In continuation of Provincial Board's No.66-B/47/MPB dated 27.6.46.

So far the number of candidates that are forthcoming are as follows:--

DISTRICT.	SECONDARY GRADE.	ELEMENTARY GRADE.
Malabar.	41	162
Tinnevelly.	10	50
Kistna.	-	103
West Godavari.	-	26
Cuddapah.	1	8
South Arcot.	1	3

The lack of representation from other districts may be partly due to the fact that a good drive has not been made yet and partly due to the domestic ties that hinder them from taking advantage of the scheme. If there is to be an appreciable response to the scheme, it is imperative that the rules governing the training and the stipends allowed should be published in Fort St.George Gazette as well as in the important daily papers four or five months in advance of the actual date of commencement of training. There should also be an assurance that the successful candida will be provided with employment in their native villages. Then alone can we expect to get the maximum number of candidates.

As regards the method of educating those who are not sufficien qualified, it is considered that expert advice can be had from your side rather than from the Provincial Board. But it is suggested for what it may be worth that a preparatory class may be conducted at some important centres with Hostel facilities and intensive training given for 1 or 2 years to educate them to reach the required standard before they can be passed on for teachers training. This will regidly apply to candidates selecte for Secondary Grade where coaching in English is the primary factor. As regards Elementary Grade, since all subjects are now taught in vernacular up to V Class, English education need not be insisted upon from the candidates. If this principle can be applied, more candidates will be coming forward.

?

The scheme may please be expanded to include all female dependants as in the case of the previous one and not merely confined to wives and widows.

Your obedient

MADRAS PROV

Abstract.

Schools - Training - Additional teachers for compulsory elementary education - Opening of additional classes - Stipends at increased rates - Orders - Passed.

Education and Public Health Department.

..

G.O.No.Ms.1018, Education. Dated the 21st May,1946.

...

From the Director of Public Instruction, No.33.S.G./45,dated the 28th March,1946, and 6th April, 1946 and No.891 E/45,dated the 3rd November 1945.

--

Order:

The Government have examined the proposals of the Director of Public Instruction for the training of additional teachers require for the introduction of compulsory elementary education in the Province. They consider, however, that for the present, it is enough if arrangements are made for the training of 4,000~~xxtudex~~ additional teachers with effect from the school year 1946-7 and that half of the number of trainees may be of the secondary grade and the other half of the elementary grade. They accordingly sanction the opening of 100 new training classes in 1946-47. 50 of the secondary grade and 50 of elementary grade, the classes being attached to existing training schools or High Schools. Opening of new schools or new sections in High Schools should be resorted to only if the required number of additional classes cannot be provided in the existing training schools. Proposals for fresh admission into the training classes should be brought forward as a Part II Scheme for 1947-48.

2. The Director of Public Instruction is authorized to incur expenditure on each class not exceeding the scale mentioned below:-

Staff: Secondary Grade.

1. L.T.Assistant on Rs.70/- a month for a total period of 12 months

Elementary grade.

1. L.T.Assistant on Rs.70/- a month for a total period of 30 month

Contingencies Rs.10/- a month.
Equipment. Rs.1,000/-

If the training classes are attached to Board Schools or aided schools the entire additional expenditure will be met from Provincial funds.

The cost of additional accommodation to be provided for the classes will also be met from Provincial funds, if necessary.

3. The Government approve the proposal of the Director of Public Instruction that the existing 2 year course for secondary grade training may be held in abeyance during 1946-47 and that a course of 1 year duration may be conducted instead.

They also approve the proposal of the Director that candidates who are ineligible for the University courses of study but who are eligible for admission to the examination held by the Madras Public Service Commission for selection of eligible candidates for cleric posts may be admitted to this course.

The courses of training for the elementary grade will continue to be of two years duration as at present.

14

The Government direct that the rate of stipends for candidates under going elementary grade and secondary grade training may be raised from Rs.8/- to Rs.12/- and from Rs.12/- to Rs.18/- a month respectively. The enhanced rate will be applicable to candidates to be admitted for secondary and elementary grade training courses in 1946-47 until they complete their training and also to candidates in the secondx year classes in courses started in 1945-46.

5. The extra expenditure involved on account of the grant of increased stipends to students undergoing training in the existing training schools will be debited to the relevant budget heads. The extra expenditure on account of the opening of the additional training classes/schools will be debited to the budget head "Post war Reconstruction" under the appropriate sub-heads. The Accountant-General is requested to admit the expenditure in audit pending provision of funds.

6. The orders on the Director's proposal to liberalise the grants for aided training schools will be issued separately.

(By Order of His Excellency the Governor).

Secretary to Government.

Sir,

p.15-16 ante

Ref:- Government Memorandum No.34909-C1/46-3 Edn., dated 10-9-46.

I have the honour to enclose a statement furnished by the Secretary, Madras Provincial Sailors' Soldiers' & Airmen's Board showing the general educational attainments of the candidates mentioned in his letter No.66.B/51/MPB dated 1-8-46 and to offer the following remarks on the suggestion that preparatory classes may be conducted for the benefit of those dependants of soldiers who desire to complete their general education so as to make them fit for undergoing teachers' training:-

p.7 ante

P.T.O.

2) In regard to secondary grade students I submit that no preparatory classes can be arranged for those who do not possess the required qualifications. They should either join secondary schools and get their S.S.L.C. or appear privately for the Matriculation or Senior Cambridge examinations.

3) As regards Higher grade training, some preparatory classes were conducted in the past when candidates were not available in large numbers. Such classes have now been abolished. The number of candidates who applied for training this year was over 13,000 but only about 9000 were admitted. Arrangements have got to be made to admit at least 12,000 for next year. Hence it is impossible to attach any, preparatory class to any existing training school.

4) In the case of candidates now under reference, those who have studied standard VIII or III Form and cannot join an ordinary school again, I recommend that they may be given permission to appear for the E.S.L.C Examination as private candidates.

5) In the case of men, the army authorities opened preparatory classes to make them fit for higher grade training (Vide G.O.No.Ms.354 Edn., dated 19-2-46). The Same arrangement by the military authorities is suggested in the case of these women, After they are coached up to the E.S.L.C. standard, the Inspectress and the Headmistress of a Training School can test them and if found fit they can be admitted for higher grade training.

put up in [illegible]

6) In the case of women who have got only I or II Form or 6th or 7th Standard qualification it is not possible to arrange for a short refresher course to bring them up to the E.S.L.C. standard. Wherever possible, these candidates may join the ordinary secondary or Higher Elementary Schools. The Govt. may encourage them to do so by awarding them scholarships to cover the cost of their schooling.

EXPLANATORY NOTE.

In June 1946, 12 Government sanctioned a scheme for the training of young wives and widows of soldiers as teachers. The question of sanctioning a scheme for wives and widows of soldiers, who desire to complete their general education so as to make them fit to undergo teachers' training, was deferred pending receipt of information regarding the number of such candidates and the method of educating them. The question has since been considered fully. The D.P.I. has suggested that wives and widows of soldiers who have passed I or II form or 6th or 7th standard may join the ordinary secondary schools or higher elementary schools and remain there till they pass Form III or the E.S.L.C. Examination. To encourage them to do so, it is suggested that scholarships, book allowances and exemptions from payment of tuition and special fees may be granted to them. There are about 86 candidates possessing varying standards of education and it i estimated that it will take 3 years to bring all of them up to the E.S.L.C. or Form III standard. This Dept. proposed that each of them ~~may~~ might be granted a scholarship of Rs. 20/- p.m. for 10 months in a year in addition to a book allowance of Rs. 10/- p.a., and exemption from tuit and special fees. The Finance Dept. ha~~s~~ suggested a reduction in the rate of scholarship from Rs. 20/- to Rs.

Rs. 14/- p.m. This has been agreed to by this Deptt. This Dept. accordingly recommend that provision may be made for the scheme in the B.E. for 1949-50 as shown in the summary at the top.

In G.O.No.1182, Edn., dated 15-6-46, the Govt. sanctioned a scheme for the training of young wives and widows of soldiers as teachers. The question of sanctioning a scheme for dependents of soldiers i.e. wives and widows who desire to complete their general education so as to make them fit for undergoing teacher's training was deferred pending receipt of information regarding the number of such candidates and the method of educating them.

In his letter, dated 1-8-46, the Secretary, Madras Provincial Sailors Soldiers and Airmen Board suggested that a preparatory class might be conducted at some important centre with hostel facilities and intensive training be given for one or two years to educate them to reach the required standard ~~be fo~~ before they could be passed on for teacher's training. He recommended that in the scheme might be included all female dependents and not merely confined to wives and widows. He also forwarded the number of candidates that were to be given a preliminary education ~~a~~before they become fit for undergoing training. The D.P.I. who was consulted offered his remarks on the various grades of training, which will be found on pp.19-20 c.f.

p 20 cf

SECONDARY GRADE TRAINING: The D.P.I. says that preparatory classes cannot be arranged for those who do not possess the required qualifications. He says that they should either join the secondary schools and get the S.S.L.C. or appear privately for Matriculation or Senior Cambridge examinations.

HIGHER ELEMENTARY GRADE TRAINING: For the reasons stated by him in para 3 of his letter on p.20 c.f. the D.P.I. says that it is impossible to attach preparatory classes to any existing training schools.

The D.P.I. recommends that those who have studied standard VIII or III Form and who cannot join an ordinary school again may be given permission to appear for the E.S.L.C. examination as private candidates or that the military authorities may make arrangements similar to the one they had for men by opening preparatory classes. After they are coached upto the E.S.L.C. standard, the Inspectress or Headmistresses can test them and if found fit they can be admitted for higher grade training. /X

THOSE WHO HAVE ONLY I or II FORM OR 6th or 7th STANDARD QUALIFICATION:- The D.P.I. says that it is not possible to arrange for a short refresher course to bring them up to E.S.L.C. standard. He suggests that ~~whaxax~~ wherever possible these candidates may join the ordinary secondary or higher elementary schools the Govt. encouraging them to do so by awarding them scholarships to cover the cost of their schooling. The Director has not stated how many scholarships should be granted and what the value should be. The cost cannot be considerable as the number of such candidates is only about 20 and it may suffice if a scholarship of about Rs.12 or Rs.15 is given. The cost involved will not be more than Rs.3,600.

[From The DPI Roc No. 135-W.1/46 d/29-7-48] p33 cf

Please see the reply from the DPI at page 33 cf. He has obtained a fresh statement showing the number of young wives and widows with 1st Form, II Form and VIII Standard qualifications who ~~may [illegible]~~ ~~[illegible]~~ have to continue their studies in the ordinary Secondary Schools or Higher Elementary Schools. The cost involved in the proposal is given at 'A' on p 33 cf. The Madras Sailors, Soldiers

and Airman's Board has suggested Rs 30/- to be paid as Scholarship for each pupil and the DPI has taken this amount for working out his estimate. It is presumed that the DPI agrees to the amount of Scholarship suggested by the Madras S.S. and Airmens Board. This Dept. proposed previously that it might be sufficient if the Scholarships were of the value of Rs 12 or 15/-. The stipends paid to students undergoing Higher Elementary and Secondary grade training are Rs 12 and Rs 18 p.m. respectively. Following this the Scholarships proposed for the young wives and widows of Soldiers may be fixed at Rs 20/- p.m. to be very liberal. If this figure is accepted the cost per year will be as follows.

The proposal is to grant educational concessions to young wives and widows of ex-servicemen with I Form, II Form and VIII Standard qualifications for continuing their studies in the ordinary Secondary Schools or Higher Elementary Schools upto the E.S.L.C. standard with a view to enable them to undergo the Higher Elementary grade teachers.training. It is proposed to grant them scholarships of Rs.20 p.m. for ten months in a year and also a book allowance of Rs.10 p.a. The candidates are also to be exempted from the payment of tution and ~~of~~ special fees. The number of candidates who will have to be granted the scholarships and concessions is reported to be 86 in the first year, 77 in the second year and 37 in the third year. The total expenditure involved in the proposals during the first three years will be as follows:-

A

		Scholarships @ Rs.20/- for 10 months.	Book allowance @ Rs.10/- p.year ~~for 10 months.~~	Total

(With reference to the orders in G.O.No.610 Edn. dated 20-12-45, the candidates will be eligible for exemption from payment of tution fees and special fees which work out to Rs.4,300/-, 3,850/-, and Rs.1,850/- in the first, second and third years respectively)

The proposal may be agreed to in Finance, subject to the following remarks:-

C1

In G.O.No.1182 Edn., dated 15-6-46, similar educational concessions were granted to young wives and widows of ex-servicemen for undergoing Secondary and Elementary Grade training in the Training Schools. The candidates were allowed stipends at the usual+ rates of Rs.18/- p.m. and Rs.12/- p.m. for the Secondary and Higher Grade training courses respectively and residential scholarships at Rs.10/- p.m. for the period during which they ~~are~~ were granted stipends, if they resided in approved hostels during the period of training. The candidates in the present case should ordinarily be allowed scholarships at Rs 4/- p.m. for 9 months in the year, which is the rate at which scholarships are granted by the Govt. to pupils studying in I to III Forms in Secondary schools. However, as it is not proposed to pay a separate residential scholarship in the present case, it seems that the candidates may be allowed scholarship at a uniform rate of Rs 14/- p.m. for 10 months in a year, irrespective of whether they reside in a hostel or not. The candidates may also be allowed a book allowance of Rs 10/- per annum as proposed by E & P.H. The total expenditure in that case will be as follows:-

+ the rates at which stipends are paid by this Govt. to other candidates undergoing training

If the scheme is to be introduced in the current year, it will have to be placed before the S F C & the Cabinet. But as ~~As~~ almost half the current academic year is over, it seems that the scheme can be given effect to only from the next academic year. E & P.H. may, therefore, be requested to bring forward the scheme for consideration as a Part II scheme for 1949-50 ~~[illegible]~~, after obtaining orders in circulation, including H.M.(Finance), ~~[illegible]~~
