfully,

for Director of Public Instruction.
Advance copy to the Secretary to Government,
Education and Public Health Department, Madras.

Copy of the Lecturer's letter referred to above.

I am due to join on the re-opening day of the College, i.e. the 20th of June, this month. But though I have made some slight progress, I have not yet completely recovered, and therefore I request you to extend my leave. In extending my leave I have to apply for leave for the vacation period, as there is no possibility of my attending the College on the re-opening day. That means roughly leave for two and half months i.e. April, May and one half of June. In addition to that I may require leave for my own self. The doctor assures me that he will make me recover completely in about a month. But I should like to stretch it a bit and make all allowance for mistakes. Considering all these things I request that I may be given leave (whatever kind of leave is available to me) roughly for the first half of the long term. That is roughly it will come to about five months, two and half months for the summer vacation and the remaining two and half months for myself. ~~summer-vacation-and-the-remaining-two-and-half~~ If however, by the Grace of God I recover earlier I shall join duty earlier. It is only as a precautionary measure that I apply for leave for this period.
