No. F.20-84/48-MI.
Government of India.
Ministry of Health.

Urgent.

New Delhi, the 25th April, 1949.

From

J.N. Saksena, Esquire, B.A.,
Under Secretary to the Government of India,
To All Provincial Governments.

Subject:- Extension of the period of financial assistance already granted to demobilised medical licentiate studying at the Lake Medical College, Calcutta.

32343

Sir,

I am directed to say that some students admitted to the June, 1947, Session of the Lake Medical College, Calcutta, for a 12-month course which was scheduled to end in May, 1948, could not sit for their final examination in June, 1948, on account of the strike launched by students of certain Colleges affiliated to the Calcutta University. As the demobilised medical licentiatees were prevented from finishing their studies within the prescribed period of 12 months under circumstances beyond their control, the period for which financial assistance was admissible to them had to be extended up to the 19th September, 1948, when the Final M.B. Examination finished.

2. As a result of the postponement of the examination mentioned in paragraph 1. above, the subsequent examination which was scheduled to start in November, 1948, actually commenced on the 3rd January, 1949, and ended on the 15th February, 1949. As it is likely that similar delays will occur in future also, the Government of India consider that in order to save the trainees from hardship, the period for which financial assistance is granted to demobilised medical licentiatees admitted to the Lake Medical College, Calcutta, should cover the entire period of a trainee's stay at the College up to the date of the completion of his final examination. The Government of India will bear 50% of the extra expenditure involved provided the Provincial Government agree to bear their share of the expenditure, which will be only in respect of the monthly maintenance allowance.

3. I am accordingly to request that necessary orders may kindly be issued as early as possible. This concession will also apply to the students who took their Final M.B. Examination in February, 1949.

Yours faithfully,

J.N. Saksena

Under Secretary.
