Sir,

Sub:- Requisition for exemption from
Secondary grade qualification.

I beg to bring the following few lines for
your kind consideration and favourable orders:

I entered service as an assistant in the
Municipal Deaf and Dumb School in June 1935. Since
then I have been discharging my duties to the entire
satisfaction of my superiors. I have put in 14 years
of service in the Deaf and Dumb School. Within these
period I have acted as Head Master of the Deaf and
Dumb School on three occasions covering a total period
of one year, 8 months and 4 days as mentioned hereunder:

- (1) From 2-7-1935 to 8-4-1936 for a period of
9 months and 6 days.

P.T.O.

(2) From 5-7-1944 to 5-1-1945 for a period of 6 months.

(3) From 6-10-48 to 4-2-1949 for a period of 4 months 29 days.

Just after one month of my entering service I have acted as Head Master for a period of nine months and 6 days. An assistant with special qualification was also appointed who had worked under me. The Government and the Council were pleased to sanction me a Head Master's allowance of Rs.10/- for the period I have acted as Head Master as per No.104/E.E./36 dated 10-7-1936.

In the second time when the Head Master went on medical leave from 5-7-1944, I was in charge of the Head Master's post for a period of 6 months. This time no specially qualified hand was available. I had to manage the Institution independently, performing the duties of the Head Master and the Assistant where more than one ~~and~~ teacher was necessary and where individual instruction is indispensable. This time also the Government sanctioned me a Head Master's allowance of Rs.10/- as per G.O. Mis.No. 1781 Education dated 27-11-44.

not put up

In the third time from 6-10-48 to 4.3.1949 for a period of 4 months and 29 days I have acted as Head Master and in performing the duties of the Head Master, I had to train the assistant who was deputed for training in the special methods of teaching the Deaf as part of my work. An allowance of Rs.5/- also was sanctioned and a reconsideration appeal has already been submitted to grant me Rs.10/- as before.

When I went for the Competency Examination, i.e., in 1935, the rules, then, in force, did not require a

trained teacher's certificate of the ordinary grade. The G.O. 1827 fixing certain definite qualification i.e., Trained Teacher's Certificate of the ordinary grade plus the Competency Certificate came in force only in December 1942. As I have already entered service and acted as Head Master long before the issue of the G.O., the rules issued therein are not applicable in my case.

Even from the beginning, I have been placed in the cadre of a secondary grade teacher in a High School and my pay was equal to that of a Secondary Grade Teacher in a High School.

In the revision of scale of pay for Teachers in special schools, I have been granted as a special case, the time scale of pay, i.e., 45--2--85 as per G.O.No. 3314 Education, dated 28-12-1948, the same scale fixed for a secondary grade teacher in a special school with effect from 1-7-1948 in the G.O. MS. 2237, Education, dated 9-9-1948.

Ever since I took charge as an assistant, I have been entrusted with the work of all the accounts, correspondence and submission of periodical returns etc., of the school and I have been discharging my work to the entire satisfaction of my superiors.

In view of the fact that I entered service long before the issue of the G.O. and also acted as Head Master prior to the issue of the G.O. and in view of the fact that I have been granted the time scale of pay fixed for a secondary grade teacher with special qualification and in view of my long experience of 14 years service as a specially qualified teacher in the same school and my acting as

Head Master off and on, whenever vacancies arise, I request that I may be exempted from secondary grade qualification/ only for the purpose of my claim for the post of the Head Master in terms of seniority and promotion and that the rules relating ^{to} the qualification for the post of a Head Master/ in the Deaf and Dumb School, may kindly be relaxed in my case, so as to enable me to claim the post of a Head Master in the event of a vacancy arises.

Sir,

Sub:-- Education -- Special -- Deaf and Dumb School -- Sri S.Thangavelu
Pillai -- Exemption from the prescribed qualification for the post
of Headmastership.

M-1-4 ante.

I submit herewith the exemption petition of Sri S.Thangavelu, Assistant,
Deaf and Dumb School, for kind consideration of Government and state as follows:--

There are 4 teachers in the Municipal Deaf and Dumb School at present. The
Headmaster is an L.T., with special qualification. The 1 Assistant, the petitioner,
is a completed S.S.L.C., holder possessing the special qualification. The 2nd assis-
tant is a Secondary Grade teacher who has been undergoing training for the last 2 years
and has appeared for the examination for the award of competency certificate in March
1949 and is awaiting the result. The 3rd Assistant is a Tailoring Instructress.

The petitioner has been in service from 1--6--1935. He has acted as Headmaster
whenever the permanent Headmaster went on leave. He is now in charge of the hostel
attached to the Deaf and Dumb School. He is fully conversant with the maintenance of

P.T.O.,

accounts relating to the Hostel and is a sincere and capable worker. Recently when the Headmaster was on leave, the petitioner managed the institution efficiently at the same time, giving training to the 2nd assistant. Even when the Headmaster is on duty, he attends to the correspondence etc., relating to the institution. He is the only competent teacher to be appointed as Headmaster, when it falls vacant as the other assistant, though a Secondary Grade teacher, is the juniormost of the two and got himself trained under the petitioner. Whenever the petitioner acted as Headmaster, he was paid a special allowance with the sanction of Government. He has been drawing only the scale of pay applicable to the Secondary Grade teachers in High Schools as a special case with the sanction of the Government.

⑤/p5.

X

This Council has been experiencing difficulty in securing qualified L.T., or B.T., candidates for appointment in Secondary schools. In fact some of the posts were filled by unqualified hands during 1943-49.

X

Considering the fitness of the petitioner for the post of Headmastership at Deaf and Dumb School and considering the difficulty of securing the qualified L.T., or B.T., for the posts in Secondary Schools and in the interest of efficient administration of the institution, I request that the Government may kindly be pleased to grant the request of the petitioner, so that he may be appointed as Headmaster, Deaf and Dumb School, and the present L.T., Headmaster, transferred to one of the Secondary School.

I solicit kind urgent orders.

2. The petitioner is neither an L.T. nor a Secondary Grade teacher. However he possesses now the "Certificate of competency" to teach defectives.

3. In view of this special qualification and in view of his experience as an Assistant in the school, he has been allowed to act as Headmaster of the school when the permanent Headmaster was on leave. The same concession can be extended to him in future although the 2nd Assistant now in the school, who is undergoing training may become fully qualified for the post of Headmaster.

4. There is no strong case for granting an exemption from the prescribed qualification.

G.O. 1827 Edn. 22-12-42

Under the existing orders, the headmaster of a school for defective children should hold a trained teacher's certificate of collegiate or secondary grade and also the hcert. certificate of competency to teach defective children. Sri S. Thangavelu Pillai, Assistant in the Deaf and Dumb School, Coimbatore, requests that he may be exempted from the possession of these qualifications so as to make him eligible for promotion as headmaster regularly when a vacancy arises.

2) Sri S. Thangavelu Pillai possesses only the certificate of competency to teach defective children but in view of his long experience he was permitted to act temporarily as headmaster on previous occasions. The teacher contends that as he had acted as a headmaster even before the qualifications were prescribed in 1942 those qualifications should not be applied in his case. While supporting the teacher's request, the commissioner, Coimbatore Municipality points out that the present headmaster is an L.T. and that his services will be of great help in the other municipal secondary schools run by the Municipality as they are at present not having the services of the full complement of L.T. Assistants. The D.P.G. while admitting the teacher's

experience and service, does not consider that there is any ~~case~~ strong case for permanent exemption. He recommends that the teacher may be permitted, as before, to act as head-master as and when temporary vacancies arise. ~~The~~ p78

3. The Govt have considered it necessary to extend the facilities for the education of the deaf and dumb and to achieve the object, only qualified persons should be appointed as headmasters of these schools for defective children. From para 2 of the letter from the D.P.D., it will appear that the 2nd Asst now in the school who is undergoing training may become fully qualified for the post of headmaster. If exemption is granted to Sri Shanganthu Pillai now, there will be no opportunity for the 2nd Assistant to become the headmaster even though he may be fully qualified. It seems therefore that there is no case for granting the exemption applied for.

In order whether the Director's recommendation may be accepted and the request of the petitioner may be negatived. It is open to the petitioner to qualify himself for the headmaster's post.

From the Director's letter on page 154 you see, it is clear that the practice had been to insist only on the possession of the competency certificate and not on general educational qualification. Subd that in this case the qualifications for the post of headmaster of schools for defective children are prescribed in the Madras Educational Rules - Rule 64. Under this rule it is open to the Director of Public Instruction to relax the qualification in suitable cases. The Director considers that there is no case for permanent exemption. It is for consideration whether the Govt should interfere in the matter
