The Government have permitted the local bodies to incur
expenditure not exceeding Rs. 100/- per annum on repairs to the
rent free buildings in which Elementary schools are located and
this limit was increased to Rs. 200/ per annum in G.O.No.2205 Edn.
dated 29.12.1945 temporarily for a period of one year in view of
the increase in price of materials and enhanced labour charges.

A portion of the Board High Schools at Hubbathalai and
Manjoor is located in rent free buildings and the Divisional
Engineer (Highways) Ootacamund has sent an estimate for Rs. 200/
for repairing the rent free building in which a portion of the
Board High School, Manjoor is located. I, therefore, request that
the Government may be pleased to accord sanction to incur expendi-
ture not exceeding Rs. 200 per annum on repairs to each of the
rent free buildings in which a portion of the Board High Schools
at Hubbathalai and Manjoor is located.

2x The incurring of expenditure on rent free building is admissible in the case of elementary schools but such a course does not seem to have been permitted in respect of Secondary Schools. But as the buildings for which ~~xxx~~ repairs have to be carried out are given to the District Board ~~xxx~~ rent free for educational purposes the expenditure towards ~~xxx~~ repairs to them has to be met only by the District Board as in the case of elementary schools. It is therefore suggested that the request of the Special Officer to incur ~~the~~ expenditure towards repairs to the 2 buildings under question upto a maximum of Rs.200/- towards each building may be permitted as a special case. ~~the~~ District Board may also be informed that the incurring of the expenditure is subject to the following conditions.

1. the District Board should be satisfied as to the necessity for the permanent continuance of the schools located in rent free buildings and that the schools continue to enjoy recognition.
2. the owners should agree not to resume the building so long as they remain in a state of good repair
3. the District Educational Officer should be satisfied about the need for such repairs.

Attention is invited in this connection to the safeguards provided under Item IX (Repairs to rent free buildings in regard to Elementary schools) in G.O.No. 1149 Education dated 24-6-40.

(B) The Board High School, Hubbathalai is having permanent Recognition while ~~the~~ the Board High School, Manjoor is having temporary recognition till the end of 1949-50
