From Dr.T.K.Gopala Aiyer, L.M.P., L.P.H., Commissioner in charge and Municipal Health Officer, Pollachi.
To The Secretary to Government, Education and Public Health Department, Madras.
Thro' The Chairman, Municipal Council Pollachi.

Roc.No.B4.2723/49. Dated 13--7--1949.

Sir, Sub: - Subsidy and Loan - Pollachi Municipal Council for construction of new High school Buildings.

Ref: - G.O.Ms.No.1134. Education dated 12-4-49.

In G.O.No.Ms.No.1134 Education dated 12-4-49 the Government has been pleased to sanction a subsidy of Rs.35,000/- and loan of Rs.95,000/- for the construction of the rear block of the New Municipal High school buildings.

It was first thought that the cost of constructing the front block of the new Municipal High school buildings will be met entirely by Public donators, but unfortunately the Pollachi Municipal High school building fund committee was able to collect only a sum of Rs.53,000/- for the purpose. The Committee handed over the above amount to the council and dissolved itself and hence no further financial help from that body will be received. The estimated cost of the front block of the building is Rs.1,63,000/- as per plans and estimates approved by competent authorities. The work of constructing the front block at the estimated cost of Rs.1,63,000/- has been given on contract and the work is in progress. It is expected that the work will be finished by 31-12-1949. A sum of Rs.75,000/- only inclusive of the amount of Rs.53,000/- given by the building Fund Committee has been provided in the budget estimate for 1949-50. As the front block will be completed during the year a total expenditure of Rs.1,63,000/- will have to be met.

Even though a maximum subsidy of Rs.35,000/- has been sanctioned, a sum of Rs.12,500/- has been sanctioned for payment in 1949-50. As the front block will be finished during the current year the entire subsidy of Rs.35,000/- may be sanctioned for the front block for disbursement during the current year.

The loan of Rs.95,000/- has been sanctioned for the rear block. It may be kindly be sanctioned for the front block as the council will not be able to meet the expenditure for the same without a loan from Government. The construction of the rear block will be taken up in 1950-51 or 1951-52 only.

Necessary application for loan for publication in the Fort. ST. George Gazette will be submitted on receipt of orders from Government.

A copy of the council's resolution No.230 dated 10-6-49 is enclosed for favour of information.

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION, MADRAS
Re.1735-G4-49 dated 29-8-49

Subsidy and Loan--Pollachi Municipal Council--Construction
of new High School buildings.

Re. 53998-B1/49-1 Edn. dated 19-7-49 forwarding
Director's remarks the letter Re.No.B4-2723/49
dated 13-7-49 of the Commissioner, Pollachi Municipality.

Resubmitted.

The plans and estimates relating to the front block of the
Municipal High School, Pollachi, were also approved by the Director
in this Proceedings. Re.2605-G2-48 dated 21-12-48 and the cost of
the approved Estimate is Rs.1,63,000/- under the circumstances explained
by the Municipal Council, the Municipal Council may be permitted to
utilize the subsidy sanctioned in G.O. Ms. No.1134 Education dated
12-4-49 (for the rear block) towards the construction of the front block
and the request of the Municipal Council to utilize the proposed loan
towards the construction of the front block may also be admitted.

Since the Commissioner states that subsidy can be claimed
in full upto the maximum extent of Rs.35,000/- during the current year,
it may be allowed to do so.

Incidentally a copy of the reply No.B4-2723/49 dated
11-8-49 of the Commissioner is enclosed herewith. The Commissioner
states that the rear block will be taken up in January '50 and requests
that a subsidy of Rs.50,000/- may be sanctioned during 50-51. But
since one scheme relating to the same school is admitted for subsidy
for the current year and since the maximum subsidy of Rs.35,000/- is
being allowed towards the same it is not desirable that another scheme
relating to the same school should be admitted for provincial subsidy
within so short a time. Further it is very doubtful if the Municipal
Council can undertake the construction of the rear block in 50-51 at all,
after finishing the front block. For the present the Municipal Council
may therefore be informed that Provincial subsidy cannot be sanctioned
towards the rear block and therefore it should be carried out only from
the Municipal funds or by collecting public donations.

Sub:--Subsidies--construction of buildings--Municipal High School, Pollachi--Construction of new buildings.

p-1 note

Instead of the rear block the construction of the front block of buildings for the Municipal High School, Pollachi has been undertaken. The work, estimated to cost Rs.1,63,000/- was given on contract in March '49 and the work is in progress. It is expected that the construction of the front block will be finished by the end of December 1949. Hence the Government has been requested in this Office letter Roc.No.B4.2723/49 dated 13-7-49 to permit the drawal of the subsidy of Rs.35,000/- during the current year for the front block.

The amount of subsidy that will be claimed towards the work of the construction of the Front Block during 1949-50 will be Rs. 35,000/-

The construction of the rear block will be taken up in January 1950 and a subsidy of Rs.50,000/- may be recommended for the same for sanction during the year 1950-51.

Roc.No.B4.7764/49 Dated 1--9--1949.

Sir,

Sub:- Loans and grants - Pollachi Municipal Council - requirements in 1950-51 - information - furnished.

Ref:- Government Memorandum No.34426-D1-49 dated 6-8-49.

In G.O.Ms.No.1134, Education dated 12-4-49 the Government were pleased to sanction a subsidy of Rs.35,000/- and a loan of Rs.95,000/- in 1949-50 for the construction of the rear block of the Municipal High school Buildings, Pollachi. As the construction of the front block has been taken up and as the work is in progress, the Government have been requested in this office letter Roc.B4.2723/49 dated 13-7-49 to permit the utilisation of the grant and loan for the same, due to the circumstances explained in the letter.

The estimated cost of the rear block of buildings is Rs.1,60,000/- and it is proposed to take up the work for execution ~~in 1950-51~~ in 1950-51 as it is expected that the construction of the front block will be completed before 31-3-1950. The Council will be able to provide only a sum of Rs.60,000/- from its own funds for the construction of the rear block. Since the work has been taken ~~up~~ up and is in progress it has to be completed as accommodation has to be provided for the increasing number of pupils seeking admission to the school.

The Government may therefore be pleased to sanction a grant of Rs.35,000/- and a loan of Rs.65,000/- during 1950-51 for the construction of the rear block of the Municipal High school Buildings, Pollachi.

2. As a donation of Rs 53,000 has been received
by the municipal council towards the cost of construction
of the front block, it will be sufficient to take a
loan of Rs 75,000 to meet the council's share of the
cost of construction of the front block. The commissioner
may submit the necessary application for a loan of this
amount with a copy of the Council's resolution for the loan.
