No. D-1-1784/49 dated 12th February 1949

Sir,

Sub:- Stationery - Offices of the Deputy Inspectors of
Local Boards - Flat file cases - supply -
Ref:- Your letter No.36246/48 dated 20-1-1949 addressed
to the Secretary to Govt., Edn. & P.H. Dept., Madras.

The original scale of supply of 50 flat file cases II sort
ordinary was enhanced to 350 (250 ordinary and 100 urgent) to all the
Deputy Inspectors of Local Boards as per G.O.No.1831 Education, dated
20-9-1940. So the entire supply would have been made to the three
Deputy Inspectors of Central Range, Vellore, Northern Range, Vijayavada,
and Southern Range, Tiruchirappalli during 1940 or subsequently.

The full supply of 500 flat file cases (375 ordinary and
125 urgent) was made to the Deputy Inspector, Western range, Coimbatore
as per Govt.Memo.No.10818-3B-L.A., dated 24-5-1946.

Please let me know in consultation with the ^{above} three Deputy
Inspectors whether the full quantity of 350 flat file cases were not
supplied to each of them during 1940 or in the subsequent years.

[P.T.O.]

6
Please also ascertain from them and inform me about the actual number of flat files now in use with them. The reason for the vast difference in the number of pads required by the ranges may please be explained. As my remarks are due to Government, please send an early reply.

Ref: Your letter ROC. 36426/48 dated 4-4-1949.

I invite your attention to rule 136 of Stationery Manual Vol.I and request you to instruct the Deputy Inspectors to get the damaged pads repaired locally if possible or elsewhere to send them to Superintendent Government Press, Madras for repairs as required under the Rule. On receipt of a certificate from the Superintendent, Government Press, the number of pads actually condemned by him as beyond economical repairs will be replaced by this department. This does not require Government's sanction.

Please let me know whether the number of pads noted against each range under the head 'Number now required' covers the existing sanction or is in addition to it.

Government have introduced in G.O.No. 1371 Edn. dated 16-7-1946, the use of flaps with tape white and red as substitutes up to 50%. Please let me know to what extent these may be substituted to each range.

Please also state the number of ordinary and urgent pads and flaps you now recommend to each range, taking into account the above circumstances.
