Rc.No.1053 K2/49 dated 29-7-49

Sir,

59148 Sub:--Colleges--Government Muslim College, Madras--
Transfer of Madras-I-Azam to the control of the
District Educational Officer, Madras.

The Principal, Government Muslim College, Madras is exercising administrative control over the Madrasa-I-Azam (Secondary School Dept. from Form I to VI) and Secondary School Training Dept., also attached to it. Consequent on the transfer of the Intermediate classes from the Presidency to the Government Muslim College, the work of the Principal has considerably increased. Considering the expansion of the College, the Principal requests that the School and Training Departments may be transferred to the administrative control of the District Educational Officer in order to enable him to devote his full attention to the administration and development of the College. The College is of First Grade status and with its present increase in the strength of Intermediate classes it is no longer desirable to continue the High School Department and Training Section under the control of the Principal. I recommend that Government may be pleased to issue orders transferring Madrasa-I-Azam and the Secondary Training Department to the administrative control of the District Educational Officer, Madras

Yours faithfully,

For Director of Public Instruction

Sub: ~~Madrasa-i-Azam~~ Transfer of control
from the Principal, Govt. Arts College, Madras,
to the D.E.O., Madras.
From the D.P.G. No. 1053 K₂/49 d. 29-7-48.

The D.P.G. is requested
to report whether the D.E.O., Madras,
can undertake the extra work ^{proposed}
to be given to him - viz: Control of the
Madrasa-i-Azam ^{without detriment to his normal duties.}
The D.P.G. is also
requested to state definitely that no
extra staff ^{for the relief of the} will be
asked for, later on.

It is presumed that the present
proposals will not involve the sanctioning of
any additional staff in the office of the D.E.O.,
Madras. The proposals may be confirmed
by the D.P.G.

From The Director of Public Instruction,
Madras.

To The Secretary to Government,
Education and Public Health Department,

C.No.1053 K2/49 dated 26-8-1949.

Sir,

Sub: Madrasa - I - Azam - Transfer of control from the
Principal, Government Arts College, Madras to
the District Educational Officer, Madras.

3 auto Ref: Government Memo No.59148-1/49-A Edn., dated 12-8-49.

I have the honour to offer the following remarks on the
points raised in the Government Memo referred to above.

2. Even though the Principal, Government Arts College,
Madras is the controlling authority of the Madrasa-I-Azam, the
District Educational Officer, Madras has always been the Inspecting
Officer of the School. Considering the compactness of jurisdiction
of the District Educational Officer and also the fact that Madrasa
I-Azam is a well established Government institution under a Head
master in the Gazetted cadre, the additional work is not likely
to impair the efficiency of the District Educational Officer,
especially when he has a Personal Assistant to relieve him of a
large portion of his routine work.

3. The strength of ministerial staff sanctioned for
Madras District Educational Officer's Office is on a par with
the staff sanctioned for other District Educational Officers'
offices. Although the work relating to Secondary Education
may be heavier in the Madras District, the work relating to
Elementary Education is nothing compared to what it is in the
muffasil districts. I do not therefore consider that the transfer
of control of Madrasa-I-Azam to the District Educational Officer
Madras should necessitate the employment of additional staff in
his office.

Yours faithfully,

for Director of Public Instruction.

Sir,

Department attached to the Government Arts College, Madras
Transfer of control - Classification of accounts.

Ref: G.O.No.3187 Education dated 17-10-1949.

In their order quoted above, Government have approved my proposal
that the administrative control of the Madrasa-i-Azam and the Secondary
Training Department II attached to the Government Arts College, Madras
should be transferred to the District Educational Officer, Madras.

As a result of the above transfer of control, the expenditure in
respect of the Government Madrasa-i-Azam, which at present is being
booked to the head pertaining to the Government Arts College for men,
should hence forth be booked under the head of account relating to the
Government Secondary Schools for Boys in the ordinary areas, as the above
secondary department becomes a separate unit for classification and
control of expenditure.

In order to avoid complications in accounting and Budgeting ~~the~~
in respect of the secondary department, in the current year, I am directing
the District Educational Officer, Madras to book the expenditure and
credit the receipts ~~in receipts~~ in respect of the above school under the
head pertaining to the Government Arts Colleges for men till 31-3-1950.
and countersign bills etc of the school in anticipation of the approval
of the Government.

From 1-4-1950 (i.e. the beginning of the coming financial year,
the procedure applicable all Government secondary schools for boys in
the ordinary areas under the control of the District Educational Officers
will be followed in respect of this secondary department also.

I request that Government may approve of my action and issue
necessary instructions to the Accountant-General, Madras in the matter
urgently.

Yours faithfully,

for Director of Public Instruction.

Please see the letter from the D.P.I. on p 1 above and the draft Endt put up by E.P.H. Thiruv. The Control of the Madras - I. Azam ^{Training} and the Secondary/Department attached to the Govt Arts College, Madras was transferred to the ~~Control~~ District Educational Office, Madras in G.O. 3187 Dn of 17 Sep. Consequently the charges ~~is~~ connected with those Department should also be accounted for under the head "31 Dn - f. Secondary, Govt Secondary Schools - I. Govt Secy schools for boys - A. ordinary lines". The D.P.I. has stated that if the reclassification is given effect to in the middle of the year it will create complications in accounting and Budgeting and in order to avoid that he has authorized the D.P.O. to continue to debit the charges relating to the Dpts to the existing head viz Govt Schools. The D.P.I. has suggested that the reclassification may be given effect to from the next financial year i.e. from 1.4.1950. This Dept may agree with D.P.I.'s proposal. The provision in respect of these ~~now transferred~~ ~~existing~~ Dpts for 1950-51 will no doubt be made under the appropriate heads of account indicated above. The D.P.I. may however be requested to propose the necessary provision to be made in these Dpts under the new heads according to the reclassification suggested.

The words "and countersign bills etc. of the school" occurring in para (3) of my letter quoted above, may be deleted as the Headmaster, Government Madrasa-I-Azam who is a Gazetted Officer is competent to countersign the bills.

2. Although the entire expenditure in respect of both the Secondary and Secondary Training Departments should on principle be booked under the head of account relating to the Government Training Schools for masters, it was proposed to book the expenditure relating to the Government Madrasa-I-Azam separately under the head relating to Government Secondary Schools for Boys from 1-4-1950 while that relating to the Secondary Training Department (to which admissions are made only in alternative years) will be continued to be booked under the head relating to the Government Training Schools for masters as the bulk of expenditure relates to Secondary Department only.
