Honoured Sir,

I beg to state that I have passed
my B.A. degree Exam. this year. I am aged about
20 years. I am supposed to belong to the Scheduled
Castes. I am one of the very few Candidates
of the Scheduled Castes, perhaps the only one ^{from Andhra} that
came out successful in the recent B.A. exam at
the first appearance.

I have applied for a seat in M.A. with
Economics main in Loyola College, Madras.
But the Principal sent me a memo stating
that I am not given a seat in M.A. in his College.

Reference: Application Number 4840, Loyola, Madras

This shocked me to the core. I am a young

8

enthusiastic student ardently wishing for higher studies. The refusal of my admission by the Principal has made me stick up to my bed and forget even meals. (However, I am determined to observe fast until I get a seat in H.A. in Loyola College). I hope and wish you will kindly see that I am given the seat. Study or death!

Honoured Sir,

I beg to submit the few lines for your kind consideration and favourable orders. I am an eligible candidate of (Bourd High School, Ettimamur (Chingleput Dist.) for the Junior Intermediate class who have sent the registration fees and the admission form in time to the "Madras Christian College, Tambaram".

Since I am a candidate belonging to the "Hindu-Harij" Community, I was hoping to get admission in that institution. But the Principal of that College has sent me a rejected letter saying that he is not in a position to offer me a seat in that College.

After getting the rejected letter I have sent an admission form with the registration fees to the "Pachaiappa's College" Madras on the 28th June 1948. Since the date for registration has been expired he has returned the money order on the 3rd July.

At the time for trying admission in any College has gone away, I am unable to continue my studies this year, though I have scored good marks in the S.S.L.C. public examination. Hence I request your honour to be kind enough to oblige me as I am a poor "Hanjai" student. Please note my register number in the Christian College Hall and my S.S.L.C. number 31770.

Thanking you in anticipation,

I beg to remain,

Honoured Sir,

Yours obediently,

Ramanujam

He was an old student of our College whom we believed would not have succeeded in the M.A. course as his record in the B.A.was rather poor. Copy of letter No.D.X.16/49-50 dated 2nd August 1949 from the Principal, Loyola College, Madras to the Director of Public Instruction, Madras.

Ref: RC.No.1600/K-2/48 dated 7-5-1949.

According to our rules of admission we insist upon the submission of marks by every applicant - Harijan applicants, also have to conform to this rule if they desire admission in our College.

Copy of No.XX.18/49-50 dated 1st September 1949 from the Principal, Loyola College, Madras to the Director of Public Instruction, Madras.

Ref: R.C.No.1600-K2/48 dated 18-8-1949.

Relaxing the rules of admission by which we insist upon the submission of marks will put us to considerable difficulty. Sometimes a Harijan student may apply for a subject for which he is not fit and we may be in a position to advise him regarding choice of an optional in the light of his marks. Moreover as we have a very large number of applicants from Harijans and sometimes students coming from other Colleges apply for Degree courses which are available in their own College we feel the need of exercising some discretion in the selection of students in certain cases. For this it is necessary for us to have their marks.

I request that we may be allowed to insist on this usual condition. I may however add that every consideration will be given to the applicants and they will be given no fair cause for complaint. //

From the D.P.I., Roc.No. 6027-E4/46 dated 21-12-48. P13 of C.No. 96245/48.

The case relates to the complaints regarding refusal of admission of Harijans into Colleges, viz., from Sri B. Manmadha Rao, Madras, who states that he was refused admission into the B.Com. course in the Loyola College, Madras, from Sri B. Rammohan Rao who states he was refused admission into the M.A. class in the Loyola College and from T.A. Chidambaram, who states he was refused admission into the Intermediate class in the Madras Christian College. The D.P.I. was asked to state whether the instructions issued in G.O. No. 1225, Edn., dated 11-6-47 and Govt. Memo. No. 53975-7-47-A Edn., dated 25-5-48 regarding the reservation of ten per cent of seats for Harijans have been given effect to. It is seen from the D.P.I.'s report that 17 Harijan students applied for admission into the Loyola College of whom 13 were admitted into the College. Out of the remaining 4 students, one is reported to have not joined the college although he was selected for admission. As regards the remaining 3 applicants, the Principal of the College states that an application for admission into the M.A. course in Economics was received from an old student of the College, who the Principal believed would not have succeeded in the M.A. course as his record in the B.A. was rather poor. The Principal states he advised him not to seek admission into the M.A. course and the student is reported to have taken the advice and joined the L.T. course. The remaining two students are stated to have applied for admission into the I University class, but none of these applicants sent their marks and hence they were not selected. The names of the three students who were not admitted into the College are Sri S.V. Perumal, Sri K. Balaraman and V.P. Muniswami. The names of the petitioners (Manmadha Rao and Rammohan Rao) are not among these. There was therefore no denial of admission to these candidates. As regards the non-admission of Sri T.A. Chidambaram, the Principal of the Christian College states that marks were received from him only late, i.e. on 27-6-48, two days after the stipulated date. In the circumstances no further action seems called for on this.

Submitted - In G.O. No. 1225 Edn. d. 11.6.47, while directing 10% reservation of seats in schools and colleges for Harijans, it was stated that they should be admitted, only if they satisfy the minimum edul. attainments required. W.r.t. a letter to the Editor from Sreami Anand Pirth published in the Indian Express d. 7-10-48 the intention of the Govt. has been recently clarified to the effect that only the minimum edul. attainments need be insisted on for admission of Harijans to all classes except to Honours and Postgraduate classes. Admissions to Honours and Postgraduate classes are primarily based on consideration of merit and are not based on marks. In the light of the foregoing it would appear that Harijan candidates also should submit along with their appls. a list of their marks in the last exam from which it may be adjudged whether they possess the minimum edul. attainments required. The position may, however, be got clarified further by a reference to the D.P.I. The draft memo below may be issued.
