No. 19405/46/B5.. dated 15th May 1948

Sir,

Sub:- Beggar Home - Coimbatore Municipal Council - Payment of allowance - to the Superintendent and the Medical Officer - Sanction - requested.

Ref:- Government Memorandum No. 27110 G/48-1 Home Department, dated 14-4-48.

The Municipal Beggar Home was opened from 23-2-47. The Headmaster, Deaf and Dumb school was asked to do the duty of the Superintendent, Beggar Home in addition to his duties and the Sub Assistant Surgeon Municipal Dispensary, Devangapet, was asked to visit the Beggar Home twice a week on Mondays and Thursdays at some fixed hours convenient to him to see if there are any sick beggars, and to prescribe necessary medicines to them. In this office letters No. 19405/46/B5 dated 5-8-47 and 5-3-48 (copies enclosed) the Government were requested to accord sanction for the payment of an allowance of Rs. 15/- Per Mensem plus Rupees four cycle allowance to the Superintendent and a fixed allowance of Rs. 30/- P.M. to the Medical Officer for his visits to the Beggar Home as a temporary measure till the Beggar Home grows to its full size and a full time Superintendent as sanctioned in G.O. No. No.Ms.3930 Home Department, dated 11-12-46 is appointed.

2. The Government in their order No. 27110 G/48-1 Home dated 14th April 1948 were pleased to approve the Suggestions made in this office letter No. 19405/46/B5 dated 5-8-47 and amend the rules for the working of the Municipal Beggar Home. I request that specific sanction may be kindly accorded for the payment of the allowance to the Superintendent and the Medical Officer from the date of their appointments.

Copy of this office letter No. 19405/46/B5 dated 5-8-47.

Sub:- Beggar Home - Coimbatore Municipality - Allowance of Rs.15/- P.M. and cycle allowance of Rs. 4/- P.M. to the Temporary Superintendent - Payment of - sanction - solicited.

In Government order No. Ms. 3930, Home department dated 11-12-46, the Government have sanctioned the appointment of a sub assistant surgeon as Superintendent of the Beggar Home on a pay of Rs. 85/- per mensem plus dearness allowance with rent free quarters. The present strength of the inmates of the Beggar Home however is only 11 and it does not warrant the appointment of a full time superintendent for the present. Moreover the quarters at the Beggar Home to house the Superintendent still remains to be provided for. In view of this, the appointment of the Superintendent has been deferred for the present, but Sri.S.Natarajan, the Headmaster of the Deaf and Dumb school who was in charge of the feeding of the beggars while they were housed in the Langerkhana has been put in charge of the general supervision of the Home for which an allowance of Rs. 15/- plus a cycle allowance of Rs. 4/- P.M. is proposed to be granted to him in Special Officer's proceedings.No.160 dated 2-5-47(copy enclosed).

The medical aid is given at present by the Sub Assistant Surgeon of the Devangapet Municipal Dispensary who visits the Home twice a week to inspect the condition of the inmates and to prescribe medicines to the sick. He has been attending to this work since 3-4-47. The Beggar Home is situated at the northern extremity of the city and the medical Officer has to engage a conveyance for his visits. In his report dated 26-4-47 he states that he has been hiring a jutka paying Rs.4-8-0 per trip and requests payment to him of a consolidated allowance(both for conveyance and medical attendance) of Rs. 50/-P.M. This amount however was considered to be

.....3

-3-

to be somewhat high and the Special Officer in his Resolution No. 293 dated 2-6-47 (copy enclosed) sanctioned a consolidated allowance of Rs. 30/- P.M.

The expenditure involved in payment of the allowances proposed for the Headmaster of the Deaf and Dumb school for general supervision and the medical officer for medical aid is considered very reasonable and much less than what it would be if a full time Superintendent is employed. I therefore request that the Government may be pleased to approve of the temporary arrangement made and sanction payment of the allowances proposed in the Special Officer's proceedings quoted above i.e., Rs.15 + C.A.of Rs.4/- for parttime Superintendent and Rs. 30/-P.M. for the Doctor, until such time the Home grows to its full size and the need for the employment of the full time superintendent and the other staff sanctioned is actually felt.

Commissioner.

I enclose herewith a copy of letter C.No. 759/48 dated 14-10-48 from the District Medical Officer, Coimbatore for the information of the Government. I entirely agree with his remarks and recommend that a whole time Medical Officer be appointed to the Infectious Diseases Hospital and that he may be asked to visit the Boggar Home once a week.

Yours faithfully,

for Surgeon-General with the Government of Madras.

Copy of letter C.No. 759/48 dated 14-10-1948 from the District Medical Officer, Coimbatore.

Sub:- Payment of allowance to the Medical Officer attached to the Municipal Dispensary, Devangapet for visiting Municipal Boggar Home.

Ref:- Your Memo No. 68429-1-Res. I dated 18-8-1948.

I append a copy of letter No. 19405/46/B.5 dated 4-10-1948 of the Commissioner, Coimbatore Municipality. The letter is his reply to my letter C.No. 759-H.C./48 dated 25-8-1948 a copy of which was forwarded to you.

In his letter No. 19405/46-B.5 dated 15-5-1948, the Municipal Commissioner says that the Sub Assistant Surgeon Municipal Dispensary, Devangapet was asked to visit the Boggar Home twice a week on Mondays and Thursdays. In his letter No. 19405/46/B.5 dated 4-10-1948, the Commissioner states that the total number of visits paid by the Medical Officer to the Municipal Boggar Home since its inception up to date is 17. In seventeen months, the Medical Officer visited the Boggar Home seventeen times. The average number of visits works out at one per month. No record is available for inspection of the actual work done by the Medical Officer in the Boggar Home. The Medical Officer, Devangapet Dispensary is already in receipt of a monthly conveyance allowance of Rs. 16/- for his visits to the Infectious diseases hospital which is a mile away from his Dispensary. In view of the smallness of the number of inmates in the Boggar Home and of the fact that the average number of visits paid by the Doctor to the Boggar

Beggar Home is only one per month, an allowance of Rs.30/- per mensem appears to be unjustifiable.

The appointment of the Doctor who is in charge of the Devangapet Dispensary as the visiting Medical Officer to the Beggar Home in addition to his duties as the visiting Medical Officer to the Infectious Disease hospital is also likely to affect adversely the attendance in and the usefulness of the Devangapet dispensary as the absence of the Medical Officer that such additional work entails will be detrimental to the interests of the patients attending it.

I would therefore suggest that work that Medical Officers in charge of the Municipal Dispensaries have to do in addition to their duties be equally divided among the several Medical Officers available.

The Municipal Council has now under its management two institutions, an Isolation Hospital and a Beggar Home, each of which is entitled to a Medical Officer. A sum of Rs.16/- is being spent every month on the conveyance allowance of the visiting Medical Officer to the Isolation hospital. An additional sum of Rs.30/- per mensem is proposed to be spent on the allowance to the same Medical Officer for visiting the Beggar Home. I would suggest that instead of spending Rs.46/- a month in the shape of allowances to a Medical Officer who is already in charge of a busy Dispensary, a small additional amount may be spent so that a whole time Medical Officer may be appointed to be in charge of the Isolation Hospital and the same Medical Officer may be asked to visit the ... Beggar Home once a week.

The attention now paid to the Isolation Hospital by visiting Medical Officer is insufficient. The difficulties in starting the Infectious Diseases Hospital to function properly in times of epidemics are really great because there is no wholetime Medical Officer in charge. The nature of the duties of a whole time Medical Officer if appointed to the Infectious Diseases Hospital would be such that he can very easily find time to visit the Beggar Home once a week. I would therefore very strongly recommend that a wholetime Medical Officer be appointed to the Infectious Diseases Hospital and that ~~that~~ he be asked to visit the Beggar Home once a week.

The Supdt. should be in charge of the Home and manage all matters relating to health, discipline, labour, expenditure punishment and control, subject to the orders of the Commr. of the Municipality. ~~In February 1948 this rule was amended to the effect that until a whole time Supdt. is appointed the Commr. may authorise one or more suitable and responsible persons employed in the municipality to perform the functions of the Superintendent.~~

2. In August, 1947, the Commr., Coimbatore Municipality, stated that a full time Supdt. is not necessary ^{for the home} as the total number of inmates in the home was only about a dozen and suggested a temporary arrangement according to which the Headmaster of the local Deaf and Dumb School was to be in charge of the Home and the Sub-Assistant Surgeon attached to the Devangapet Municipal Dispensary was to visit the home twice a week for rendering the necessary medical aid to the inmates. The Commr. requested that his ^{proposal} ~~action~~ may be approved as a temporary measure and that sanction may be accorded for the payment of an allowance of Rs.15/- p.m. (plus Rs.4/- cycle allowance) to the Headmaster of the local Deaf and Dumb School and an allowance of Rs.30/- p.m. to the Sub-Assistant Surgeon attached to the Devanagapet Municipal Dispensary who attends to the duties of the special home. is not necessary and recommended that the temporary arrangement made by the Commr. may be approved. He also suggested an amendment to rule 2 of the rules for the working of the Special Home. The Govt. accepted the suggestions of the Inspector of Local Boards and rule 2 of the rules for the working of the Coimbatore Municipal Special Home was amended ^(in Feb. 48) to the effect that until a whole time superintendent is appointed, the Commr. may authorise one or more suitable and responsible persons employed in the municipality to perform the functions of the Supdt.

3. Now the Commr. of the Coimbatore Municipality requests that specific sanction may be granted for the payment of allowances to the Headmaster, Deaf and Dumb School and to the Medical Officer who attends to the work of the Special Home. It is not clear why the Commr. requires Govt's specific sanction when payments are made out of the revenue of the Municipality. Perhaps Govt's sanction is necessary so as to enable the Headmaster and the Medical Officer to receive this extra remuneration. The duties connected with the special home for disabled and infirm beggars are not part of the normal duties of the Headmaster of the Deaf & Dumb school and the Medical Officer of the Devangpet Municipal Dispensary - the approval of Govt is necessary for entrusting them with the additional work and for giving them additional remuneration. The duties connected with the special home for disabled & infirm beggars should be performed without detriment to the regular work of the headmaster & the S.A.S. The remarks of the D.P. & the S.A. may be obtained first. If they agree this Dept need not object to the arrangement.
