Sir,

Elementary Education Fund - Anantapur District Board - Advance subsidy in respect of expansion of elementary education - Payment - Sanction - Requested.

Owing to nonreceipt of Government orders sanctioning the payment of monthly instalments of subsidies in respect of Compulsory Elementary Education and expansion of Elementary Education till the end of August 1949, the general funds of the District Board were utilised for payment of salary bills of Elementary School teachers for the months of April 1949 to July 49. The closing balance for June 1949 under Elementary Education Fund is 1,65,083-14-9. As there is no sufficient amount under General Funds it is not possible to meet the expenditure towards the salary bills of elementary school teachers for August 1949 to be paid within 10-9-1949.

2. Though the Government orders (G.O.No.2322 Edn., dated 18-7-1949) for payment of monthly instalments of subsidy in respect of compulsory Elementary Education has since been received in this office (i.e., on 29-8-1949) and though the amount due for five months from April 1949 to August 1949 is adjusted within 5-9-1949) it would hardly be sufficient to pay the salary bills for August 1949. I therefore request that the Government be pleased to grant advance subsidy of the full amount on account of Expansion of Elementary Education immediately if Government orders in respect of the same subsidy can not be issued before 10-9-1949.

3. The favour of very early orders is solicited.
