FOR SPECIAL OFFICER.

Copy of Roc. E.11.2291/48 dated 12-8-48 of the Spl. Officer, Ramnad
Dt. Board at Mathurai to the Secretary to Government Edu. and P.H.
Department, Madras

Sub: - Establishment - Sri D. Devasirvatham - Weaving Instructor -
S.S. Board high school, Rajapalayam, exemption from posses-
sing the required minimum educational qualification
and to give him the revised scale of Rs. 50-2-90

Sri D. Devasirvatham acting weaving Instructor S.S. Board
high school, Rajapalayam, possesses the required technical
qualifications but not the general educational qualifications
(i.e) completion of the higher elementary school course 8th
std. He has studied upto III form only. The District Educational
Officer, Ramnad has accorded approval for his appointment during
1946-47 and in 47-48. He continued to act from 14-10-46 on
Rs. 30 and on Rs. 50/- from 1-1-1947.

2. Prior to the present appointment he worked as weaving
instructor in the Board agricultural industrial school from
27-1-30 to 30-6-42 till its abolition on 1-7-42. While he was
working there the Director of Public Instruction, Madras was
pleased to permit the retention (copy enclosed) in service of the
teacher so long as his work continued to be satisfactory in view
of the technical qualifications possessed by him and in view of
also the service put in by him. He was drawing of Rs. 46/- in the
scale of 30-2-50 at that time of abolition of the school.

3. Considering his previous service in the District Board and
in view of the dearth of qualified instructors the Director of
Public Instruction was addressed to allow the exemption accorded
by him referred to in para 2 above for his re-employment in the
S.S.B.H. School, Rajapalayam on the same conditions in the scale of
50-2-90. But the Director of Public Instruction Madras in his let-
ter No. 615 L. 2/48 dated 24-6-48 (copy enclosed), has written to
say that the orders of Government may be obtained for allowing

6
the instructors pay at Rs.50-2-90 and as regards exemption the District Educational Officer, may be addressed.

4. The case of weaving Instructor deserves consideration. But for the abolition of the Board agricultural industrial school, he should have continued in service in the time scale of pay in the light of exemption accorded by the Director of Public Instruction. It is suggested that the benefits contemplated in G.O.No.553 L.A. dated 1-3-41 for the re-employed retrenched servants may be allowed to him. Therefore I request that Government may be pleased to accord exemption from possessing the required minimum educational qualification so long as his work continues to be satisfactory, and to give him the scale of Rs.50-2-90 in view of his previous services and good work turned out by him.

informed that as the technical qualification is more important than the general educational qualification in the case of such instructors, there is a proposal to designate weaving instructors who are not fully qualified as Assistant weaving instructors and to allow them the revised scale of pay of Rs. 30-1-45 fixed for Art weaving instructors, but as it may take some time more for the issue of final orders on the proposal, it is considered necessary to regularise the pay allowed to the existing incumbents by the Dt Bd.

The Examiner is also requested to consider whether in view of the above proposal, the pay of the weaving instructor in question may be fixed at Rs. 45 the maximum in the revised scale for Art weaving instructors plus Rs. 5 personal pay.
