Office of the
Director of Public Instruction
Madras, dated, 14th Sep. 1949.

From
The Director of Public Instruction
Madras.

To
The Secretary to Government
Education and Public Health Department
Fort St. George, Madras.

Sir,

Subject:- REVISED SCALES OF PAY -- L.T.Assistants
in secondary schools under aided managements
Adoption of the scale admissible to L.T.
Assistants in Grade I in Government Schools.

In G.O.Ms.No.372 Education dated 26--2--1948, Govern-
ment have made it clear "that it is open to managements of
aided secondary schools to adopt for their teachers the revised
scale of pay fixed for teachers in Government service if they
can afford to do so and that in such cases the expenditure
incurred by managements on payment of salaries in those scales
will be treated as an approved item of expenditure and will make
them eligible from 1.6.47 for teaching grant on the basis of
2/3 of the approved net cost". Some managements have already
adopted the revised scale of pay fixed for teachers in Government
service. In such cases, the question of adoption of the scale
of pay for L.T.Assistants requires clarification on one point.

2/ According to the revised Local Board Scales, the Head-
Master is allowed the scale of Rs.150-10-200 besides the Head-
Master's allowance and L.T.Assistants Rs.75-5-145 whereas the
scale of pay paid down for Headmaster and L.T.Assistants in
Government schools are as follows:-

Headmaster Grade I 165-5-205-10-245 (with Headmaster's
allowance)

Headmaster Grade II 85-5-125-10-175 -do-

L.T.Assistants Grade I 165-5-205-10-245

L.T.Assistants Grade II 85-5-125-10-175

3 It is found that some managements are already paying
certain L.T.Assistants in the scale of Rs.165-245. If the adoption
of Grade I scale of pay for L.T.Assistants by the aided manage-
ments is generally permitted in an unregulated manner, it is
likely to result in unfair discrimination and the cost to Govern-
ment is also likely to go up. Its repercussions on teachers
under other managements have also to be considered. It may, in
this connection, invite the attention of the Government to the
correspondence ending with Memo. No.41434 B1/49-2 Edn., dated
12.8.1949. When the scope of Grade I scale for L.T.Assistants
so far as it related to the L.T. Assistants in Local Body Sec-
ondary Schools was raised by me specifically, Government merely
indicated the scale of Rs.85-175 against the scale of 75-5-145

fixed for L.T. Assistants in Local Board Secondary Schools, which leads one to the impression that Government see no need for the adoption of the selection grade scale for L.T. Assistants in the Secondary Schools under Local Bodies. If such be the case, the same should hold good even in the case of teachers in the secondary schools under private managements. I therefore request that Government may clarify the position in this regard. As matters stand I consider that the ordinary scale of Rs. 85-5-125-10-175 is itself adequate by comparison and the Grade I scale may be confined to Headmasters and Assistant Headmasters where they are appointed and strength justified such appointment.

I request orders of Government so that I can inform managements of the position as approved by Government.

YOURS FAITHFULLY.
