Copy of letter dated 19-7-1949 from the Headmaster, Board High School, Satyavedu to the Special Officer, District Board, Saidapet through the District Educational Officer, Chingleput District, Saidapet.

The school requires the services of a part-time music mistress or master to teach music (General) to the pupils of all forms. Music forms a part of 'Arts and craft' subject which is compulsory for the pupils of all forms, at least one period in a week, being set apart for this purpose. A superficial knowledge of music is also expected of a pupil under citizenship training. Further there are 20 girls pupils in the school for whom it would be necessary to give some preliminary training in music on scientific basis. Hence the need of the services of music mistress. As the number of periods available for the teaching of music at present does not exceed 12 periods in a week, I request that sanction may be accorded for creating the post of a Part-time music mistress for this year, as has been done in the Board High Schools, Ponneri and Poonamallee in previous years.

2. The number of periods of Telugu language per week comes to 45 out of which the Telugu Pandit can have at the most 25 periods. The remaining 20 periods of work has to be done by others, who are not qualified for the purpose. Therefore, the post of an additional Telugu Pandit may kindly be sanctioned for the year 1949-50. The form war strength of the school is given below for favour of information.
