Sir,

I have to state that the amount of Rs.30/-/- at the rate of annas 8 per cadet in your above quoted G.O. for incurring the expenditure towards fitting charges is very inadequate.

The number of articles per cadet that require alteration is 2 Bush Shirts, 2 Trousers, 1 Short and 1 Cap. Each cadet require alteration in one or the other of these articles. Approximately 44% of the bush shirts, 86% of the trousers and 40% caps (shorts have not been received as yet) require alteration. Over and above these alterations, badges are to be fixed in all the caps; hooks are required to be fixed to the arm title (N.C.C.) and buckles have got to be provided for the trousers and shorts. No tailor has come forward to do all this in Rs.30/- at the rate of annas 8 per set (per cadet). Their rates range between Rs.2/4/- and 2/12/-.

Taking in view the amount of work, a tailor has got to do, I recommend that the amount for incurring the expenditure towards fitting charges may please be increased to Rs. 120/- at the rate of Rs. 2/- per cadet.

An early reply is requested, so that the work may be started soon.

Yours faithfully,

h.p. Palival
