Chingleput - Deficit - Wiping of - Sanction of

Ref: G.O.No.Ms.684 Edn., dated 11th March 1949.

With reference to para 1(viii) of G.O.Ms.No.684 Edn., dated 11th March 1949, I have the honour to report that the actual closing balance in the Elementary Education Fund Account on 31st March 1949 was Rs.107876-8-0.

It was originally anticipated that the Elementary Education Fund Account would close only with a deficit balance of Rs.98,025/- on 31st March. But, there was a closing balance, which was due to the fact that most of the sanctioned works were not executed and paid for during the year. Out of this closing balance a sum of Rs.70,281/- will be utilised for payment of the following items of work:-

(i) List of dues of 1948--49 to be paid to Contractors in 1949--50.	Rs.	558
(ii) List of Incomplete works of 1948--49 (Ordinary).		4,368
(iii) -do- (Capital).		9,218
(iv) List of unstarted works of 1948--49 (Ordinary).		10,537
(v) -do- (Capital).		45,600
		70,281

Forms intended for use in Elementary Schools which were purchased during the years 1947--48 and 1948--49 from Moe & Co., Madras were paid for during the current year and this amounted to Rs.1,429/-.

The following items of expenditure in the current year will have to be met only from the closing balance of 1948--49:-

(i) Payment of balance of P.F.Bonus earned by the Board Elementary School Establishment in 1948--49.	Rs.	592
(ii) Payment of arrear bills relating to Elementary School Establishment.		5,408
	TOTAL.	6,000

Consequent on the enforcement of the scheme of Compulsory Education in 65 select centres in this District, the enrolment of children in Elementary Schools in these centres has increased and additional accommodation had to be secured. As no rented accommodation was available, the Board had to take up the construction of additional sheds for the schools. The construction of 11 sheds costing Rs.40,150 has been sanctioned. A subsidy
