Ref: Government Memor No. 390 25-48-2-G3, En, dated 7-9-48.

Sri K. Narasimhamurthy, B.A., B.Ed., Headmaster, Board High School, Kaikaniur is due to retire from service from 3-8-1949. He has in his petition dated 7-7-1949 (copy enclosed) requested for extension of his service for two years more under the circumstances explained by him in his petition.

The applicant is efficient and very popular as is seen from the Mahazar petition dated 3-7-1949 (enclosed). There are no probationers awaiting appointment. He is physically energetic.

The District Educational Officer, Krishna in his I. Dis. No. 373-B/49 (copy enclosed) has recommended for extension of service up to the end of the school year 1949-50 in view of his good work and best results produced at the S.S.I.C. public examination 1948.

I therefore request that extension of service upto the end of the school year 1949-50 may be granted in respect of Sri K. Narasimhamurthy, Headmaster, Board High School, Kaikalur. He is allowed to continue in the meanwhile in anticipation of approval of Govt.

Sub:- The humble application
of S. K. B. S. D., Headmaster
in favour of recommendation
for extension of service for a
period of two years.

I have the honour to acknowledge that as per the birth entered in my service register, I am due to retire on 3-8-49. My entire service both as I.I. Assistant and Headmaster is less than 18 years under the District Board and there has not been any occasion for me either by way of break down in health or on any personal affairs to apply for any kind of leave during the period of 18 years.

I belong to Non-Brahmin (Vapu) community which is poorly represented especially in Education Department. I also beg to point out that I was a stipendiary, deputed for B. Ed., training by the District Board, Krishna.

I feel confident to run the institution in a very satisfactory manner provided I am exempted from 55 years age-rule and granted extension for a further period of two years. In view of my sound physical health and in view of my energy to work with zeal for a period of two years, I feel that I am denied the privilege to continue to work in the educational field for some time more and thus fulfil my mission to serve the Education Department as long as I possess the required physical strength.

The fact that I could secure 72% of passes at the S.S.L.C. public examination of March 49 goes without saying. My ability to impart instruction and to produce good results. Similar good results were produced while I worked at B.H.S. Punadipadu. In a particular year the school result was more than 80%. Further, successive District Educational Officers have always been pleased to leave their words of praise in all the Inspection Reports which may be perused (available in your office).

As Headmaster for the last about 16 years, I managed all the schools under my charge without any students' strikes or public demonstrations of disaffection.

In view of the above facts and in view of my strong desire to work in the educational field for some time more and in view of my sustained physical energy and enthusiasm, I pray, I may be granted extension of service for a further period of two years, for which act of kindness I shall ever be grateful to you.

On the eventful occasion of the opening ceremony of our High School New Building at Vaikalur, by the Hon'ble K. Madhava Menon, Education Minister, on 31-6-49, as the undersigned represented in all the addresses and speeches about the personal conduct, character, ability, popularity and usefulness of the school, Mr. M. S. Naidu, the present Headmaster of the Bd. High School, Chidambaram, represented for favour of further extension of his service for 3 years in the best interest of further improvement and progress of this school and education in this backward Taluk.

His personal magnetism is solely responsible for the surprising rise in strength within a period of 3 years from about 300 pupils to 1,000 to-day. The school scored 72% of passes this year in March '49 public Examination. This is the best result in the District this year. When he was at Punadipadu on more than half a dozen occasions he was able to secure very good results in the District. One year he secured more than 80%.

it was only after he came to this school in June '45, he appealed to the authorities and got one thatched building converted into a tiled building and separate latrines got constructed for girls and boys. His appeal to the parents resulted in the construction of two sheds by the parents' Association in 1946. The public give credit for getting the present pucca type designed building constructed by the District Board through his continued appeal from time to time to the authorities. The accommodation, equipment, library and above all the high traditions he had built up at punadipadu during his continuous service of about 12 years there stand to his credit even today.

It is only after this Headmaster joined in this school that the students' Co-operative stores began to thrive well. The students to-day are deriving the maximum advantage in way of easy procurability of their text books in time and almost at the lowest cost. Not only books, but also all kinds of school requisites are stored and sold to the pupils at a comparatively very low price than that which is obtained in the local market. It is a relief to us, parents, that such facilities and economic advantage are provided to students, though it be at a great physical exertion and a personal sacrifice on the part of the Head-Master. We also learn that the profits of the Society go to the benefit of pupils alone.

In addition to the successful running of the Co-operative Society, the Headmaster takes very keen interest in all the extra Curricular activities such as running a school magazine, encouraging Scouting activities and Debating Societies, conducting School Excursions and developing Dramatic spirit among pupils. This is the singular Headmaster in whom we the parents and

All the people of this Taluk under the District Board,
creed, earnestly are only Headmaster, who has manoeuvred success
master for the various institutions he has worked without any
kind of students' strikes or public demonstrations of dis-
affection of any kind.

In short, the rapid increase in strength from about 300
in the year 1944-45 when the present Headmaster took charge
of the institution to 800 pupils in 48-49, the remarkably high
percentage of passes in the S.S.L.C. in March 49 and the
spect of the strength going up to 1,000 this year 49-50 his
of activities both at school and of extra Curricula all
to speak in immeasurable degree the untiring energy, the
steadfastness and the all sided talent of the Headmaster,
Sri K. Narasimha Murti Naidu and in the best interests of
the institution and the pupils, we humbly pray that he may
be granted extension of service for a period of two or three
years more.

In this connection, we beg to point out that there is
still a lot of constructive programme of work in the school
for him to complete in connection with the introduction of
crafts under the reorganisation and in connection with
the extension of the new building with additional construction
and consequently we strongly appeal that we cannot afford to
forego the services of a useful and experienced Headmaster
especially at this particular phase in the school history.

We once more pray that the extension may be granted
expeditiously as we learn that he has to retire on 3-8-49.

I have no objection to the continuance of Sri K. Narasimha-

in service up to the end of the school-year 1949-50. In view of
his good work and best results produced at the S.S.L.C. public

to retain him in service, his case may be recommended for extension

Board High

Respected Sir,

On the occasion of the opening
of our High School New Building at Kaikalur, by the Hon'ble
Madhava Menon, Education Minister, on 30-6-49, we the under-
signed represented in all the addresses and speeches about the
personal Conduct, Character, Ability, Popularity and Usefulness
of Sri K. Narasimha Murti Naidu, the Present Headmaster of
Board High School, Kaikalur and represented for favour of fur-
ther extension of his service by 2 or 3 years in the best inter-
est of further improvement and progress of this school and Edu-
cation in this back-ward Taluk.

Ever since this school
has earned such a wide popularity among students, teachers,
parents and public of all communities. He has been taking very
keen interest in the welfare of the pupils without availing him-
self of even vacations and weekly holidays and "Service to
Institution" wherever he worked has been his motto. His
high and inspiring character has always been the silent factor
for the maintenance of the tradition and discipline in all
the institutions he worked. His lovable temper uniform and
kind treatment of all sections of students and special care
has been showing to encourage female education and Educati-
on. Schedule class pupils deserve our special praise.

Activities and Debating Societies, conducting excursions and developing Dramatic spirit among the students. This is the singular Headmaster in whom we the parents find with solace and comfort all sided activities installed in one person. In response to his popular appeal the parents' Association has magnanimously promised to erect the statue of Mahatma Gandhi in the School compound and to provide a tiffin shed and a Radio set to the School.

It is not out of place to mention here that he belongs to a respectable non-Brahmin (Kapu) family and his relations hold responsible posts and high offices in the Government.

All the people of this Taluk, irrespective of caste and creed, earnestly pray for the retention of the present Headmaster for at least two or three years more in service in view of the meritorious services he has rendered all through his service of about 18 years under the District Board, Krishna. He is the only Headmaster, who has manoeuvred successfully the various institutions he has worked without any kind of students' strikes or public demonstrations of dis-affection of any kind.

In short, the rapid increase in strength from about 300 in the year 1944 - 45 when the present Headmaster took charge of the institution to 800 pupils in '48 - '49, the remarkably high percentage of passes in the S.S.L.C. in March '49 and the prospect of strength going up to 1,000 this year '49 - '50, a variety of activities both at school and of extra Curricular to speak in immeasurable degree the untiring energy.

We once more pray that the extension may be granted expeditiously as we may learn that he has to retire on 3-8-49.

Sub:- The humble application of Sri K.Narasimhamurthy Naidu, B.A., B.Ed., Headmaster, Bd.High School, Kaikalur, for favour of recommending extension of service for a period of two years.

Respected Sir,

I have the honour to submit that as per the date of birth entered in my service register, I am due to retire on 3-8-49. My entire service both as L.T. Assistant and Headmaster is less than 18 years under the District Board and there has not been any occasion for me either by way of break down in health or on any personal affairs to apply for any kind of leave during the period of 18 years.

I belong to Non-Brahmin (Kapu) community which is poorly represented especially in Education Department. I also beg to point out that I was a stipendiary, deputed for B.Ed., training by the District Board, Krishna.

I feel confident to run the institution in a very satisfactory manner provided I am exempted from 55 years age-rule and granted extension for a further period of two years. In view of my sound physical health and in view of my energy to work with zeal for a period of two years, I feel that I am denied the privilege to continue to work in the educational field for some time more and thus fulfil my mission to serve the Education Department as long as I possess the required physical strength.

The fact that I could secure 72% of passes at the S.S.L.C. Public Examination of March 49 goes without saying my ability to impart instruction and to produce good results. Similar good results were produced while I worked at B.H.S. Punadipadu. In a particular year the school result was more than 80%. Further, successive District Educational Officers have always been pleased to leave their words of praise in all the Inspection Reports which may be perused (available in your office).

As Headmaster for the last about 16 years, I managed all the schools under my charge without any students' strikes or public demonstrations of disaffection.

In view of the above facts and in view of my strong desire to work in the Educational field for some time more and in view of my sustained physical energy and enthusiasm, I pray, I may be granted extension of service for a further period of two years, for which act of kindness I shall ever be grateful to you.

Copy of Mahazar petition of the villagers, to the Special Officer,

District Board, Krishna, dated 5-7-49.

Sub:- The humble petition of the Taluk Congress Committee, 2. Taluk Kisan Committee, 3. Parents' Association and the residents of Kaikalur Taluk, Krishna Dt. praying for grant of extension of service to Sri K. Narasimhamurti Naidu, Headmaster, Bd. High School, Kaikalur.

On the eventful occasion of the opening ceremony of our High School New Building at Kaikalur, by the Hon'ble K. Madhava Menon, Education Minister, on 30-6-49, we the undersigned represented in all the addresses and speeches about the personal conduct, character, ability, popularity and usefulness of Sri K. Narasimhamurti Naidu, the present Headmaster of the Bd. High School, Kaikalur and represented for favour of further extension of his service by 2 or 3 years in the best interest of further improvement and progress of this school and Education in this back-ward Taluk.

Ever since this school was started, no Headmaster has earned such a wide popularity among students, teachers, parents and public of all communities. He has been taking very keen interest in the welfare of the pupils without availing himself of even vacations and weekly holidays and "Service to Institution" wherever he worked has been his motto. His high and inspiring character has always been the silent factor for the maintenance of excellent tradition and discipline in all the institutions he worked. His lovable temper uniform and kind treatment of all sections of students and special care he has been showing to encourage female education and Education of Schedule class pupils deserve our special praise.

His personal magnetism is solely responsible for the surprising rise in strength within a period of 3 years from about 300 pupils to 1,000 to-day. The school scored 72% of passes this year in March '49 public Examination. This is the best result in the District this year. When he was at punadipadu on more than half a dozen occasions he was able to secure very good results in the District. One year he secured more than 80%.

It was only after he came to this school in June '45, he appealed to the authorities and got one thatched building converted into a tiled building and separate latrines got constructed for girls and boys. His appeal to the parents resulted in the construction of two sheds by the Parents' Association in 1946. The public give credit for getting the present pucca type designed building constructed by the District Board through his continued appeal from time to time to the authorities. The accommodation, equipment, library and above all the high traditions he had built up at punadipadu during his continuous service of about 12 years there stand to his credit even today.

It is only after this Headmaster joined in this school that the students' Co-operative stores began to thrive well and the students to-day are deriving the maximum advantage by way of easy procurability of their text books in time and almost at the lowest cost. Not only books, but also all kinds of school requisites are stored and sold to the pupils at a comparatively very low price than that which is obtained in the local market. It is a relief to us, parents, that such facilities and economic advantage are provided to students, though it be at a great physical exertion and a personal sacrifice on the part of the Headmaster. We also learn that the profits of the Society go to the benefit of pupils alone.

In addition to the successful running of the Co-operative Society, the Headmaster takes very keen interest in all the extra Curricular activities such as running a school magazine, encouraging Scouting activities and Debating Societies, conducting School Excursions and developing Dramatic spirit among pupils. This is the singular Headmaster in whom we the parents could

find with solace and comfort all sided activities installed in one person. In response to his popular appeal the parents' Association has magnanimously promised to erect the statue of Mahatma Gandhi in the school compound and to provide a tiffin shed and a Radio set to the School.

It is not out of place of mention here that he belongs to a respectable non-Brahmin (Kapum) family and his relations hold responsible posts and high offices in the Government.

All the people of this Taluk, irrespective of caste and creed, earnestly pray for the retention of the present Headmaster for at least two or three years more in service in view of the meritorious services he has rendered all through his service of about 18 years under the District Board, Krishna. He is the only Headmaster, who has manoeuvred successfully the various institutions he has worked without any kind of students' strikes or public demonstrations of disaffection of any kind.

In short, the rapid increase in strength from about 300 in the year 1944-45 when the present Headmaster took charge of the institution to 800 pupils in 48-49, the remarkably high percentage of passes in the S.S.L.C. in March '49 and the prospect of the strength going upto 1,000 this year 49-50 his variety of activities both at school and of extra Curricula all go to speak in immeasurable degree the untiring energy, the steadfastness and the all sided talent of the Headmaster, Sri K. Narasimha Murthi Naidu and in the best interests of the institution and the pupils, we humbly pray that he may be granted extension of service for a period of two or three years more.

In this connection, we beg to point out that there is still a lot of constructive programme of work in the school for him to complete in connection with the introduction of crafts under the reorganisation scheme and in connection with the extension of the new building with additional construction and consequently we strongly appeal that we cannot afford to forego the services of a useful and experienced Headmaster especially at this particular phase in the school History.

We once more pray that the extension may be granted expeditiously as we learn that he has to retire on 3-8-49.

Copy submitted to the Hon'ble Minister for Education to the Government of Madras.

Residents of Kaikalur.

~~Narasimhamurti~~
 Sri K. ~~Narasimhamurti~~ But in this case Sri
 K. ~~Narasimhamurti~~ was continued as Headmaster
 long before the issue of order in the order at (2).
 on account of the non availability of
 probationers or candidates in the panel at that
 time. The school year has significantly
 advanced and it does not appear ^{desirable}
 in the interests of the school itself to
 disturb the arrangement ~~now~~ to replace
 him in the middle of the school year.
 It is therefore for ^{consideration} whether his
 reemployment as headmaster may be
 sanctioned till the end of the current school
 year as a special case as recommended by the

Spl. Officer S.P.I. The headmaster
 is stated to be efficient -
 8.10.49. The general orders in G.O. No.
 2889 Edn dated 14.9.49, which
 have since issued provide for
 the reemployment of ^{retired} headmasters
 of high schools for very special
 reasons. The special reasons
 in this case are those given
 at M above -

2. Orders are requested
