Dated 4th August 19 49

The Hon'ble Minister for Education,
Fort St. George, Madras.

Esteemed Sir,

Sub. Application for inclusion in the Budget for
1949-50 --Building Scheme--Second instalment
of building--Provision for accommodation for
Middle School classes.

We have submitted today our building application
to the Director of Public Instruction, Madras, (copy of
which is enclosed herewith) with a request to him
to entertain the same and submit it to the Government
for approval and for their sanction.

In our original application we had definitely
intimated to the Director of Public Instruction
that our first scheme was entertained to provided
accommodation only for the High School forms. The
present application is for the construction of
permanent sheds to accommodate the middle school
classes.

The Director has been pleased to give as a
temporary measure permission to hold the classes
of the entire school on shift system owing to paucity
of accommodation in the new buildings. We may
however state that the shift system cannot be consi-
dered to be a permanent or satisfactory measure and
that there are practical and serious difficulties
in the way of its efficient working. It is very
desirable that the entire school should work as a
single unit together. Our Engineering Contractors
Messrs. Gannon Dunkerley & Co (Madras) Ltd., Madras
have given us plans and estimates for the construc-
tion of permanent sheds at a modest cost of Rs.60,000/-

in order to minimise expenditure on pucca building. These five permanent sheds can give accommodation for nearly 20 sections. As soon as the scheme is approved by the Government we shall raise our quota during the year and begin the construction of the sheds so as to make them ready by June 1950. We therefore pray that you may be pleased to accord sanction for the entertainment by the Director of Public Instruction of our scheme and submit our scheme to you for your early orders.

Yours faithfully,
For the National High School (Girls)
Triplicane.

Sir,

Sub: Application for inclusion in the Budget for
1949-50 -- Building Scheme -- Second instalment
of building -- Provision for accommodation for
Middle School classes.

We have the honour to submit our application for
inclusion of our building scheme for the middle school
classes in the list of approved works for the year 1949-50.

In this connection we have to state that our first
scheme for the construction of buildings for the High School
classes was submitted on the 9th September 1947 and by
G.O.No.771 Edn. dated 5th April 1948 the scheme was approved
and we are glad to state that we have now completed the
first scheme. It may be stated here that in our application
dated 9th September 1947 it was expressly stated that our
first scheme of building was intended to provide accommodation
for the High School Classes only.

The Government was pleased to sanction a sum of
Rs.35,000/- (Rupees thirty five thousand only) and with the
aid of our friends we have now completed the first scheme
which has cost us nearly 2 lakhs of rupees.

As the new building cannot accommodate the entire
High School and as our old buildings have been required
for the High School.

In order to minimise expenditure on price building.
These five permanent sheds can give accommodation for
nearly 20 sections. As soon as the scheme is approved
by the Government we shall raise our quota during the
year and begin the construction of the sheds so as to
make them ready by June 1950. We therefore pray
that you may be pleased to accord sanction for the
entertainment by the Director of Public Instruction
of our scheme and submit our scheme to you for your
early orders.

Yours faithfully,
For the National High School (Girls)
Triplicane.

by the High School for Boys for their occupation, we have now been given permission to run our school in the new building on shift system, temporarily for a period of one year, in the hope that we should be able to put up the necessary accommodation for the middle school during the course of this year.

We have prepared our scheme for the middle school classes which number about 18 sections with a total strength of 600. We have also to provide special accommodation for the efficient instruction of Domestic Science, Music Class and for Tiffin sheds etc.

In view of the difficulties on every side to raise sufficient sums of money to put up pucca buildings Messrs. Gannon Dunkerley & Co. (Madras) Ltd., our Engineering Contractors have suggested to us the construction of five permanent sheds, which will accommodate nearly 20 sections within a modest estimate of Rs. 60,000/-. We shall feel grateful if our scheme is entertained and approved, so that we may raise sufficient funds to cover half the net cost of the construction which the management have to bear. The view of the Director of Public Instruction, Madras, that the scheme of working on shifts cannot be regarded as a permanent or satisfactory measure and that for the efficient work of an institution the school should work as a single unit is also realised by us in the practical working of the shift system.

We undertake, on the scheme being approved by Government and permission being granted to us, to start the work to find our portion of the expenditure and complete the construction in time for the running of the entire school as a single unit in June 1950.

Sir,

Sub. Application for inclusion in the Budget for ¹⁹⁵⁰⁻⁵¹ ~~1949-50~~
Building Scheme-- Provision for accommodation for
Middle School--Middle School as a separate adminis-
trative unit.

We have the honour to submit our application for inclusion
of our building scheme for the Middle School classes in the list
of approved works for the year 1950-51.

In this connection we have to state that our first scheme
for the construction of buildings for the High School classes was
submitted on the 9th September 1947 and by G.O.No. 771 Edn dated
5th April 1948 the scheme was approved and we are glad to state
that we have now completed the first scheme. It may be stated
here that in our application dated 9th September 1947 it was
expressly stated that our first scheme of building was intended
to provide accommodation for the High School classes only.

The Government was pleased to sanction a sum of Rs.35,000/-
(Rupees thirty five thousand only) and with the aid of our
friends we have now completed the first scheme which has cost
us nearly 2 lakhs of rupees.

As the new building cannot accommodate the entire High
School and as our old buildings have been requisitioned by the
High School for Boys for their occupation, we have now been
given permission to run our school in the new building on shift
system, temporarily for a period of one year, in the hope that
we should be able to put up the necessary accommodation for the
middle school during the course of this year.

We have prepared our scheme for the Middle School classes
which number about 18 sections with a total strength of 648
pupils. We have also to provide special accommodation for
the efficient instruction of Domestic Science, Music and for
Tiffin sheds etc.

No action is called for on the letter
which is a copy of the letter addressed to the D.P.I.
at plants. It may be filed with memo

no. 60808 B, / 49.1 Edn d/ 11.8.49.

25/8/49.

In view of the difficulties on every side to raise sufficient sums of money to put up pucca buildings Messrs. Gannon Dunkerley & Co (Madras) Ltd. our Engineering Contractors have suggested to us the construction of five permanent sheds, which will accommodate nearly 20 sections within a modest estimate of Rs.60,000/-. We shall feel grateful if our scheme is entertained and approved, so that we may raise sufficient funds to cover half the net cost of the construction which the management have to bear. The view of the Director of Public Instruction, Madras, that the scheme of working on shifts cannot be regarded as a permanent or satisfactory measure and that for the efficient work of an institution the school should work as a single unit is also realised by us in the practical working of the shift system.

IN VIEW OF THE UNWEILDY STRENGTH IN BOTH THE MIDDLE SCHOOL FORMS AND HIGH SCHOOL FORMS ENTAILING CONSIDERABLE DIFFICULTIES IN CARRYING OUT EFFECTIVE SUPERVISION WE HAVE RESOLVED TO RUN THE HIGH SCHOOL AND THE MIDDLE SCHOOL AS SEPARATE ADMINISTRATIVE UNITS FROM NOW ON, EACH UNDER THE SUPERVISION OF A QUALIFIED L.T. BUT SUBJECT TO THE MANAGEMENT OF THE NATIONAL EDUCATION SOCIETY (REGISTERED) MADRAS. THE HIGH SCHOOL AS A SEPARATE ADMINISTRATIVE UNIT WILL CONSIST OF FORMS IV TO VI AND AS A SEPARATE ADMINISTRATIVE UNIT THE MIDDLE SCHOOL WILL CONSIST OF FORMS I TO III. THE PRESENT BUILDING APPLICATION IS WITH REFERENCE TO ONLY THE MIDDLE SCHOOL AS SUCH PROVIDING ACCOMMODATION FOR 20 CLASS ROOMS FOR A STRENGTH OF NEARLY 700 PUPILS.

We undertake, on the scheme being approved by Government and permission being granted to us, to start the work even now to find our portion of the expenditure and complete the construction in time for the separate running of the Middle School without shift system from June 1950.

Grants - Buildings - The National High School (Girls)
Triplicane - Construction of permanent sheds
for the middle school - Applied for grant in 1950-51.
From the Secretary, the National High School
Triplicane 3.10.51. 49. Dated 8.9.49.
Memo No. 69/45 B, /49-1 Edn. dated 8.9.49.
The D.P.D. is requested to offer his remarks
very urgently on the application for a grant
for the construction of permanent sheds for
the middle school Dept. of the National
High School for Girls, Triplicane, as the Honble
the Minister for Education has minuted that
this may be included in the Part II Scheme

R.O.No.389 D2/49

Office of the
Director of Public Instruction
Madras, dated, 24-9-1949.

From

The Director of Public Instruction
Madras.

The Secretary to Government
Education and Public Health Department
Fort St. George, Madras.

Sir,

Subject:- GRANT -- Building -- The National High
School (Girls) Triplicane -- Construction
of permanent sheds for the Middle School
inclusion of scheme for aid.

Ref:- (i) Govt. Memo. No.60808 B1/49-1 Edn., dated 11-8-49.
(ii) G.O.Mem. No.69145-B1/49-1 Edn., dated 8-9-49.

In G.O.No.Ms.2267 Edn., dated 27-10-1947, the Scheme for the construction of a building for National Girls' High School, Triplicane, in the lease land belonging to Sri Parthasarathi swami Bevasthanam, Triplicane, at Ice House Road, at an estimated cost of Rs.1,40,000/- was sanctioned for inclusion in the list of approved works rendering the institution eligible for a grant upto one half of the cost of the scheme not exceeding Rs.30,000. The estimated cost of the scheme is Rs.1,42,700/- as recommended by the Joint Consulting Architect after scrutiny. In G.O.No. Ms.152 Edn., dated 21-1-1949, the maximum grant was raised from Rs.30,000/- to Rs.35,000/-. With reference to G.O.No.1981 Edn., dated 10-8-1948, the maximum grant of Rs.35,000/- was paid during 48-49.

2. The strength of the school as on 1-8-1949 is 332 in Form IV to VI (10 section) and 639 in Forms I to III (18 sections). The new building mentioned in para 1 above is for the housing forms IV to VI. The school is still growing and more space is required. For want of accommodation, the school is run in the new buildings on shift system. In view of the unwieldy strength entailing considerable difficulties in carrying out effective supervision, the management of the above school have resolved to run the High School with Form IV to VI and the Middle School with Forms I to III as separate administrative units each under the supervision of a qualified L.T. To minimise the cost in putting up pucca buildings, the management have decided to construct five permanent sheds to accommodate nearly 20 section at an estimated cost of Rs.60,000/-. I submit herewith a copy of the remarks of the Joint Consulting Architect to Government. In view of the above decision of the management, the two departments may be treated as two different units and considered for aid. It may be mentioned here that no separate maximum limit of grant for middle schools has been fixed.

3. I submit herewith a copy of letter dated 10-8-1949 from the Correspondent, The National High School (Girls) requesting for the inclusion of the scheme in the list of approved works and for permission to start the work. With reference to Government Memo. No.60808 B1/49-1 Edn., dated 11-8-1949 as the estimate has been recommended by the Joint Consulting Architect for approval at a cost of Rs.59,500/-, I request

for 1950-51. He is requested to offer his remarks specifically on the point whether the maximum limit of Rs 35,000 fixed for each scheme may be applied separately for the construction of buildings for the middle school & high school departments separately, treating them as separate units as urged by the Correspondent of the National High school (Girls) Triplicane, and whether the Chief Consulting Architect ~~approved of the design~~ for the construction considers that the proposed sheds may be considered eligible for aid as they are reported to be permanent structures.

10/9/49
8-9-49
To
The Secy.
G.O.
B/8/49

* rendering the
institution eligible
for a half grant
of Rs 29,750/-

Government may be pleased to sanction the inclusion of the scheme under Chapter VIII as desired by the Correspondent at an estimated cost of Rs. 59,500/- (one half of the cost of the scheme recommended by the Joint Consulting Architect to Government). As the estimate has been scrutinised by the Joint Consulting Architect to Government, permission may also be accorded to start the construction. With reference to Rule 53 (ii) of the Grant-in-aid Code as the estimated cost exceeds Rs. 10,000/-, tenders have to be called for and work started entrusting it to the lowest tenders.

Yours faithfully

J. Thevar

For Director of Public Instruction.

35/24/9.

Copy of letter of the letter dated 9-9-1949 of the Joint Consulting Architect to Government, Chepauk, Madras, dated

National High School (Girls) Triplicane Middle School - Construction of 5 sheds. Estimate Rs. 59,575-9-0-

The plans and estimate submitted by the Correspondent for the construction of 5 sheds for Middle School Block have been scrutinised. The sheds proposed are pucca structures only but designed with a view to keep down the cost by the use of less costly materials in the construction. The sheds proposed for this school are not therefore to be compared to "Nissen" sheds.

The proposed construction may therefore be admitted and the estimate approved for Rs. 59,500/- for grant purposes.

(sd.).....

THE NATIONAL EDUCATION SOCIETY (REGISTERED) MADRAS

(in management of the National High School (Girls) and the National High School (Boys) Triplicane)

Copy of letter of the Correspondent of the above High School, dated 10th Aug. 1949 to the Director of Public Instruction, Madras.

We have the honour to submit our application for inclusion of our building scheme for the Middle School classes in the list of approved works for the year 1949-50.

In this connection we have to state that our first scheme for the construction of buildings for the High School classes was submitted on the 9th September 1947 and by G.O. 2. The Finance Department have agreed to the inclusion in the list of approved works as a special case the scheme for the construction of five permanent sheds for the middle school department of the National High school for girls Triplicane, Madras, at an estimated cost of Rs 59,500 rendering it eligible for a grant not exceeding Rs 29,750. The question of provision of funds for payment of the grant in 1950-51 will be considered as a Part II scheme for that year

The draft order below may be circulated to H.M. (Edn & L) and H.M. (Fin) for approval.
