S i r,

Sub:- Madras Electricity System - Supply
of uniforms to the Power House staff -
Sanction requested.

In No. 3362 Education dated 30-12-48 sanction was accorded for the supply of uniforms to employees of the ex-Madras Electric Power House staff. The requirement of the Madras Electricity System was omitted to be included in the original indent sent with this office letter No.12715 M/47-2 dated 31.5.48. I forward herewith a supplemental indent for the staff mentioned above and request early sanction of Government for the supply of uniforms as the Madras Electricity workers union is agitating for the supply of the same.

Draft order below

Finance (Exp. B.) Deptt.

The proposal is to sanction the supply of
clothing in Khadi etc. on payment of cost to the
Madras Electricity System, Power House Staff. The
supply of clothing sanctioned in G.O. 3362 Edn. 4/

dated 30-12-1948 does not seem to have been ^{made} on payment of cost.

The proposal is now apparently made on the ground that the ^{Electricity} system is a commercial concern. This would mean that the charges for supply will be debited to the Madras Electricity System. It is not known whether similar supply of clothing and articles of stationery ^(paper, ink etc) have been made on payment and also whether printing work done for the System has been debited to it. E & P.H. may be requested to put up the relevant papers containing a decision on this point or obtain further information from the Supdt of Stationery & the S.P.
