R.C.2915 B2/49.

From The Director of Public Instruction,
M a d r a s.

To The Secretary to Government,
Education and Public Health Department.

Sir, Sub: Elementary Education--Aided Schools--Special grant to
poor girls reading in Standards IV and V. *Pink*

Ref: Government U.O.Note No.3955-C1/49-1 Edn. dated 24-6-49.

V/PICF I invite your kind attention to my letter R.C.No.2013 B/45 dated 9-10-45, wherein it has been pointed out that when the policy of the department was to insist on the enrolment of girls in boys' Schools, in areas where there were no girls schools, the award of stipend to poor girls reading in standards IV and V of Aided Elementary Schools for boys also was necessary as they would go a great way in promoting the Education of girls in areas where there were no separate schools for girls. The present abolition of the distinction between the boys and girls' Schools implies that no such inducement will be necessary nor will be administratively be possible, as the condition viz., girls in boys' schools, can no longer be observed with the abolition of the distinction.

B 2. If the concession is to be retained in the 6 Districts in the plains, it would mean under the present circumstances of the abolition of the distinction, between boys' and girls' schools, that the grant should be paid to all the girls in all the schools and hence extra cost and that the introduction of any restriction like parents' income etc., to restrict it, would involve additional administrative work out of proportion to the results and to the amount disbursed. This grant was not ~~an~~ intended to be a permanent feature.

3. In regard to agency however some special concession seems to be necessary to encourage the girls to take to education and hence the continuance of this in all aided schools in the Agency was recommended.

Yours faithfully,

K. S. S. S. S.
For Director of Public Instruction.

Order (No) No 3165 Edu dated 14-10-49

The Govt. approve the proposal of the D.P.T. that the grant of special stipends to poor girls reading in aided elementary schools for boys in the localities where there are no girls' schools in the districts of Buddapak, Chittoor, Kurnool, Bellary, Anantapur and Salem may be sanctioned in L.O. No 182 Edu dated 25-1-46 may be discontinued with effect from 1949-50 and that the pupils who were already in receipt

3165 Aided Elementary schools - Special grant to poor girls reading in standards IV and V.

From the D.P.I., No.2915 B2/48 dated 19--5--1949.

The D.P.I. raises the question whether the grant of special stipends to poor girls reading in boys' schools in localities where there are no special schools for girls in the districts of Cuddapah, Chittoor, Kurnool, Bellary, Anantapur, Salem and East Godavari agency need be continued in view of the abolition of the distinction between boys' and girls' schools ordered in G.O.No.3065 Edn. dated 3-12-48. He proposes that in case of the six districts those pupils who are already in receipt of the stipend in standard IV during 1948-49, may be paid the stipend during 1949-50 also and that the stipends should be ~~also~~ discontinued to all students from the school year 1950-51. He however proposes that the stipends may be paid to poor girls reading in the IV and V standards of all aided schools in the E. Godavari agency without any time limit.

The Director has not stated clearly the reasons for the discontinuance of the stipends in the six districts and for its continuance in the East Godavari agency. He may be requested to consider whether the reasons which hold good for the continuance of the scheme in the E. Godavari agency will not apply equally to the schools in the six districts and secondly whether even though the distinction between the boys' and girls' schools is abolished, it will not be necessary to pay stipends to poor girls ^{who} attend schools with a majority of boys.

The D.P.I. may see the case u.o. for clarifying these points.

2
receipt of the stipend in Standard IV in 1948/49, may be allowed the concession in 1949-50 in Standard V also.

They also approve the proposal of the D.P.I. To. The D.P.I. that the payment of stipends may be allowed to poor girls reading in Standard IV and V of all aided elementary schools in the East Godavari Agency.

The Director proposes that the fee concession allowed to girls reading in boys' schools may be discontinued for reasons:

(1) that girls are not admitted to all boys schools, the previous distinction between boys' and girls' schools having been abolished;

(2) that in view of the abolition of the distinction it would be necessary to pay stipends to all girls reading in all schools.

The concession which was given in 1946 can be continued only in the schools to which it was applicable without more administrative difficulty or expenditure. The justification for this would be that such schools as distinct from other schools required this ~~distinction~~ attraction.

Personally The b. & b. are very backward in girls Education & personally I would continue it. but I am sure the B.P. will ask for Adm. Staff. Since it mainly relates to Reproductive & saving let H. (Rev) see first p.
