20 MAY 1949
GOVERNMENT OF MADRAS

ASST. SECRETARY TO GOVERNMENT,
20 MAY 1
EDUCATION AND PUBLIC

Sub: College - Arts College, Mercara - Appointment of Principal.

The Government of India propose to open an Arts College at Mercara, Coorg, from the academic year 1949-50. The Chief Commissioner of Coorg recently interviewed me and informed me that, in his opinion, none of the applicants who had applied for the post of Principal of the proposed College in response to the advertisement, was suitable and requested me to suggest the name of a suitable officer in the Madras Educational Service whose services could be lent for appointment to the post. He added that he had discussed the question with the Secretary to Government and that he was instructed to meet me.

2. The Chief Commissioner's first request was that a person who had been abroad should be lent as that was the desire of the people who had all along been accustomed to European Headmasters. He was told that there was no such suitable person in the Department I suggested two alternative names, those of Mr.R.H.P.Holman, District Educational Officer, Guntur North and Sri A.C.Madhavan Nambiar, Lecturer in Economics, Government Brennen College, Tellicherry. He desired first to interview Mr.Holman and see if he would be suitable. Mr.Holman was accordingly asked to proceed to Madras for an interview with the Chief Commissioner who found him suitable for the Principal's post. The Chief Commission appears to have also taken him to the Vice-Chancellor who has also expressed approval of the choice. In this connection I may add that Mr.Holman has had sufficient experience of College work as Assistant Lecturer and Lecturer in English from 1938 to 1946 and is suitable for appointment as Principal of the proposed Arts College, Mercara.

P

p.37

3. After interviewing Mr.Holman the Chief Commissioner of Coorg saw me again and handed over the enclosed letter and desired that Government be addressed immediately for sanctioning the loan of the services of Mr.Holman so as to enable him to take charge of post on 1-6-49. The Vice-Chancellor appears to have instructed Mr.Holman to attend the University office for a few day prior to his joining the College to receive preliminary training in the University rules and regulations. It is therefore necessary to relieve Mr.Holman by the 25th May 1949 at the latest.

4. The post of Principal carries the scale of pay of Rs.500 - 800 or Rs.450 - 600 according as the strength of the College exceeds ~~Rxx~~ 200 or not. Mr.Holman will draw the minimum of the scale of pay applicable to the post on the basis of the strength of the College. In this connection I may point out that the maximum of Rs.600/- ~~xx~~ in the lower scale, if it becomes applicable to Mr.Holman, is less than that of the present scale of his pay i.e., Rs.230 - 700. This may be brought to the notice of the Government of India and they may be requested to raise the maximum of the lower scale to Rs.700/- if necessary, as the question is not of material importance, in view of the fact that the loan is only for 2 years.

5. During this period of two years for which the Chief Commissioner has asked for the loan of the services of Mr.Holman, it is likely that Mr.Holman may have to be considered for promotic
t

to the categories of Deputy Directors and Divisional Inspectors. The deputation of this officer should therefore be subject to the condition that he should either be given pay in the scale of Rs.600--100/2--1000 applicable to those categories if and when, in his turn, he is promoted thereto or be released. When he is so promoted he may be granted a special pay equal to 20 per cent of the grade pay as an inducement for him to continue in the post of Principal.

6. In the circumstances explained above, I request that Government may sanction the loan of the services of Mr. R.H.P.Holman for appointment as Principal of the Arts College, Mercara under the Government of India for a period of two years in the first instance subject to the conditions mentioned in paragraphs 4 and 5 above. It is expected that the Government of India would be addressing this Government in the matter, if they have not already done so.

7. The personal file of Mr.R.H.P.Holman is enclosed. I request the early orders of Government in the matter as the officer has to be relieved soon. below

Yours faithfully,

DIRECTOR OF PUBLIC INSTRUCTION.

Dewan Bahadur
C.T. Mudaliar

The Director of Public Instruction,

Sir,

In obedience to your directions, I interviewed the Chief Commissioner of Coorg and the Vice-Chancellor and they have agreed to offer me the post of the Principal of the Mercara College. I accept the appointment on deputation ~~fromxthexpostxof~~, subject to the following conditions:

(1) As I am already in the scale of Rs.230-700 I shall be thankful if the maximum of the scale of pay applicable to the post is raised to Rs.700/- in case the College has a strength of less than 200, so that the status may be there.

(2) This deputation may not operate as a bar to my promotion in this Department. In case I have to be promoted as a Divisional Inspector of Schools or Deputy Director of Public Instruction, during this period of deputation, I request that I may be given a scale of Rs.600 - 1,000/- as Principal of the College a scale of Rs.600 - 1,000/- applicable to either of the above two posts plus a deputation allowance of 20 per cent of that pay.

I have just this morning received a telegram from the Ministry of Education, Government of India, intimating that they agree to the initial pay of Rs.450/- being given to Mr.Holman as Principal. They also state that the scale is subject to revision. I am awaiting their decision in this respect. I have communicated to Mr.Holman the decision of the Government of India, which settles finally the question.

Sparing of services of Mr.R.H.P.Holman to G. of I. for appt. as Principal of the college at Mercara.

The D.P.I.'s letter below may be seen. On the point about the suitability of Mr.R.H.P. Holman for the Principalship of the College ~~AtxMexxx~~ proposed to be opened by the G. of I. at Mercara, this dept. may agree with the Dir. //Mr.Holman is now drawing Rs.300 in the M.E.S. scale of Rs.230-700. His starting pay at Mercara will be Rs.500 or 450. As his duties and responsibilities as Principal of a new college will be greater than a D.E.O.'s, and as, further, there shd. be some inducement for him to proceed to Mercara, no objection need not taken about the higher pay, either.

Para 4, Cf.1 & Cf.3

But whether his services can be spared by this Govt. at all at present is an important point to be considered. When the post of Inspector/ Inspectress of European* Schools fell vacant in 1945, the name of Mr.Holman was considered for filling the vacancy. The Adviser who interviewed ~~why~~ him and also the woman officer already selected by the Commission, viz., Mrs. A.Suares, minuted that the latter would prove ~~xxx suite~~ suitable as Inspectress and that Mr.Holman was too young at 35 for the post of Inspector but might fit it later, particularly with some experience in inspecting work. The Dir. was asked therefore to give Mr.Holman training as D.E.O., as early as possible, with a view to keeping him in reserve for the post, ready to fill any leave vacancy that might arise. He has been, since that time (May 1946), D.E.O. Mrs.Suares who is the present Inspectress is due to retire in Oct.1950. If Mr.Holman's services are lent to the Central Govt. -- the period of deputation proposed is 2 years and will end only in May 1951 and it may also be extended -, he may not be available for the Inspector's post when Mrs.Suares retires ~~and whenx~~ or, if she goes on leave, earlier. Apart from that, Mr.Holman is a fairly senior Lecturer in

the Collegiate Section of the M.E.S. His appointment as Principal of one of ~~the Govt~~ this Govt.'s colleges may ~~be~~ have to be considered in the near future. Owing to the dearth of suitable hands for the Principalship, the question of amending the rules so as to provide for direct recruitment also, has been put up by the Dir. and is under ~~separately~~ separate consideration. When the position is such, whether this Govt. can afford to spare an officer for appt. as Principal elsewhere requires to be weighed. For orders.

*Pay: Rs. 230-700 + Rs. 50 for I Gr. Principals

If, the above point notwithstanding, it is decided that Mr.Holman's services may be placed at the Govt. of India's disposal, the conditions mentioned in paras 4 and 5 of the Dir.'s letter may be imposed on the Govt. - although the need for their implementation will not arise.

The proposal is to spare the services of Mr. R. H. P. Holman, D.E.O. Guntur for appointment as principal of the Arts College at Coorg to be opened by the Govt of India.
