Office of the
Director of Public Instruction
Madras, dated, 25th Sep. 1949.

From The Director of Public Instruction
Madras.

To The Secretary to Government
Education and Public Health Department
Fort St. George, Madras.

Sir,

Subject:- Overseas scholarships - Sri N.V.Kudva --
Employment of.

Reference:- Government Memorandum No.68925-A1-Edn., dated
13--9--1949.

The basic qualification of Sri N.V.Kudva is ^{B.E.} ~~Budget Esti-~~
~~mate~~ (Electrical) and he has undergone advanced studies in Elec-
trical Engineering (Wireless Communications). He is, therefore,
best suited for employment in the Tele-communication Engineering
Department in the College of Engineering, Guindy. But there is
at present no vacancy in that Department as the two gazetted posts
of Instructor and Junior Instructor are held by overseas trained
scholars - Sri K.S.Hedge and Sri G. Subramanyam.

2. In my letter Roc.No.2483-K2/46 dated 20-8-1949 I have
addressed Government to sanction a post of an Additional Instructor
in Tele-communication Engineering in the place of a Laboratory
Assistant's post and their orders in the matter are awaited. It
would be possible to provide a suitable appointment for Sri N.V.
Kudva only if the additional post is sanctioned.

3. In the circumstances stated above, I submit that no
suitable vacancy exists or is likely to occur in the near future,
in which the services of Sri N. V. Kudva could be utilised, unless
Government sanction the post of an additional Instructor for the
Tele-communication Engineering Department.

Yours faithfully

For Director of Public Instruction.

NOTE:- Sri N.V. Kudva was sent abroad by this Govt. for higher studies in "Wireless Communications" under the Govt. of India scheme, as a private scholar. He was intended for eventual absorption in the staff of Engg. Colleges. He has now returned after completing

his foreign studies, and the D.P.I. has proposed that he may be apptd. as Jr. Instructor on Rs. 260-420 temporarily ^{now} pending his regular appt. in ~~the~~ due course. The recommendation may be accepted. The Dir. has also proposed that Sri G. Subramanyam, another overseas scholar who was already offg. as Junior Instructor, might be promoted as Instructor. Draft overleaf sanctions this proposal. too. May be circd. to H.M.(P.W.) and H.Pr.

What is the service to the qualification of Subramanyam that he is promoted. If it is possible that his qualifications are superior to those of Kudva, why should not ~~could~~ the latter be appointed to the higher post.

The appt. as Junior Instructor of Sri Subramanyam was made with effect from 1.7.49. The candidate has now put in nearly 3 1/2 months' service. Both Sri Subramanyam & Sri Kudva were B.E.s. before their going abroad. The former had his higher studies in the Stanford University, California, U.S.A. It is not known what exactly the qualifs. obtained by him ~~overseas are~~ and what the qualifs. are by Sri Kudva ~~overseas~~ are. This point, and also the question of equivalence of the qualifs. of the one to those of the other, will be gone into before their tempy. appts.

are regularized. The scale of pay of the Junior Instructor is Rs. 260-40 1/2-420 and that of the Instructor Rs. 260-40 1/2-500-50 1/2-700. The starting pay of the first four stages in both the scales are the same. Therefore, the acceptance, for the present, of the Dir.'s proposals will not cause harm to either of the candidates. At the time of regularization of the tempy. appts., the one who is less qualified and less experienced may be allotted the Junior Instructorship.

Sri G. Subramanyam is ^{academically} qualified for appointment in the Tele-Comm'n Engg branch, either as Professor or as Instructor (vide X on p. 18 (K)). Sri Kudva has yet to submit his thesis for the degree. The former may therefore be said to be more qualified than the latter.
