R.C.No. 727-L4/48 dated 14th September, 1949.

SIR,

Government Oriental Manuscripts Library, Madras--Publication of ~~new~~ rare manuscripts--Permission to incur extra expenditure under contingencies and the appointment of peons--Requested.
Reference:-G.O.No.Ms.2745-Education dated 31.8.1949. (A) 253-254 C.7.

The Press copies of the manuscripts for printing are being prepared expeditiously. It is reported that some of them have been sent to the Editors for correction and that some have been sent to the presses. The Curator has requested the sanction for two peons' posts and for the purchase of 4 electric table fans, two electric table lamps and a cycle. I consider that one peon to attend to the additional work connected with the printing of the manuscripts as it has to be done within a short time, is necessary. The only peon now employed in the Library cannot attend to this work. An additional cycle is necessary exclusively for the person who will have to carry the proof sheets from the presses to the editors and to deliver the corrected proofs sheets at the presses. I request that Government may be pleased to sanction the purchase of a new cycle at a cost not exceeding Rs.200/-. Under the powers vested in me, I am sanctioning the appointment of one peon temporarily for six months in the first instance.

2. The expenditure on the purchase of a cycle and the employment of a peon will be met from the provision made in the current year for the publication of manuscripts. The request for lights and fans has been deferred by me as the items are costly and do not appear quite necessary at present.

Yours faithfully,

ENCLOSURES

SEARE COPIES

* Sub: Government Oriental Manuscripts Library,
Madras - Purchase of a new cycle -

Ref: G.O.No.Ms.3136 Edn., dated 12-10-1949.

In G.O.No.Ms.3136 Edn., dated 12-10-49
Government approved my proposal for the purchase of
a new cycle (Philips, Hercules or Sunbeam with minimum
accessories at a cost not exceeding Rs. 230/-) for
use in the Government Oriental Manuscripts Library,
Madras for the work connected with the publication
of rare Manuscripts approved in G.O.No.Ms.2745 Edn.,
dated 31-8-1949.

The Curator, Government Oriental Manuscripts
Library has since reported that as the amount of Rs. 230/-
sanctioned for the purchase of the cycle was not
sufficient for the purchase of either Hercules,
Sunbeam or Philips, he has purchased the Armstrong
Cycle which is made in the United Kingdom. I request
that his action may be approved.

In this connection I invite your attention
to my letter Rc.No.727 L4/49 dated 26-9-1949 regarding
the purchase of table lamps and request the favour
of early orders.

Yours faithfully,

for Director of Public Instruction.

To The Secretary to Government,
Education Department.

Sir,

Under the powers vested on me I sanctioned the employment of a peon on a final pay of Rs.18/- per month with the usual allowance in the Government Library for a period of six months. The Curator has requested sanction for the continuance of the post of peon for one year from 1-4-1950 the date on which my sanction expires. I have asked the Curator to ~~submit~~ ^{exhibit} a full report on the work done during this year on the programme for the coming year. I shall address Government in due course on the subject as soon as the Curator's report is received. In the meantime I am sanctioning the continuance of the peon's post for a further period of six months from 1st April 1950.

Yours faithfully,

for Director of Public Instruction.

Action may be taken on
